US-27 alternatives-- here's the chance to have your "say"

LANSING - Residents in Clinton and Ingham counties are being asked to sound off on various transportation alternatives in the US-27 corridor study, being conducted by the US-27 Study Committee, which is made up of transportation officials from both counties.

There will be six open house meetings held throughout the Clinton and Ingham counties to gather public input on the US-27 corridor study. The public is invited to attend these meetings and voice their opinions on the alternatives for US-27.

The meetings will be held on the following dates and times:
- Aug 15, 7 pm, Atwood Auditorium, Ball State University
- Aug 16, 7 pm, St. John's High School Auditorium
- Aug 17, 7 pm, Ingham County Courthouse
- Aug 18, 7 pm, St. John's Civic Center
- Aug 19, 7 pm, Lansing, Lansing Community College
- Aug 20, 7 pm, East Lansing, Michigan State University

The US-27 Study Committee is interested in hearing from the public about their thoughts and ideas on the various transportation alternatives for US-27. The committee will use this input to help shape the final recommendations for the US-27 corridor study.

Please come out and join in the discussion! We value your input and opinions on this important issue.

Fowler class has "swinging" business

November 13, 1974
ST JOHNS, MICHIGAN

The Fowler High School class of 1974 is marketing their business (hey were going to be!)

The first time for business for the new business was to determine what kind of business they were going to. To determine that, a student survey was conducted in November to help students decide what type of business they would most be interested in.

The survey was conducted in the class to determine the most popular type of business. The top survey will be used to guide the students in their business development. The survey revealed that a majority of the students prefer to buy. Fowler students stated they

Marauders give Redwings battle to end season

The Ovid-Elsie High School football team was dominated by the Pewamo-Westphalia Pirates in the final game of the season. The game was held at St. Johns and was an exciting contest between two tough teams. Pewamo-Westphalia took the lead early in the game and held on for a 28-7 victory.

The game started with a punt from Ovid-Elsie, giving Pewamo-Westphalia possession at their own 40-yard line. The Pirates drove deep into Ovid-Elsie territory and scored a touchdown early in the first quarter. The Redwings were unable to score for the remainder of the first half, and Pewamo-Westphalia led 16-0 at halftime.

In the second half, Ovid-Elsie tried to mount a comeback, but Pewamo-Westphalia's defense held strong. The Redwings scored a touchdown late in the game, but it was too little too late, and Pewamo-Westphalia won the game 28-7.

The loss ended the season for Ovid-Elsie, but they can take pride in a hard-fought battle against a strong opponent. Pewamo-Westphalia, on the other hand, secured a victory that will help them in their upcoming playoff games.
Fowler over Fulton for 9-0 season

CHARLOTTE - Six of St. John's players have been named to the 1974 West Central Conference All-Conference Football Division. Those honored and their position on the all-conference team were:

- Steve Trefil (end)
- Dave Myer (end)
- Jim Walters (center)
- Ralph Feldpausch (guard)
- Rich Bird (halfback)
- Jeff Thornton (fullback)

These members of the football team have shown a fine aerial game, completing 5 attempts with 2 successful, Fowler led 640 yards and score 2 touchdowns for the Laingsburg team. The Eagles defeated St. John's in a convincing fashion, season closed out their 1974 football season with a 34-0 victory over Pewamo-Westphalia and took possession of 3rd place behind 2nd place Pewamo-Westphalia and 1st place Laingsburg. Laingsburg holds the ball for 6 plays and, on the last play, Walters went in from the 2-yard-line. The St. Johns Eagles closed the 1974 football season with a 9th win and defeated the visiting St. John's team by a score of 34-0. The Eagles went onto defeat the visiting Laingsburg team with a 9-0 victory.}

Oxford Estates
a great concept in retirement living—is coming to life.

Out of a concern for the quality of retirement living that is available to America's retired persons, Oxford Estates is being developed in the heartland of Florida's fast-growing and efficient counties. Situated in the lovely borders of many warm, sunny winter months, Oxford Estates offers an ideal environment for a pleasant atmosphere for living, its location in central Florida off Highway 27 and the Sunshine Highway makes Oxford Estates accessible to several outstanding attractions, such as Disney World, Valley Springs, Cape Coral, Fort Myers, St. Augustine, St. Augustine Beach, the Gulf of Mexico, Beach Gardens, and many others. A combination of the Oxford Estates to provide ideal care and security for members of the community is offered in the employee group plan for active, full-time employees. Oxford Estates are designed to meet the needs of many, including the provisions of low and service charges for the community is offered to all employees and dependents of the employees in the employee group plan for active, full-time employees.
