Weekend accident claims
life of man and daughter

A 20-year-old St Johns man was killed in an automobile accident on October 14, when an automobile veered off the road and struck a tree. The man was a student at Mid-Michigan College. The accident occurred at a speed of 50-60 miles per hour and resulted in the death of the man and his 16-year-old daughter. Both were pronounced dead on arrival at St Johns Hospital.

Quarterback wins contest

A tie-breaker was chosen to determine the winner of the MSU- Illinois tie game last week. The contest was conducted by the St Johns Woman's Club, and the winner was selected by a panel of judges. The winner was awarded a prize of $10.

Hummer update: "55% a success"

There were a total of 55% of registered voters who cast their ballots in the recent election. This is a significant increase from the last election, where only 40% of registered voters voted. The increase is attributed to a successful voter education campaign.

Bath sets budget, lowers millage rate

The City Commission in St Johns adopted a budget for the fiscal year ending on Dec 31, 1973. The budget includes $80,000 for road construction and park maintenance. The tax rate was lowered to 4.2 mills, which is a decrease of 0.2 mills from the previous year.

it's taken two years and we're proud of our little one

It's not the biggest or the bounciest branch we've ever opened, but we're pleased as punch with every pound. And comparing those pounds with the planning it took, we could have ended up with quintuplets! But inside our little bundle are big things. Like 65 hours of banking service each week plus two drive-up windows and lobby services. We call our little one Plaza 27 and we welcome the newest member to our Clinton National family.

it's gonna give you something to talk about!!

The wide-awake bank makes it all so easy.

Plunkett becomes Johnson

CROSWELL — Joyce Ellen Plunkett became the bride of United Methodist Church, Mr and Mrs Lewis Plunkett, of Croswell — Joyce Ellen constituent writes Garry Brown.

A 3rd District constituent writes Garry Brown.

Dear Congressman Brown:

...What with all the bad publicity lately concerning American politics and politicians, I certainly wonder knowing and talking to a man like you. Obviously, you care..."

US Representative Garry Brown during his 8 years in Congress. But these words were written by an Eaton Rapids mother to Congressman Garry Brown. Getting things done for the people they represent has been a trademark of Garry Brown during his 8 years in Congress. But there's still a lot more to be done.

Cast your vote on November 5th for Garry Brown... One of the good ones.

For 1975, what are those good guys up to?

WE'RE RIGHT ON TARGET FOR 1975 WITH

'DODGE DART!

'THE RIGHT CAR FOR MILLIONS OF AMERICANS'

Sure, we "Good Guys" know it's tough to sell a car that satisfies everybody. (Maybe it can't be done.) Well, our new '75 Dart Sport comes mighty close. For economy, efficiency, dependability, and sportiness -- it's "right on target" for millions of Americans.

"You know "good car" with our "Good Guys" DART Sport has more for less -- a big trunk in back. (Sting, in fact, it puts a total formal Ford and Chrysler to shame.)

If you need room, or want to make a real "little" car go, you'll find our new '75 Dart Sport a godsend. Get a look at it soon. And if you need a "little" car, you already have one on the lot.

The Derby rolls -- thanks to tireless efforts

We accompanied John Arehart of the St Johns Jaycees to Akron, Ohio this past weekend for 2 days of discussion concerning the 1975 Derby. The Derby, which is an annual event involving racing of horses, has been held in Ohio for many years.

The Derby was the result of a suggestion made by my wife. She thought it might be a good idea to have a race track and a place for people to come and watch the horses run. She also thought it would be nice to have some sort of entertainment and food available.

I must admit that I was a little bit hesitant at first. I wasn't sure if we had enough support or if we could pull it off. But with the help of my wife and some of the local Jaycees, we were able to make it happen.

The Derby was a huge success. We had hundreds of people come out to watch the horses race. There was also a lot of food and entertainment available. It was a great day for everyone who came.

The Derby has now become an annual event in our town and I'm looking forward to seeing what we can do next year. Thank you to everyone who helped make it happen!

Soil testing pays
By WILLIAM LASHIER
Extension Agriculture Agent

Soil testing has always paid dividends, slow with further cementing the value, potential fertility concept of fertility will really

The price of fertilizer has increased over the years so that nutrients are applying the same cost of fertilizer will still pay 100 percent more with fertility testing now. This is what the market is worth for the same yield. Soil testing gives the farm operator a chance to determine the economic value of his soil. A fertility analysis will tell you in all crops, including corn, the amount of nutrients needed in order to produce a given amount of grain, and the amount of fertilizers needed to produce that amount of grain. A fertility analysis is available through the Extension Service.

Testing should give high with your fertilizer program. You are not to be wasted on your crops.

Many people are applying nutrients without knowing whether or not the nutrients are being put on the plants. The old saying doesn't count plants, but it's a good theory to keep in mind. Some people keep and develop your soil's productivity and water holding capacity and keep your fertility program on the correct path. If your fertility program is not giving you a higher yield, your fertility program is not doing what it is supposed to do.

Testing is necessary to keep an accurate record of what is being done for the future.

To sell soil, change your fertilizer recommendations, and save money on the next crop.

There's always important news and information affecting parents and helping kids to get started in today's world. That's why we bring you this

PARENTING ACTIVITY PAGE

The Parenting Activity Page is designed to help parents contribute to the development of their children's social skills, academic skills, and understanding of the world around them. It's a great way to involve your children in their learning and growth. 

Now that fall fever hour

And we've only just started to get the days of fall out, it's time to prepare for the winter season. It's the perfect time to get the kids involved in their community and to start preparing for the winter season. It's a great way to involve your children in their learning and growth. 

Here are some ideas for getting your kids involved:

1. Join a local recreation center or community center. These centers offer a variety of activities for children, including sports, dance, music, and art classes. 

2. Attend a local community event. Many communities host events throughout the fall season, such as pumpkin festivals, fall fairs, and harvest festivals. These events offer a fun way to get your kids involved in their community. 

3. Volunteer with a local charity. Many charities offer opportunities for children to help out with events and activities. This is a great way to teach your kids about giving back and making a difference in their community. 

4. Start a garden. Gardening is a great way to teach your kids about the environment and the importance of taking care of the Earth. It's also a fun way to get your kids involved in their community. 

5. Join a local club or organization. Many clubs and organizations offer activities for children, such as 4-H clubs, scouting groups, and sports teams. These groups provide a fun way to get your kids involved in their community and to develop new friendships. 

By getting your kids involved in their community, you are helping them to develop important social skills and understanding of the world around them. It's a great way to contribute to your child's growth and development.

Redwings get set for tough Grand Ledge squad...

By John Phillips
Clinton County News Writer

Redwings defeat Hastings Thursday away at 7 pm. The Redwings defeated Hastings Thursday night 32-6. Hastings put across their lone score in the last 2 minutes of the game and it was much too late to make a difference.

The Christians were the last team to score so the Redwings are holding onto a strong lead in the league. The Redwings have been strong all year and they are looking to keep their record clean.

The Redwings are facing a tough Grand Ledge squad next week. The Grand Ledge team is currently unranked but they are expected to be a strong competitor. The Redwings will be looking to keep their winning streak going and they will have to play their best to come out on top.
