By DEBORAH LAFACE
Clinton News Writer

The DeWitt Township Board has appointed Bill Graham as the new treasurer of the township.

Bill Graham has been a resident of DeWitt Township for 20 years and has served on the township board for the past 10 years. He is a long-time member of the township's planning commission and has been active in many community organizations.

Mr. Graham has a strong background in finance and has worked in the banking industry for over 30 years. He has a degree in business administration from Michigan State University and has served on the board of directors for several local organizations.

"Bill is a highly respected member of the community and we are thrilled to have him join our team," said Township Supervisor Dale Emerson. "His expertise and dedication to serving DeWitt Township will be invaluable to our operations."
The church is east on David Hwy. The couple request that no gifts be presented. The couple’s children will host the service.

Mrs. Pence reported that there would be a meeting of the Salvation Army at First Presbyterian Church on Tuesday, February 25th, at 7:30 pm, with Rev. Dr. Ervin Hamilton presiding.

Blue Star Mothers meet

The Blue Star Mothers held their luncheon at the Salvation Army Church, February 17th at 11:00 am, for the enjoyment of the members and their families. The guests present included Mr. and Mrs. Kenneth Popp, by English Mrs. Eele, and others. Letters were read from state and national officials.

To their delight, it was decided to buy new toys and games for the children with the money raised at the gift shop. The Candy Digger and their friends will be happy to know the new toys and games are ready for distribution. At the next meeting, the number of new members also increased. The attendance at the Auxiliary Board was discussed, and it was decided that the next meeting will be limited to members of the Auxiliary Board. The meeting was adjourned.

A screening program for measles, mumps, rubella, and other common childhood diseases was held at Clinton County Medical Center. The program is not designed to catch the disease but to promote the health of children before they get serious. A visit was made to the children in the hospital and the medical center.

The next meeting will also be held in the Salvation Army Church, March 15th at 7:00 pm, with Rev. Dr. Ervin Hamilton presiding.

The Redwings battled the Okemos Chieftains to a hard-fought 71-62 win. Okemos scored 27 points and generally kept it close, but the Redwings managed to hold on for the victory.

Jared Schaffel, a key player for the Redwings, described the game as "an all-out effort." He added, "It was a great game, but we came out on top this time." Okemos, on the other hand, were disappointed with the outcome.

The game was a test of Okemos' defense, which was able to hold the Redwings to 15 points in the first quarter. However, the Redwings were able to outscore Okemos in the second quarter, maintaining their lead throughout the game.

The Redwings' offense was supported by a strong performance from their star player, Jared Schaffel. He scored 27 points and added 12 rebounds, leading the team to victory.

The Okemos Chieftains had a solid performance, especially from their guard, Keith Haske. He scored 10 points and added 3 assists, helping his team stay in the game.

The Redwings' next game is against the Battle Creek Central Bombers, while Okemos will face the Grand Ledge Comets. Both teams are looking forward to the challenge and are preparing for a high-energy match.
