Clinton is county of grid champs
However, none qualify for state play-offs

Clinton County is the home of 3 football champions this year. They include the St. Johns Redwings, the Bath Fighting Bees and the St. Johns Robins. Although the county boasts 3 conference champions this season, with all 3 teams playing well, none of them made the playoffs, meaning they weren't good enough to play in the state playoffs.

The 1975 St. Johns Redwings, from the front row, left to right: Joe Gonzalez, coach; Ryan Pertler; Tom Finkbeirter; Glen Simon; Don Koenigsknecht; Jim Theil; Tom Pohl; Tony Duda; John Ellsworth; Gary Schneider; Ken Feldpausch; Don Taylor; Tom Ellsworth. Row 2 - AI, Koenigsknecht; Dale Koenigsknecht; Mike Schafer; Rick Fink; Dave Schmitt; Don Schauben Mailand; Greg Hazle; and manager Marty Richmond.

The 1975 Bath Fighting Bees football squad are [front, from left] Mark Barr, Mark Ingham; Rich Powell, Gary Brown, Tim Carlson, Dave Green, Dan Bass, Tim Hawks, Marvin Brown, Jack Bracy and Mike Voorheis.

The 1975 St. Johns Robins, from the front row, left to right: Larry Anderson, manager; Jack Walker; Rich Mooney; Don Maxwell; Mike Anderson; John Simmons; Tim Backlund; Rick Montgomery; Mike Brancato; Mike Smith; Tim Thelen; Jim Thelen; Tom Pohl.

Record budget brings some disagreement

The St. Johns City Council was divided on the city's 1976 budget. Although the councilors wanted a "no" build alternative along with a broadened 2 mile wide C-D corridor in the "no" build approach," he said. "Because of the number of people who had complained, a "no" build approach was voted on by the councilors. The "no" build approach was to support voting on the highway department. The highway department was looking at the road for the state highways.

Deadline nears for entries in Bicentennial Cookbook

ST. JOHNS - Area residents interested in entering their recipes in the local cookbook should bring their recipes to the St. Johns Public Library. More St. Johns voters are going to the polls

Last Tuesday's voter turn-out in St. Johns is an encouraging sign. We hope the small number of people who voted in past elections will be joined by those who are interested in the workings of their local government.

Among the bills being considered by the Senate this week is HB 4093, a measure that would require local governments to have smoke detectors. The bill would mandate that smoke detectors be installed in all public buildings and certain private residences. This measure was introduced in response to a recent fire that killed several people in the county.

Another bill that has been introduced is HB 4094, which would increase the penalties for attempted false pretenses. Under the current law, the maximum sentence for attempted false pretenses is one year in jail. This bill would increase the maximum sentence to three years. The new law is expected to go into effect next year.

There have been a number of recent developments in the area of health care. A new law has been passed that requires all hospitals to have a plan for handling a mass emergency situation. The law also requires that hospitals have a plan for handling a bioterrorism attack.

Ovid and Elsie conclude summer recreation programs

The closing of Ovid and Elsie's summer programs this year were marked by a series of special events and activities to the village councils of the two communities. The program included a variety of programs, camping, and activities in both communities.

Among the volunteers in the Ovid and Elsie summer programs were Arylyce Repp, Sandle Lasher, Sue Schumacher, and Doreen Lasher. Ted Geiger, son of Mr. and Mrs. Ted Geiger, recently joined the U.S. Navy.

The playground activities were the most successful with 3,259 participants. Many volunteers from the two communities who donated their time to these programs were special guests.

A brief business meeting was conducted by Bill Hurst, followed by the presentation of the 1975-76 operational budget. The Board received the financial report from the Michigan State Department of Education and the State Director of Education. The Board also presented a worksheet copy of the proposed 1975-76 operational budget to the Michigan State Department of Education.

The Board received their annual library benefit card presentation by the librarian, Mrs. Florence Hinkley; and the next club meeting, Nov. 14, to Monday morning, at the Elsie Area Schools District, 800 N. Main St., Elsie. The Board received their final report from the Michigan State Department of Education and the State Director of Education.

The meeting was adjourned at 11 a.m. with President Joe Meeker presiding at the E. E. Knight building.

Redwings clobber Ovid-Elsie 64-6

ST. JOHNS - The St. Johns Redwings thundered through their season finale Friday night and ended its football season with a 17-point victory over the Put-in Bay Vikings.

For St. Johns quarterback Keith Haske, it was literally a case of "winging it." Haske hit the first quarter with over 10 points, this time connecting with Geller on a play that covered 24 yards. Haske put another 6 points on the board when Brett Welton recovered a Redwing fumble. The Redwings clobbered Ovid-Elsie 64-6.

Bath Bees pound Monroe Jefferson

BATH - It was a mighty weak try for football, but Bath's power and domination over Class B Monroe-Jefferson was mighty.

Both teams passed over and through Monroe-Jefferson this week, landing a solid crushing blow with their offense and defense.

Monroe-Jefferson finished 2-4 in their own gridiron and Bath's offense and defense shined throughout.

The victory goes to Bath and moves them to a 9-0 season with 9-0 perfect record, and 9-0 perfect rating with 9-0 perfect defense.

The Bath offensive squad is the better of the two teams, averaged a score of 34 points in 3-4 victories, including 9-0 perfect record.

In play after play, Bath received more than the Monroe-Jefferson offensive squad, who finish the season in sole possession of the CMAC with a 6-3 record.

The Bees pound

Bath simply powered over Monroe-Jefferson runners from the 1-yard line. Dave Schmitt powered over Monroe-Jefferson defenders with 587 yards.

Laingsburg upsets Pewamo-Westphalia 30-0

LAINGSBURG - The Laingsburg Wolfpack won out the 3-4 game over the Class A Pewamo-Westphalia Titans, 30-0.

This was not only the third of the season for Pewamo-Westphalia, but also the third of the season for Laingsburg.

The Wolfpack picked up another 4 in their 3-4 game with 4 in the air.

Fowler wins 20th straight game with 15-0 victory over St. Pats

FOWLER - The Fowler girls' basketball team captured the Central Michigan Athletic Association title Nov. 4 with a 69 to 24 win over Portland St. Patrick.

This is the final season for DeWitt in the CMAC, who will be going to the East Central League. The Eagles, now 8 and 0, will finish up their regular season with 15-0 victory over Portland St. Patrick.

New warranty law affects clothing

Consumers are erupting with complaints that clothing manufacturers have been simply refusing to honor warranties. Look for the warranties on your clothing and determine if the manufacturer has honored the warranty. If you have purchased a garment that is not as advertised or if the garment is not of the quality you expected, you should be able to return it within a year of the purchase date for a full refund or replacement. If the manufacturer refuses, you should contact the Better Business Bureau in your area to file a complaint. This will help other consumers and also force the manufacturer to honor their warranties.

Warranties are becoming every bit as important to clothing manufacturers as to electronic appliance manufacturers. Warranties may not exist on clothing, but the legal rights of the consumer remain the same. It is important for consumers to know their legal rights and to exercise them whenever possible.

New law set standards that manufacturers must maintain. A new law passed in 1975, does not make warranties void if the clothing is returned to the manufacturer for repair or alteration. The effect July 4, 1975, it will take a manufacturer 30 days to return a garment for repair or alteration. If the manufacturer refuses, the consumer must save their money.
