Michigan museums topic of Historical Society meeting

A look at what Michigan history has to offer for discussion at meetings of the Clinton County Historical Society, which meets second Thursday of the month at 7 p.m., in the St. Johns Municipal Building Auditorium. The topics vary with each meeting.

The Community Mental Health Board will be one of several organizations to speak at the December meeting.

The Community Mental Health Board includes five members, selected from area business, and one or two of their associates. The members are appointed by the Clinton County commissioners, with the advice and consent of the advisory committee. The advisory committee is made up of all those who are seeking new members to the mental health board.

The Michigan Mental Health Act provides for the mental health board to establish a mental health center in the community. The board members are responsible for the center as well as the advisory committee.

Mrs. Paul (Liz) Nobis said, "People are interested in good government," her second term as Chairman of the County Republican Women's Club. She said that the campaign was run differently four years ago and that much of the work we did seemed worthwhile," she said. "The job then comes more easily," she noted, "and you gain more experience as you go," she said. "This is the way it came through to them (the voters) was that they (the voters) wanted the job."

Letter to the Editor

Dear Editor,

I wish to express my opinion on the subject of the Judicial campaign. I believe that the campaign has been run in an unethical manner. As a former lawyer, I feel that the campaign has been filled with lies and deceit.

Sincerely,

Back Through the Years

The last week's column attempted to bring up a few personal notes with the 13 students, alumni and staff pictured above. There were several humorous anecdotes, including one about a professor who was known for his hot temper. The professor, Mr. Fisher, was known to throw chairs across the room in a fit of rage. One day, while giving a lecture on politics, he threw a chair across the room and hit a large mirror, shattering it. The students were shocked and, in a moment of silence, the professor turned to the class and said, "Well, I guess I'm not the only one who needs glasses." The students, who were used to this type of behavior, simply laughed and continued with the lecture.

Several members of the Orioles Library Club observed their trip to the theater by giving a little party. The party was held at the home of Mrs. James Shepherd, and the guests included the library's librarians, as well as several members of the club. Mrs. Shepherd served light refreshments and had set up a small stage for the performers. The program closed with a performance of the play "The Best of All," which had been directed by Mrs. Shepherd.

General Telephone's new $14,000,000 electronic switching equipment goes into full operation on NOV. 20, 1976

A couple of minor changes in dialing habits is all that is necessary when the equipment is turned on. Here's how it works:

- You only dial "1" to connect you to the Direct Distance Dialing network instead of the present "999.

- You only dial "1", plus "411" for local directory assistance (information) instead of the present directory assistance numbers.

Easier, simply, for even better service.

Questions regarding this or any other phase of your telephone service should be directed to your business office at the number listed in your telephone directory.

Leanna Bailey

Mr. and Mrs. Donald Bailey
10606 Dewitt Rd.
Dewitt, announce the engagement of their daughter, Leanna Bailey, to Gary Hanson, son of Mr. and Mrs. Kenneth Hanson of Dewitt.

The couple is planning a March 25 wedding.

Kellee Spence, daughter of Mr. and Mrs. Kenneth Earl Spicer, became the bride of Keith Dunbrook, son of Mr. and Mrs. Franklyn Winnen of Cleveland, Ohio and served as matron of honor.

Just because you haven’t noticed a bottle of dishwashing liquid sitting at the sink doesn’t mean you’re not using energy. Most Consumers Power customers use two to three bottles of dishwashing liquid a month. The energy or fuel used to produce the chemical that goes into a bottle of dishwashing liquid is the same as the energy or fuel used to produce a pound of coal. The amount of energy needed to produce a pound of coal supplies enough energy to heat eight gallons of water.

The family of Sarah Ross, who was killed in a car accident, includes: six sisters, Ethel, Fred, Fanny, Helen, Sarah, and Evelyn; four brothers, James, John, Harold, and Charles; and friends.

Kelly Spence, daughter of Mr. and Mrs. Kenneth Earl Spicer, became the bride of Keith Dunbrook, son of Mr. and Mrs. Franklyn Winnen of Cleveland, Ohio.

The bride wore a floor-length A-line gown with a bolero jacket. She wore a picture hat with flowers and a veil over her face. Mrs. Young carried a bouquet of white roses and carnations.

The bridegroom’s mother was Pat Kurnack, who carried a cascade of white roses and carnations.

The couple plan to make their home in Pontiac, Michigan.

DeWitt High School visited Bath High School last Tuesday night. The Bees were able to hold the Panthers to a 12-0 score in the first quarter, but the Blue Devils scored 12 points in the 2nd quarter to win the game.

Fowlerville—The Bees and Panthers met for a second game of the season at Fowlerville last Tuesday night. The Panthers defeated the Bees by a score of 12-0.

DeWitt's Mark Wills on Mar. Panther defenses allowed the Bees only 38 net yards on the ground, the team had to have been a major factor in the Bees 0-12 loss to the Panthers.

To add insult to injury, neither DeWitt and Panama are making this year and will be absent from the tournament next year. The game is scheduled for the next year.

Wolfpack outlasts P-W Pirates 40-32

By Harold Schmaltz

LANINGBURG - The Wolfpack and Pirates squared off on the gridiron Friday at Laningburg High School, and it was the Wolfpack who came out on top, winning by a score of 40-32.

Both teams entered the contest with unblemished records, and the game was a back-and-forth affair throughout. The Wolfpack managed to hold on for the win, however, with a strong performance on both sides of the ball.

'"Our team was very pleased with their offensive efforts,' said Pirate Coach Bill Marks. 'They had a great day against us.'

The Pirate defense did a fine job of limiting the Wolfpack's scoring opportunities, but the Wolfpack's offense was never out of the game, scoring points in every quarter to outdo the visitors.

One of the Wolfpack's standout players was quarterback Doug Adams, who threw for a total of 326 yards and scored three touchdowns. Fullback Gary Thelen contributed 132 yards on the ground and scored two more touchdowns.

The Pirates had their moments, with running back Terry Pfaff gaining 93 yards and scoring one touchdown. However, the Wolfpack's defensive line was too much for them to handle, as they managed to shut down the Pirate offense most of the game.

The Wolfpack now move to 2-0 on the season, while the Pirates drop to 1-1. Both teams will be back in action next week, with the Wolfpack hosting the local rivals and the Pirates traveling to a tough conference game.

Gina Mazzoloni paces CMU volleyball team

MT. PLEASANT - Gina Mazzoloni leads the CMU volleyball team in kills, but the junior setter has found her best stuff unsung.

'Mama, I'm glad you went out of your way to get me tennis shoes for the new season,' said Mazzoloni's father.

Gina Mazzoloni had a big day against the rival University of Michigan, hitting 21 kills in a 3-2 win.

Gina's mother, Patricia, was thrilled with her daughter's performance, saying, 'I knew Gina had it in her. She just needed a little extra motivation.'

The win was a huge boost for the CMU volleyball team, which is currently in fifth place in the MAC West Division.

Deer-automobiles continue to tangle

The Clinton County Sheriff's Department is warning motorists to be careful, especially at intersections, to prevent automobile-deer collisions.

The Clinton County Sheriff's Department is warning motorists to be careful, especially at intersections, to prevent automobile-deer collisions.

"In the last few months, we have had several collisions involving deer," said Sheriff Robert G. Kinsey. "We want to remind motorists to be alert and cautious when driving, particularly in areas where deer are known to be present.

"We've seen incidents where drivers have hit deer, and in some cases, the deer have sustained serious injuries. It's important to be prepared to react quickly in case of an accident."

The Sheriff's Department encourages drivers to slow down and be vigilant, especially during dusk and dawn when deer are most active. They advise drivers to use their headlights, honk slowly and clearly, and maintain a safe distance from other vehicles to give themselves more time to react.

"By being cautious and alert, we can help reduce the number of accidents involving deer," Kinsey said. "We want to encourage all drivers to be responsible and drive safely to ensure the safety of everyone on the road."
