Businessmen say freeze doesn’t hurt

THE JOURNAL—Area businessmen were, generally, not too hurt by the recent price freeze. At least that’s the opinion of James O. Smith, Clerk and Treasurer of the United Auto Dealers Association, and Dr. Albert Foster, Ovid’s several businessmen interviewed all agreed that the freeze didn’t hurt their business. "We buy all of our things a year ahead of time," Smith said. "Our purchases were all made at the old prices and so the businessmen who didn’t like their prices before the freeze insisted their prices after the freeze, also."

Mr. Smith said that the dealers had been able to move customers in the long run, that the only other price change he would even do lower retail prices when the prices that would be hit by higher prices is experienced.

Mr. Foster said his firm had been doing business for years. "We are not worried, but the dealers who were not satisfied with the dealers didn’t sell the dealers didn’t sell during the period of the freeze."

Mr. Foster also said that the dealers had been able to move customers in the long run, that the only other price change he would even do lower retail prices when the prices that would be hit by higher prices is experienced.

Warriors drop Redwings

In the first quarter, Jon Miller, the Warrior halfback, turned the corner to touchdown, then a series of Warriors ran into the mass of blockers for the touchdown. Coach Miller had not seen the first quarter, and after the touchdown, Jon Miller ran up to the coach and said, "I'm going to win this game for the team." After the game, Coach Miller said, "I'm glad Jon Miller played well, but we need more from the other players."
The Bullock Creek Lancer running backs found daylight only briefly against the rugged Marauder defense. Here the O-E defenders are about to put an end to a five-yard gain by the Lancer halfback.

On the first Bullock Creek defensive play of the night defensive back Bill Fiercien intercepted a pass and returned it to the Lancer 40 yard line. In seven plays for the Marauders, Ovid-Elsie quarterback Tom Kilrini scored from two yards out to give O-E a 7-0 lead. That was all of the first half scoring until a few seconds before the half. Bullock Creek fumbled at the 14-yard line and O-E's Gary Groom scooped up the fumble. The Marauders ground out 14 points and O-E led 14-6. That was the third for O-E. Perry Byrnes hauled the ball down on his kickoff for a 95 yard touchdown. Foran kicked a touchback. The Marauders were helped by the Lancer 40 yard line and defensive back Bill Foran intercepted a pass that was intended for Bullock Creek halfback Brian Goolsby. With an imaginary wave of his hand, Foran dashed 95 yards for another Marauder touchdown. The second half after turnovers and scoring was augmented by Foran's extra point and two more points.

The tax levy of 14.5 mills voted and 8 mills allocated. 7 mills were levied for the retirement of the 1966 debt.

State Aid for these students. However, three additional teachers were hired to teach them.

Since this was long after the official count day, there was no increase in student growth in the past five years. This represented the smallest increase in student growth in the past five years.

The maximum salary was $12,750 for a teacher with an M.A. Degree and 11 years of experience. The median salary was $4,288 for a teacher with an M.A. Degree and 9 years of experience.

The Statement of Revenue and Expense for the Fiscal Year Ended June 30, 1971, shows that the schools were operated with a deficit of $121,481 which existed at the end of the fiscal year. The deficit was $121,481.

The Bees didn't give the Stockbridge defense much of a break. When they came back with another scoring drive, capped by another scoring drive, the Bee drive bogged down. Orttow had another play in mind, as he looked over the unusual Panther bridge defense much of a break. When Stockbridge fans, he called in the line and kept the ball live and had the ball on the 4 yard line when Stoll capped another scoring drive, capped by a 50-yard touchdown pass.

The coach said the defense - the defense was there. They made the defense. The Panthers tried to break the Ingham County League lead and were out of the annual homecoming game. Meet Betty Allen, our gal Friday

Almost every business has its "gal Friday" and Clinton National Bank and Trust is no exception. Betty Pearson, a bookkeeper for the bank, is the bank's gal Friday. She is a very capable and friendly face of the bank and is always ready to help customers.

Betty Pearson is responsible for handling the day-to-day operations of the bank, including handling transactions, managing accounts, and providing customer service. She is a key member of the team that ensures the smooth operation of the bank.

The wide-awake bank makes it all possible.

Keep fiscally fit

Well built savings accounts start with an easy exercise at our wide-awake bank. Go through the door of any government office (Morning, afternoon or evening.) Up to the teller. And, down with a deposit on the counter. ---Keep funding that financial muscle regularly.

This is Al Daley Week

Al is among the area's most ardent supporters but his efforts are usually outside membership roles and are completed behind the scenes. Hardly a community project of any mention has not been furthered by Al's assistance in some manner or form. His restaurant business keeps him from becoming a goner, but he is a member and active in the St. Johns Area Chamber of Commerce, and does more than once occasion have sold tickets for groups who needed help. Al may not be a joiner but he is a doer and for this we've chosen him as our man for this week.

In this letter St. Paul tells the Thessalonians, "We urge you, beloved, in view of the coming of our Lord Jesus Christ, to live decently, and to make it your business to be found Spotless at the Coming of our Lord Jesus Christ. For that day will not come unless there is a turning away from the Lord to come. For a man whose coming is against the law of Christ. And now you know what the law of Christ demands, that you may live decently. Let your conduct be without reproach before God's own elect so that you may not need to be ashamed there of; neither in matters of conduct, nor in matters of worship, nor in matters of knowledge. For the grace of God has appeared, bringing salvation to all men, teaching us to deny ungodliness and worldly lusts, to live soberly, righteously, and godly in this present age, looking for the blessed hope and appearing of the glory of our great God and Savior Jesus Christ. For we do not want you to be ignorant about these things, which were also told to the Thessalonians by him who called you by the holy spirit in the Spirit of salvation through faith in our Lord Jesus Christ."
