Citizens short circuit pay hikes in DeWitt Twp

By Libby Henshaw
County News Writer

DEWITT TWP - DeWitt trustees are optimistic they will be able to pass a 1974 budget that will not include a pay hike for the township’s police chief among its supporters.

A resident’s inquiry about the firing was rejected, and no explanation was given the last time the board met.

According to Richard Wells, committee chairman for the police department, the Board of Trustees had no choice but to fire Chief of Police, George Romney, who had been fired last September?

DEWITT TWP - The budget passed in a vote of 5 to 2 by the township board. The budget for 1974 calls for a $1,865,000 fund balance.

Syverson and trustees Eileen Corr and Jack Kzeski said the board recognized the need for a fundraiser and needed help in the planning.

The budget was approved with a 3-2 vote. A move to adopt the budget was made by Corr and Kzeski. A move to reorganize the budget was made by trustees Eileen Corr and Jack Kzeski.

Variety of exhibits highlights Mid-Michigan Arts and Crafts Show

There will also be a special showing for those interested in Chesapeake, T.P. Darts of Garden City, who will be on hand to present a large variety of wood and glass work and to display the many awards he has been honored with over the years.

Lynda Niewoehner, art teacher at Walled Lake High School, will be exhibiting her paper quilling and demonstrating and updating her work. She specializes in copper jewelry and includes working her findings in body jewelry.

Two bookbinders from Walled Lake High School, Jack and Tom, have adapted traditional bookbinding and innovative techniques to design their own lines of custom items. A demonstration and sale of their creative ideas and items will be scheduled.

Bea's Ceramics, with Autumn, will be showing a variety of fired clay items, from the simple to the sophisticated. Autumn will demonstrate how to make items such as bowls, vases, and pottery figures.

**Bath Twp solves 1 problem, now faced with another**

By Linda Heyboer

Clayoquot News Writer

**BATH TWP — Bath trustees voted 3 to 1 Monday to approve a straw man plan to solve a township sewer problem that has been plaguing the area for several years.**

The problem stems from a stretch of Township Road 20A from the Bath Village boundary to near the Bath Elementary School, where a settling pond has been creating an issue for some residents. The bath district has been working on a solution to the problem for several years, but it was not until recently that they were able to come up with a feasible plan.

The proposed solution involves constructing a new sewer line to transport waste away from the problem area and into a nearby treatment plant. The district hopes to have the project completed within the next year.

The vote was 3 to 1 in favor of the plan, with Trustee John Smith abstaining. Trustee Sara Johnson, who was not present for the meeting, was not available for comment.

**St Johns police investigate break-ins**

**ST JOHNS — St Johns police are investigating a string of break-ins at local businesses and homes.**

Police Chief James DeWitt said the department received reports of break-ins at a local business on April 3 and at a home on April 4. In both cases, the suspects entered the property through an unlocked door.

DeWitt said the investigation is ongoing, and anyone with information is urged to contact the St Johns Police Department.

**Fowler High School students learn about careers from experts**

**FOWLER, MICH. — Fowler High School held its annual Careers Day last week, providing students with an opportunity to explore various career paths.**

The event featured presentations from local professionals in a wide range of fields, including healthcare, technology, education, and more. The goal was to give students a better understanding of the different career options available to them.

Beck's Farm Market on the grow

It was 1967 when Bill and Barbara Beck opened their first roadside fruit market at Milepost 4 on US-27. Today, Beck's Farm Market is still Bill and Barbara's family business, making it one of the oldest fruit stands owned by the Beck family (Ben Beck's parents).

The Beck's family now has three generations working at the market: Bill, Jr., his wife Trudy, and their daughter, Becki. The market has grown from a small stand with a few fruit trees to a full-service supermarket with over 2,000 square feet of retail space. They offer fresh produce, meat, deli items, bakery goods, and more.

The Beck's are known for their home-style cooking, which includes made-from-scratch pies and other baked goods. They also have a wide selection of fresh produce, including local fruits and vegetables.

The Beck's family has been involved in the community for many years. They have sponsored local events and activities, and they are known for their generosity and support of local charities.

Beck's Farm Market is a great place to visit, not only for the fresh produce and home-style cooking, but also for the family atmosphere and the personal touch that the Beck's family provides.

Over 550 Clinton County 4-H members will be styling their winter. A variety of projects accomplished this year for a county dress revue pin award. The Stoney Creek 4-H Club members held their local club achievement program with the State 4-H leader to meet and selective member's narrations for the project Saturday, April 20. Mrs. Lewis Moldenhauer evaluated the members work and answered questions. 700 corn where the pork judged several classes of beef animals, observed a Fitting-to-Show program. The members worked to develop a gown for their project. The members followed the rules of the judging to help the 4-H members. Delbert Crumbaugh Farm demonstrated the animals, observed a Fitting-to-Show program. The members worked to develop a gown for their project. April 4, 1974  CLINTON COUNTY NEWS, ST. JOHNS, MICHIGAN

After a campaign which appeared to differ in nature and tone from those conducted but a few years ago with much higher prices, Republican Senator Everett Dirksen has announced that he will retire from the Senate at the end of his term.

The necessity offers tax breaks to local owners who agree with the state in keeping land undeveloped. Under the bill, the state would provide tax relief for those who agree to keep their land as open space.

It is designed primarily to prevent widespread development of state-owned land, but would also provide incentives for the preservation of agricultural lands.

The bill, if approved, would provide tax relief for those who agree to keep their land as open space. It would also provide incentives for the preservation of agricultural lands.

Let Kroger Mini-Mize your food cost!

Make the Mini-Mizer Test. Total up your shopping list at Kroger then do the same at any other supermarket. We expect Kroger to save you money.

Every week, Kroger offers you many low-priced weekly specials on items our skilled buyers have been able to get for us at bargain prices. And every week, Kroger’s Advertisements feature a group of Mini-Mizer Coupons you can redeem for exceptional savings. We think these programs will add up to a definite savings on your weekly Food Bill.

See for yourself! The Mini-Mizer Can Prove It!
