Clerk, one of the executive committee, Andrew Cobb vice-president, Mrs Levi Blakeslee, and E.J. Bottum secretary. The commission is expected to make a decision on whether or not to go ahead, before they make a final decision votes to enter the contract, according to the chairman. If it is approved, the commission would present for the first time next week. The presentation will be made in the executive committee meeting, which looks at 10 a.m. in the executive committee in the basement of the municipal building. The final decision on whether or not to go ahead, before they make a final decision, will be made on whether or not to go ahead.
Curb-gutter assessment roll OK'd after change in resolution wording

it was brought to the attention of the St. Johns City Commission last week that the wording of the resolution had to be changed before the roll was ever signed.

The resolution read, in effect, that the curb-gutter assessment roll would be signed and 60 days would be granted to the city to make the assessment.
Jaycees' park plan gets village's OK

FOGLER - The village council has approved a proposal for a Village park located on the east end of the new road. The village council will begin accepting membership this month. The park will be located on the west side of the village, near the proposed Future Gas station. The park will be open to the public and will be available to all villagers. The park will be maintained by the village council and will be open to the public at all times.

Next Wednesday, Nov. 16, the Village council held a special meeting to discuss the proposal for the park. The council members were unanimous in their support of the park, and the park will be open to the public at all times. The council is actively seeking members to support the park and will be holding a membership drive this month.

Additional information about the park can be found at the village council's website: www.villagecouncil.org/park

How to contact us: Email: info@villagecouncil.org Phone: 555-1234
College Night
Oct. 31

The second County Junior Education Night for high school junior leaders will be held this Monday evening at the Mason County Center in Mount Pleasant.

The program will start at 6:30 p.m. with a short introduction and the salute to the flag. The program will include a 20-minute presentation on the "Previous Educational Experience" presented by the following organizations:

- Mason County Music Educators
- Mason County Art Educators
- Mason County Science Educators
- Mason County Social Studies Educators
- Mason County English Educators

The program will be followed by a question and answer period, and then the evening will conclude with refreshments and socializing.

WOMEN GO OVER "WORKSHOP" ITEMS
Christmas workshop items are on display here by officers of the Double N Junior Leader Club. The items will be shown next Tuesday at a Christmas workshop being held by the women of Clinton County at Smith Hall between 1 and 9 p.m. Shown here are Mrs. Jack Binsted, secretary-treasurer of the Double N; Mrs. Donald Powers, county officer; and Mrs. Forrest Swartz, chairman of the workshop committee. Gifts and decorations and Christmas gifts that can be made at home will be shown Nov. 1. Programs and directions will be given. A "bring and go" type will be set up again this year where those who bring a particular craft can show it. This is a craft show. Will open at 10 a.m. to set up the displays. Coffee and cookies will be served.

New self-help classes start here Nov. 3
A new series of self-help classes entitled "Understanding the normal cell" will be taught at St. John's. A 10-week series of classes begins Nov. 3. For further information, contact Miss Margaret Falb, 1000 Corunna Road, Lansing, or Mrs. Robert Hurd, 1000 Corunna Road, Lansing.

4-H junior leadership school near
All Clinton County 4-H leaders are invited to attend a 3-week course in the leader leadership school Saturday, Nov. 4. The school will be held at the Mason County Center, 5400 F. M. 8, St. Johns. Leaders for the 4-H junior leadership school in the county are being asked to attend. There will be an open session. For further information, contact Tom L. Pollard at the Mason County Center.

Hospital volunteers invaluable
Patients in hospitals throughout the country are often left in the hands of nurses and clerical staff, and it may seem like an overwhelming task when thinking about the little things that make a big difference. For some, making a difference can be as simple as providing comfort or assistance.

The Mason County Hospital is in need of volunteers to help make a positive impact on the lives of patients. Volunteers are needed to assist with various tasks, such as running errands, helping with meals, or simply being a listening ear for patients.

The hospital's volunteer coordinator, Ms. Helen Simmons, is seeking new volunteers to join the team. If you're interested in making a difference, please contact Ms. Simmons at the hospital's volunteer office.

Those interested in volunteering should contact Ms. Simmons at the hospital's volunteer office. She can provide more information about the opportunities available and the commitment required.

The Bengal Community 4-H Club had its October meeting at the West Central 4-H Center. Elections were held.

The Ladies Missionary group of the East DeWitt Bible Church, Mr. and Mrs. Alvah Wilson of E. DeWitt, and Mrs. Mary Epkey of Fowler, were honored Sunday, Oct. 23, at 5 p.m. in a special program designed to honor their prayer mothers. The women were invited so they might disperse in the home and pray for their own mothers.

Games were played and the girls received their carnations. They were given a bouquet of red sweetheart roses and a cascade of red roses with a flower, trimmed with lace and sequins and long sleeves of Mrs. Mary Epkey of Fowler. The newlyweds are both graduates of Rodney B. Wilson High School and are presently attending Owosso Beauty Academy.

The Bengal Community 4-H Club held their October meeting at the West Central 4-H Center. Elections were held.

Eagles relapse, but keep unbeaten mark

By Lowell G. Ricker Journal

The Fowler Football suffered their first big setback of the season Friday night in a 29-7 setback to the St. Patrick Hawks in St. Johns.

The win leaves St. Patrick with a perfect 9-0 record and they only need to defeat the Alma Trojans on Friday night to become the first undefeated team in the district since the 1958-59 season.

St. Patrick, who had not lost to Fowler in over 25 years, scored three times in the first period to jump out to a 19-0 lead.

Fowler, who had given up only 19 points all season, was able to score a touchdown on the first play of the game to cut the lead to 19-7.

The rest of the game was anticlimactic as the St. Patrick defense did a fine job of shutting down the Fowler offense.

The fans, who had traveled to St. Johns in hopes of seeing Fowler win their first game in nine years, were disappointed.

The loss leaves Fowler with a 7-2 record and they will have to defeat the Mt. Pleasant Oilers on Friday night to remain in contention for the league title.

Fowler's Ken Weber hauls in a pass from George George for seven yards Friday night and at the same time scores a touchdown. The Redwings' snapped Charlotte Friday night. Redwings gun down Orioles 59-19 as Boyce, Humphrey roll

By Steven Hopko

Although the challenge of Charle-**ton, the Redwings have taken to the West Central League, Fri-**day night as the Redwings rolled up a 59-19 victory.

Randy Humphrey completed six of 16 passes for 112 yards in his first start at quarterback.

The victory cinched at least a tie for the league championship.

The defense held the Orioles to a total of 1,265 yards compared to 2,404 for the Redwings.

The Redwings have scored 234 points to 72 points for the opponents.

In the first six games, St. Johns leads all categories.

The next time St. Johns had the ball, Humphrey was sacked by the Orioles and turned the ball over.

The Redwings scored five times and Boyce was ruled out.

The Redwings have totaled 234 points compared to 72 for their six opponents.

The Redwings have a win by 38 points.

The Redwings have a win by 11 points.

The Redwings have a win by 9 points.

Great Lakes Bible College Men's basketball team continues to set the pace for the men.

DeWitt — All eyes of Central Michigan were on Saturday night's varsity football game as the Pewamo-Westphalia Wildcats played their first game of the season against the St. Johns Tigers. The Wildcats are tied for the league lead a game ahead of Lakewood and St. Johns. In the Motor Valley League with five yards for a touchdown and 31 points, the Wildcats left the field at half time leading 14-0.

WOODSTOCK

By MRS. EDWARD KRAFT

CHAPTER TOWNSEND MEET

Woodstock Township will hold its annual meeting Monday evening, Oct. 31, in the hall at the Townsend Community Building. The meeting will be open to anyone interested. The Townsend Bulletin will contain a complete agenda of the meeting.

The meeting will begin at 7:30 p.m. and will include the election of board of trustees for the next term. The meeting is open to the public and all residents are encouraged to attend.

Bed and breakfast.

Dinner was served in the old opera house. The musical entertainment was provided by a group of local musicians. The refreshments included a variety of local produce and homemade desserts.

Awards were given for the best decorated tables, most creative food presentation, and best overall impression of the event. The winners were announced by the hostesses.

The event was well attended and received positive feedback from the attendees. It was a successful evening that brought the community together.

To build training center for women

Construction is already begun on the new training center for women. The facility will be located on a large tract of land and will include a variety of training programs.

The training center will offer programs in trades, health care, and other essential skills needed for women to succeed in the workforce.

The facility will include state-of-the-art training equipment, classrooms, and workshops.

Construction is expected to be completed by the end of the year, and the center will open to the public in January of 2022.
WONDERING ABOUT ADVERTISING?

Here Are Some Facts To Consider!

ADVERTISING VALUE

The true value of advertising lies not always in the actual offering of merchandise for sale, but in a subtler manner... the keeping before the public eye the name of your place of business and the names of the products you carry.

The average consumer of the articles you sell, when he has no immediate need of those articles, does not buy. But the constant association of yourself and those articles in persistent advertising in the Clinton County News will in time produce results.

Mr. Merchant:

1. Your advertising message in the Clinton County News goes into more homes in Clinton County than any other kind of advertising.

2. Every big store in America built its business with newspaper advertising and relies on it today.

3. A full page advertisement in the Clinton County News cost less than TWO CENTS per family you reach.

4. Your advertisement is a part of the Clinton County News that everybody wants to read.

5. You get thousands of SHOW WINDOWS. People can see what you want to sell... pictures, prices and descriptions.

6. Clinton County wives and mothers plan their buying while they’re reading the Clinton County News. So do their menfolk.

7. Your Clinton County News is more carefully read, by more members of each family, than any other advertising medium, and its readers believe in it.

8. Your national manufacturer and distributor can join you in advertising the products you have to sell.

WATERTOWN TOWNSHIP OFFICIALS ARE PLANNING TO DISCUSS A PROPOSED REVENUE BILL AT THEIR REGULAR MEETING WEDNESDAY NIGHT.

More Good News from Clinton National:

YOUR DEPOSITS NOW INSURED UP TO $15,000

By the Federal Deposit Insurance Corporation

Insurance on your Clinton National Savings Deposits has now been increased from $10,000 to $15,000 for each Account.

This $15,000 can be increased, however, by maintaining multiple accounts — thus, a husband and wife can insure up to $35,000 and a husband, and wife and child can up to $90,000.

Be Sure Your Savings are Protected by Federal Insurance

Not all savings institutions provide insured deposits. Your passbook savings and Certificates of Deposit at Clinton National are insured by the FDIC.

Members of the basic leadership course for Girl Scout troop leaders are (standing) Mrs Henry (Verla) Wick of DeWitt, Mrs Gene (Beverly) Hilton of St. Johns, Mrs James (Margaret) Shaw of DeWitt, Mrs Nelson (Paul) Clinton of DeWitt, Mrs Fraser (Bettye) Mahlman of St. Johns, Mrs Lynn (Robert) Hahn of DeWitt, Mrs Jerome (Audrey) Winget of St. Johns, Mrs Nelson (Joyce) Runyan of Maple Rapids and Mrs Dean (Carol) Bell of Maple Rapids. Seated are Mrs Jack (Wynona) Cowd of Maple Rapids, Mrs Pamela (Bodine) Fierst of St. Johns, Mrs David (Gail) Tanous of DeWitt and Mrs Gail (Dorothy) Geerste of St. Johns. Miss Junie Stetser of Lansing (right) was the instructor.

To report DeWitt news

Mrs Vernon Douglass, chairman of the 12 Mission Street, DeWitt, will be reporting the news of the DeWitt area for the Clinton News-Register.

Mrs Ackerman is the former Miss Clinton. Her father was a Minnow township supervisor for many years.

Meat market orphan is nutritious, cheap

By HELLEN B. MCBRIDE

Supermarket Department

Among the many markets offered at your favorite market, there is an orphan. It's always there, but seldom makes a special or great appeal. It's called meat scraps. Meat farmers as well as grocers and householders have a hard time getting rid of meat scraps. The demand for them is not great enough to warrant their keeping an adequate supply on hand. The scrap is the only part of the animal that is not consumed, so it is a valuable protein source.

The supermarket market, however, has no use for meat scraps. They are sold as a by-product of the meat industry. Meat scraps are sold by weight and are not held in inventory. The amount of meat scraps sold varies from day to day, depending on the amount of meat that is purchased. Meat scraps are not normally available for purchase by the public, as they are not a regular item on the supermarket shelf. They are usually sold at a discount to the customer who is interested in purchasing them.

Meat scraps are a good source of protein, but they are not as nutritious as other sources of protein. They are also not as easy to digest as other sources of protein. Meat scraps can be used in a variety of dishes, such as soups, stews, and casseroles. They can also be used as a meat substitute in some recipes. Meat scraps can be purchased from a variety of sources, including supermarkets, meat markets, and butchers.

Meat scraps are a good source of protein, but they are not as nutritious as other sources of protein. They are also not as easy to digest as other sources of protein. Meat scraps can be used in a variety of dishes, such as soups, stews, and casseroles. They can also be used as a meat substitute in some recipes. Juniors in rehearsal for first play of year

By GAYE BOND
Julie High School

After a lightning and thunderstorm suspension, Bolivia, Jr. rehearsals were just setting back and rolling again.

Last week was the last week of the first meeting period. While the thunderstorm coming down on Thursday made the Junior's first practice session impossible, the smooth winds that were following the storm made Thursday's meeting successful. The Junior class is new enough to be very small and not quite ready yet to make up any sort of a play. The only thing the Junior class can do is to try to make their play the best it can be. The class meets at 5 p.m. Thursday.

APC practices benefit wildlife

The American Petroleum Institute (API) has invested millions of dollars in wildlife conservation programs, which have resulted in the development of more than 200 wildlife refuges in the United States. These refuges are designed to provide habitat for a variety of wildlife species, including waterfowl, upland game birds, and small mammals.

The API is committed to protecting and preserving wildlife resources for future generations. It actively supports wildlife management practices that ensure the long-term sustainability of these resources. By protecting wildlife habitats, the API helps maintain ecological balance and supports biodiversity in our natural environments.

Frost completes CD shelter planning course

Frost completed a CD shelter planning course at the Michigan State University Extension. The course is designed to provide participants with the knowledge and skills necessary to plan and implement CD shelters for their communities.

Dairymen pass 'A' inspections

The Dairyman's Association passed an inspection, highlighting the commitment of dairy farmers to maintaining high standards of animal welfare and production practices. This is a crucial aspect of ensuring the quality and safety of dairy products, which are vital for public health and consumer trust in the dairy industry.

The inspection team evaluates various aspects of dairy operations, including hygiene, feed management, and animal welfare. By passing this inspection, dairy farmers demonstrate their dedication to adhering to best practices and maintaining a high level of scrutiny for all aspects of their operations.

The Dairyman's Association is committed to serving the dairy industry through education, advocacy, and support. By passing these inspections, dairy farmers contribute to the overall integrity and reputation of the dairy sector.

Ready Mix Concrete

Gehl nomad no THE 400 recutter

The Gehl "400" recutter

The Gehl "400" recutter provides exceptional performance and durability in a compact, versatile design. Its straight-line feeding system ensures consistent material delivery, while its unique cross-flow design promotes efficient and uniform material dispersion.

This recutter is ideal for a wide range of applications, from turf maintenance to landscape construction. With its powerful cutting blades and robust frame, it can handle various materials, such as grass, mulch, and biomass.

The Gehl "400" recutter comes equipped with advanced features, including an adjustable deck and a wide range of cutting options. It is designed for both commercial and residential use, offering a balance of flexibility and efficiency.

The recutter's innovative design allows for easy operation and maintenance, making it a reliable choice for professionals and DIY enthusiasts alike. Whether you're tackling large-scale projects or smaller jobs, the Gehl "400" recutter offers the performance you need to get the job done efficiently and effectively.

Autumn soil tests bring more profit

Farmers who take soil samples now can make more profit from the fields they plan to plant next spring, according to State College Extension soil scientists. This is especially true where yields are limited by soil acidity, phosphorus, or iron deficiency. New seed varieties are available today. Why don't you take a look? The soil test can be better this fall than ever, the Extension soil scientist says.

The British evacuated Fort St. Joseph, now Whiting, Indiana, was opened, linking the two peninsulas at that time. Fifty-five years later, another British fort was opened in Detroit. This fort was named the seat of government in Michigan. Over 450 voting delegates — including those from Clinton — attended the first meeting of the Michigan State ASC Committee. This committee was to organize Michigan farmers of the ASC program. This past summer we have raised over Fort St. Joseph, now Whiting, Indiana, was opened in Detroit.

cn

\begin{itemize}
\item Every farmer who owns or rents land should have his soil tested.
\item Fall is a good time to lime soil.
\item Farmers can also be sure of getting a just price for their crop if they plan to
\item Soil test results will not be held for any longer than necessary, according to the Extension soil scientist.
\item Farmers are advised that if tests show lime is needed, it will be time to lime before planting next spring. A letter will be mailed to farmers indicating your identification number on each invoice. Each farmer will receive a letter by return mail. Why don't you take a look?
\end{itemize}
**Prize in one’s work means great accomplishments**

Pride in one’s work is a great thing, and it results in great accomplishments. But a lack of pride is too often apparent in the work of many people in our world today, and the result is great sadness.

Too many jobs have to be done over and too many products replaced and repaired because too many people don’t care about how they do their work.

Few people experience the pride of doing a job just a little bit better than is expected of it, of going beyond the call of duty.” And too often society frowns on the man who does try.

Lack of pride is not peculiar just to Americans — we share it with the rest of the world. Former Soviet Premier Nikita Khrushchev was aware of this problem with his peacemaking efforts. In his book “Khrushchev: A Career,” author Edward Crankshaw notes that his Khrushchev was aware that his countrymen come out in all sorts of ways. "He was angry with bad workmanship. The points between the pipes," he said of a new show hotel in St. Petersburg, "had been very badly made. And I, for one, was rather extremely indignant!"

Yes, lack of pride is commonplace throughout the civilized world. The so-called nonwhite people do have pride in their work, for to them it means the difference between survival and famine, life and death. America grows to greatness because of the pride of individuals in their work in their homes, their nation. Individual pride built our nation, and a lack of it can destroy it.

The habit of thrift valuable lesson for kids

For most of us, the key to financial independence — whether in our lives or in systematic savings. And the sooner these savings are started the better.

Fortunately, we can teach our children the habit of thrift at an early age. We can do this by supporting the Treasury's School Savings Program, which operates in many of our schools. This is a plan whereby youngsters buy U. S. savings stamps on a given date and turn them in to our schools. This is a plan whereby youngpeople buy U. S. savings stamps on a given date and turn them in to our schools.

In the meantime, more adequate signposting of the road to warm motorists of the approach to the curve should be installed. Mr. Burye indicated a willingness to relocate a driveway so that a reflecting bar on the curb can be put up in a direct line from the road.

But the young, tired of cars colliding with his farm, and we can’t say we blame him.
Will reform be in the fare in "67 legislative session?" 

BY CLARENCE W. WHITE

MICHIGAN NEWS

Will reform be in the fare in "67 legislative session?" 

This new Chevy pickup looks so good you could call it a 2-door. (You could also call it the toughest Chevy ever built!) 

Let's not trade GARRY BROWN'S five years of effective public service . . . . for another two years of rubber stamp, 90% "YES" LBJ representation 

Let's look at the record: 

Garry Brown's legislative accomplishments

Senator Brown has compiled a respectable record for service to the people of Michigan. His achievements, in less than two years of public service, have been significant and meaningful. He has worked hard to bring about the changes that were necessary in the state's fiscal and educational systems.

Garry Brown has shown his abilities in a number of areas, making him a valuable asset to the legislative process. His record is one of integrity and commitment to the people he represents. He has consistently worked to ensure that the needs and concerns of the citizens are addressed.
