New elderly housing plan sought here

ST. JOHNS—Low income rental housing for senior citizens and low and moderate income families in Clinton County took a step closer to realization Monday.

Workers at the Treasurers Business Committee met with town board members to discuss the need for more low-income rental housing in Clinton County. The group is working to establish a new organization in the county.

"We would recommend that any organization that wishes to help senior citizens should get involved," said Larry Hammond of the state housing office.

"We are thinking in terms of a possible combination of the two situations, but if isolating them on the same farm, don't our senior citizens could be close together," said Hammond.

"We hope you can see we are working together on both these projects," said Hammond.

The Treasurers Business Committee would probably feature one or two bedroom buildings, with other twofamily apartment building projects.

Jim McQueen meets Nixon at 4-H congress

WASHINGTON — Jim McQueen, a 16-year-old from Clinton County, was recently chosen as one of the Outstanding 4-H'ers in the country.

McQueen, who is a member of the Clinton County 4-H Club, was chosen for the national honor because of his leadership, cooperation, work, and community projects.

The honor was given by the United States Department of Agriculture.

"I am very proud of Jim," said Mrs. Scholfield, 4-H leader of the Clinton County 4-H Club. "He has worked very hard in 4-H and has shown a tremendous amount of leadership."

Polaroid cameras no one ever gave before!

Polaroid's new 400 Land cameras with Focused Flash. And the amazing Big Shot portrait camera.

There are three other models in Polaroid's new 400 Land camera line. In addition to having all the basic features of the Model 400, each offers a specialized combination of features and versatility designed to meet every camera buyer's needs.

Polaroid's four new 400 Series cameras all use Focused Flash, the most advanced new principle in camera design. It precisely controls the amount of light that goes to the camera lens. You flash subjects even in bright sunlight. No flash means no flash. And the Big Shot gets you that extra closeness! "More for your money" camera.

Karen Rumbaugh now Mrs. Daniel Kusenda

ST. JOHNS—A Christmas wedding was celebrated on Dec. 21 by the engagement of Karen Ann Rumbaugh and Daniel Kusenda, both of St. Johns. The marriage was performed by Father Dennis Detweiler at St. Joesph Catholic Church.

Mrs. Karen Rumbaugh is the daughter of Mr. and Mrs. Joseph Rumbaugh of Ovid, and Mr. Daniel Kusenda is the son of Mr. and Mrs. Janyth Jenkins of Forest. The couple greeted 250 guests following the church reception.

The bride, dressed in a white taffeta gown, was accented with a red cording which ended in a bonnet headpiece trimmed with a baroque pearls and aurora crystals. The groom, Diane Kusenda, also adorned with red poinsettias, wore a baroque-style ruffle effect on the bodice. Her train fashioned of ivory satin was formed by a V design over a cathedral-length veil of ivory. The same red cording was secured to a net yoke on the bodice. Her illusion was secured to a cathedr-length veil of ivory. The same red cording was secured to a net yoke on the bodice. Her illusion was secured to a net yoke on the bodice.

Mr. and Mrs. Kusenda will make their home in West Allis, Wisconsin.

The Rochester Colony Ensemble and Friends at the Rochester Colony, performed music for the wedding and reception. The Rochester Colony Ensemble is comprised of students and faculty members who are under the direction of Mr. Jerrold Brockmyre.

The season of creativity and warmth welcomes women and grandparents alike to a winter parade of the gifts of love and friendship at the St. John's Missionary Club on December 1.

The place—Mrs. Clifford Lumbert hosts Woman's Club

"The gifts are very nice; they are highly personalized, really not all the same gifts. The girls give each other gifts, and they make cards, hold cooking, make clothings, and strongest women." Mrs. Evelyn Maynard stated that George Frederick presents gifts with personal touches made for each girl. She added that the gifts have been well received by the girls.

"The place is in the middle of the way, so the girls will be there. For gifts, we pick plants, and we also have a few pieces of jewelry for the girls. The gifts are very good. We also have a lot of friends who are coming to the meeting." Mrs. Sadie Bowers, a former member of the club, added that the gifts are handmade and individually selected for each girl.

"The best thing to give your friends is your heart and your support. Your friends, your family, your heart, and a good gift for your friends is to give them something that you can relate to, like a gift card or a gift certificate." Mrs. Patricia Graham, a former member of the club, added that the gifts are not only given to the girls but also to their families. She also suggested to give gifts that are related to the girls' hobbies or interests.

"The most important thing is to give your friends what they really need. Some girls may want clothes, others may want jewelry, and others may want something else. But the most important thing is to give them something that they will value and appreciate." Mrs. Dorothy Johnson, a former member of the club, added that the gifts are not only given to the girls but also to their families. She also suggested to give gifts that are related to the girls' hobbies or interests.

Pirates need experience for CMAC title hopes

Pewamo-Westphalia's Pirates will need a few games under their belts as the season goes along, but they plan enough experience to start a drive for the CMAC title.

At least, that's the way Head Coach Harry Peacock sees it. He is a returning starter from last season's club. "He is a good rebounder for us, mainly from outside." Peacock said he sees the experience of Central area league teams of Laingsburg, Durand, and DeWitt to have the best shot at the CMAC title, but P-W and Fowler cannot be ruled out.

"We will definitely improve as the season goes along," said Peacock. "We do play good basketball, but we do play good basketball," said Peacock. "The season is in full swing to watch out for the Pirates. From left, first row, are Doug Walters, Randy Walter, Mike Cotter and Allen Nurenberg. Second row, Randy Fedewa, Jim Hengesbach, Roy Piggott and Roy Huhn. Third row, Mike Thelen, Tom Davarn, Steve Wirth and Mike Miller.

Here, I must tell you how much I enjoy being a part of the Clinton County Football Community. The 1971 season was filled with excitement, and the biggest thrill came when the County defeated Pontiac by a score of 24-0. The victory was sweet for those of us who have been waiting for this moment for a long time.

I want to thank all the players for their hard work and dedication. They really put in the effort to make this season a success. I also want to thank the coaches for their guidance and support. They are the ones who bring out the best in their players.

Looking back on the season, I can't help but feel proud of our team. They've earned their right to be called the champions of Clinton County.

And don't forget our fans! They were there every step of the way, cheering us on and supporting us. We couldn't have done it without them.

So here's to another successful season for Clinton County Football! I can't wait to see what the future holds.

Meet the new high school teachers

DEWITT—DeWitt High School recently added five new staff members for the 1971-72 school year, including two new athletic coaches, a choral instructor, and a part-time counselor. The five new members of the DeWitt faculty enhance the high school's educational environment by providing a variety of courses and activities.

The five new teachers are:

1. Lynda Badke, who holds a bachelor of arts degree in education from Michigan State University. She has been an English teacher at Bendle High School and currently instructs at Bendle High School. She holds a bachelor of arts degree in English and music at Michigan State University and is currently teaching English and music.

2. Chris Kane, who holds a bachelor of science degree in physical education from Michigan State University. He is a graduate of Chippewa Valley High School and holds a bachelor of science degree in physical education from Michigan State University. He has been an English teacher at Bendle High School and currently instructs at Bendle High School.

3. Nancy Keibler, who holds a bachelor of arts degree in English and music at Michigan State University and is currently teaching English and music.

4. Randy Loynes, who holds a bachelor of science degree in physical education from Michigan State University and is currently teaching physical education.

5. Scott Weather, who holds a bachelor of arts degree in English and music at Michigan State University and is currently teaching English and music.

The addition of these new teachers will undoubtedly enhance the educational experience at DeWitt High School.

ST. JOHNS—The girls were the picture of attractiveness Thursday night at Rodney B. as they defeated the Ovid-Elsies in three straight sets. The Pioneers girls were 46-7 in the JV, 66-35 in the St. Johns Area and 46-7 in the JV, 60-29 in the St. Johns Area, making it a perfect night for the St. Johns and the JV. The Pioneers girls are ready for the rebound as the St. Johns girls are ready for the rebound as the St. Johns girls are ready for the rebound.

In the JV game, the St. Johns' girls won 46-7. The Red-wing girls (in dark jerseys) ready for the rebound are Kendie Knight, Polly Bunce and Jennifer Ott.

Ovid-Elsie's D. Christians fights for possession of the ball while being harassed by Cathy Stoddard and Angie Sirrine.

A special time

We really feel sorry for people who actually find some special enjoyment out of the Christmas season.

Many look at their own particular problems or desires, and thus go into a secluded sort of sorrow. Certainly Christmas time isn't as enjoyable if you are experiencing it for the first time without a loved one, either a separation through death or through miles.

But there is so much to express joy about, and at least for a few days most folks practice good will toward their fellow men. The hustle and bustle, so to speak, adds to the built-up excitement.

There really isn't any more peak to Christmas excitement, as the simple fact is that Christmas is a holiday with a faith, and thus includes youngsters. The trip to Santa Claus and the special mail order of presents, for that matter, are just the back of a postmark.

There are some who feel commodification of Christmas more than they'd like to see, and suppose this is true to a point. But gift giving, together with expressions of love, provided the focal point on that first Christmas Day.

Every community wants a winner; after all, isn't part of the American "way of life" for which we all clamor? And for the most part, with aggressive leadership and strong determination, the odds have been compiled and problems have been resolved. Adjusting to the opposite is difficult for long-time winners.

For those of us who have been through it before it's a matter of waiting and hoping that we don't just try as hard and hope just as hard.

The Ovid-Elsie Marauders football team ended its season Tuesday evening to begin their 1971 basketball season. The team played at home and hope to continue to get the momentum on the basketball hardwood.

The special time included the presentation of the annual awards given to the top members of the Ovid-Elsie team.

The Clinton County News staff approved a recommendation from the sports editor for the完美的 presentation of the annual awards given to the top members of the Ovid-Elsie team.

The sports editor, who had attended the previous football games, was present to announce the list of the winners.

The awards were presented to the following players:

- Best Lineman: Glenn Brown
- Best Quarterback: Ken Wood
- Best Fullback: Jim Taylor
- Best Back: Jack Johnson
- Best Defensive Player: Tom Davis

The awards were given in recognition of their outstanding performances throughout the football season.

**MSU seeks in cattle deaths**

East Lansing — In an effort to reduce the number of deaths each year in Michigan, a team from Michigan State University will conduct a study to determine the factors that contribute to mortality in the state's cattle population.

The team, led by Dr. Richard Thelen, will conduct a survey of cattle producers in the state to identify the major causes of death in cattle. The study will involve the use of a questionnaire that will be sent to all cattle producers in the state, and the results will be analyzed to determine the most common causes of death in cattle.

**1972 feed options listed**

| Option No. 1: | The farmer may select 35 acres, 20 acres of feed grains, 15 acres of corn, 10 acres of grain sorghum, and 5 acres of barley. If the farmer decides to participate in the program, he will set aside the requested acreage for 5 years. The per acre payment rate for the qualifying set-aside of 35 acres is set at 80 cents per bushel (an average equal to 10 per cent of the 1972 corn and grain sorghum base, and 50 per cent of his barley base). It is hoped that the farmer will have 100 acres and 20 acres of feed grains, and 10 acres of grain sorghum, and 5 acres of barley.

**Option No. 2: If the farmer selects this option, he will be paid on the qualifying set-aside of 15 per cent of his feed grain base, 20 per cent of his corn base, and 25 per cent of his grain sorghum base. If the farmer decides to participate in the program, he will set aside the requested acreage for 5 years. The per acre payment rate for the qualifying set-aside of 15 per cent of his feed grain base, 20 per cent of his corn base, and 25 per cent of his grain sorghum base is set at 80 cents per bushel (an average equal to 10 per cent of the 1972 corn and grain sorghum base, and 50 per cent of his barley base). It is hoped that the farmer will have 150 acres and 30 acres of feed grains, and 20 acres of corn, and 25 acres of grain sorghum, and 15 acres of barley.

**Option No. 3: The farmer may select 10 per cent of his feed grain base, 15 per cent of his corn base, and 20 per cent of his grain sorghum base. If the farmer decides to participate in the program, he will set aside the requested acreage for 5 years. The per acre payment rate for the qualifying set-aside of 10 per cent of his feed grain base, 15 per cent of his corn base, and 20 per cent of his grain sorghum base is set at 80 cents per bushel (an average equal to 10 per cent of the 1972 corn and grain sorghum base, and 50 per cent of his barley base). It is hoped that the farmer will have 150 acres and 30 acres of feed grains, and 20 acres of corn, and 25 acres of grain sorghum, and 15 acres of barley.

In all cases, the feed grain payment rate for the qualifying set-aside is set at 80 cents per bushel (an average equal to 10 per cent of the 1972 corn and grain sorghum base, and 50 per cent of his barley base). It is hoped that the farmer will have 150 acres and 30 acres of feed grains, and 20 acres of corn, and 25 acres of grain sorghum, and 15 acres of barley.
