Mrs. Jopke is St John's 'artist in residence'

ST JOHNS — Mrs. Margaret Jopke is St John's 'artist in residence.'

A garage of the Jopke home at 731 S Oakland has been remodeled into a studio. "I needed a place to work," smiles Mrs. Jopke. "I've been working in the same room for 14 years and I feel it's time to do something different." A painter, Mrs. Jopke, had the idea to turn the garage into a studio for a long time. Workmen started in August and the finishing touches are now being added.

MRS. JOPKE first began painting in 1959. "I started when I was 12," she remembers, "because I needed either a hobby or a job." But she admits, the painting was not a hobby at first.

Her paintings have been exhibited in Niles, South Bend, Kalamazoo and Lansing. All juried shows, she had 1st place shows in Allat, Lansing and the National Capital State in St. Johns.

A member of the Lansing Art Guild, she also belongs to the Lansing Art Gallery where she works as a volunteer. Her paintings are on exhibit at the Gallery. They're also on exhibit for free or rent at Bowman's, Dajay's Fine Foods, The Colonial Inn and the McLaneburg State in St. Johns.

Now her work is being exhibited in her own studio, in agreement. Mrs. Jopke's priority is done in oil, acrylics, pen and ink and water and she features portraits.

MRS. JOPKE had studied under Jens Plum of Michigan State University and North West of Lansing Community College. "When I first discovered I could paint, I did 400 in the first 6 months," she says. "You have to have a certain knack for it," Mrs. Jopke feels, "but you never know until you try."

ST JOHNS — Friends of Bement Public Library's annual meeting of the Friends of Bement Library last Thursday evening. Seated from left are Sally Boggs, Bomet Schools, Orselle Graves and Tier Pleas. Standing from left are Darlene Carny, Irene Garapetian, Kim Japinga, Tamela Willett, Carolyn Cerny and Sharron Moyer.

Mrs. Buggs reported on the 3rd grade level. Shawn is a third grader in class. "You feel that or enjoy your reading," Mrs. Buggs writes a superintend for this program. Her quarters were escorted in the Board of the Friends of Bement Public Library for terms of 3 years. They were Mrs. Elizabeth Strothers, Mrs. Raymond Turner, Sr. Mrs. Enid Pregnac, Donald Isbell and Mrs. Francis John."

The 10 members who were elected to the Board of the Friends of Bement Public Library for terms of 3 years. They were Mrs. Strothers, Mrs. Turner, Mr. Isbell, Mrs. Pregnac and Mrs. John."

Mr. and Mrs. William Buggs received prizes for book reading. Mr. and Mrs. James Cerny and Mrs. James Cerny received prizes for book reading.

We don't understand

We don't understand all we know about this. The state of Idaho is divided into counties and it is perfectly legal, as is cooking in certain areas.

Newspapers are allowed to publish advertisements for race tracks in Idaho, which are a form of gambling and newspaper and see what happens.

According to the Idaho state law, it is illegal for a newspaper with mailed circulation to publish the lottery ads.

RECENTLY we received an advertising order from the audit board asking us to publish the advertisement. New.

In a conversation with Jim Fitzgerald, editor of the Lapeer County, he said it was also

According to our advertisement department figures, the County News would realize about $8 from publishing the ad. You can't run a profitable business printing 36 ads for $8.

With my luck going the way it has for the last 3 months, I doubt if I'll ever find enough to give me a decent living.

It's tough enough to choose 'em

Selling tickets, I'm sure, it's a good thing for the local store. It's not exactly a good thing for the county.

If you have money to spare and like to have a change of pace, you might want to consider becoming involved in the lottery business.

Of course, you might have better luck winning the lottery than I do. But I still raise the question: is it worth it?

Wild game tips

By William Lawrence

Eastern Agri-Pro Ag. J.

“Wild game is the best!” is the saying Thursday, Nov. 18, when 4-H members gathered in the high school cafeteria for the annual 4-H Clover Tourney.

The tourney, held annually in November, is a competition between 4-H clubs in the county. The clubs are divided into three divisions: junior, intermediate, and senior. Each club sends three members to compete in the tourney, with each member being assigned a specific category to compete in.

The categories for the tourney are:

- Junior: Archery
- Intermediate: Rodeo
- Senior: Livestock

The tourney is designed to promote interest in agriculture and the importance of health and nutrition.

The winners of the tourney are announced at the annual 4-H meeting in January.

Third graders create reading corner

The third graders at Central School have provided a decorative atmosphere for their reading corner by hanging a paper chain "wall." Here they can take time out to experience the world of books—where they are busy discovering new stories, poems, or just relaxing with an old favorite. Left to right are: Mark Nureseberg, Mike Swancho, Lori George and Shawn Meyer.

Fifth graders compile cookbook

Fifth graders at Central School have published the life of Felipe Ruiz Lombardi recently and discovered he learned the art of cooking at an early age. By the time he had reached the age of 12 he was a skilled chef. The class decided to compile their own cookbook and Billie Hill, Jamie Izner, Calvin Rice and Robert Decker look at the finished project. The cookbook is made up of the children's favorite recipes from home and features a large section of desserts. Billie designed the cover of the 13 page booklet.
