**Win P-W Honors**

These five Pewamo-Westphalia students were named the highest scholastically in the 1971 graduating senior class. From left are Cindy Rademacher, Ruth Blauwiekel, Jerry Casari, Kathy Pline and Mary Lou Thules. Instead of naming only two students as most area scholars, P-W seniors each year base their selections on the best scholastic records.

Panthers lose to Owosso, then down Bath Bees

DEWITT — The Panthers pulled away for a 10-5 victory over the Owosso Bears Monday on May 5. The win is the team's second in a row.

The match began with the Owosso team scoring the first point, but the Panthers quickly took control with a 9-2 run to gain the lead.

DeWitt's strategy paid off as they continued to dominate the game, eventually securing the victory.

Panthers third in invitational

DEWITT — The Panthers finished third in their invitational golf tournament at Highland Hills Country Club. The team's performance was strong in comparison to other teams.

The tournament was a four-round competition, and the Panthers secured their third-place finish with consistent play throughout.

The results were as follows:

- DeWitt: 335
- Fowlerville: 342
- Portland State: 351

These scores reflect the team's ability to perform under pressure and maintain focus on their game.

DeWitt's golfers show the form that has put them on top in their league this year. From left are Chuck Berkimer, Coach Don Melvin, Myron Norsby, Andy Cusack and John Kranas.

TOURNAMENT WINNER

Larry Koeningknecht of Fowler accepted a trophy offered by Jerry Platte, courtesy, military justice, first annual singles bowling tournament.

The ceremony was held at Highland Hills Country Club, and the winner received a trophy engraved with the names of the top bowlers.

Congratulations to Larry Koeningknecht on his achievement in this prestigious bowling tournament.

**DeWitt kindergarten registration**

DeWitt kindergarten registration for all children eligible to attend the DeWitt Kindergarten is September 1. The kindergarten will be held in the DeWitt School, 1001 S. Clinton Ave.

The registration will begin at 9 a.m. and continue until 3 p.m. on Tuesday, September 1.

The DeWitt kindergarten registration is a time for both parents and children to meet and get to know each other.

The registration will include an interview with the kindergarten teacher, Miss Betty Merrihew, who will be available to answer any questions or concerns.

A list of needed supplies will be provided to parents, including a list of school supplies such as pencils, paper, and a notebook.

Parents are encouraged to attend the registration to ensure their child's place in the kindergarten program.

**Merrihew**

By Mrs. Lloyd Brook—2-R14-016

Miss Betty Merrihew, the kindergarten teacher at DeWitt kindergarten, expressed her excitement about the upcoming school year.

She said, "I am thrilled to be working with such a wonderful group of children and parents. It is truly a privilege to be a part of their lives."
ST. JOHNS—Members of Mrs. Nobis’ fourth-grade class at Perrin-Palmer School in St. Johns have recently completed their bulletin board display on “The Signs of Spring.” Starting in February each member of the class was to look out for signs of spring and as they saw one they drew a picture of what they had seen and placed it on the bulletin board. Some of the early signs depicted in the drawings were bumble bees, snowdrops, birds, robins, flowers, roller skates and a lucky bag. Students pictured are Becky Stewart, class president, and Bruce Douglas, vice-president.

In addition to classes, answer- ing and evening Saturday classes are offered in science, social science, biology and other areas. Mrs. Wilma Miller, coordinator of the school’s Cooperative Extension Service, will be on hand to answer questions. The workshop will cover a wide variety of educational topics.

Other activities include a “grown-up” discussion, a drainage test, and a discussion of how to use it in the home. The program is co-sponsored by the School for Science Teachers and the Michigan Agricultural College.

**FARM & CROPS IN MIND**

Mr. and Mrs. John Johnson, of Westmoreland, were the proud parents of twins, Thomas Michael and William Joseph, born April 14. Hosting the event were Mrs. Maxlne Hanshaw, Faith Shaffer, Linda Miller, and Glenda Flannery. At the Church of Christ, Scripture 3:7-13 and special music was sung.

Mr. and Mrs. Ronald McCreery of Owosso Memorial Hospital.

The Carnival netted $900 for the maintenance of the new building.

In the afternoon Mrs. Harold Hoerner, Mrs. Emma Boals, Mrs. Hazel Moore of Ashley won the grand prize in the “Raffle of Chance.”

Lynn Richards, Mary Patton, Ann Karst, Karen Miller, and Elizabeth Pederson were the winners of the grand prize in the “Wheel of Fortune.”

Moore of Ashley won the grand prize in the “Basket of Fruit” department.

Another teacher, Lynn Koger, was not available for the photo.

**TERMINAL—Fertilization knowledge gives bath co-op a success**

Miller’s one-to-one idea makes Bath co-op a success

BATH—Terminal Fertilization knowledge gives Bath co-op a success. That’s what Mr. and Mrs. Leon Miller believe. Miller, however, said that if a student is going to succeed in a co-op program, he must be interested in soil fertility and work experience.

Junior directors’ role explained

Junior directors play an important role in a co-op program. They are elected to represent specific areas designed to help make the co-op program more effective.

Miler and other high school junior board members with the co-op are not in a one-to-one role because of the financial picture of a high school co-op program. The student’s work is usually done on a small-scale basis and must be done in an efficient manner.

The junior board members serve in an advisory capacity to the high school co-op program. They are elected by the regular District Board and must meet the requirements set forth by the Board.

**Fertilizer & Seed Co-op Day**

ST. JOHNS—In hopes of fostering agriculture, a special day was held at Duplain and Northland High School, Chairman; William Dumond, treasurer; Robert Foster, secretary; Lloyd Reed, farm market, vice-president.

The day included a tour of the St. Johns area, a picnic luncheon at the building.

Mr. and Mrs. James Ecenbarger of Christ. Mrs. Wilma Schaffer, editor of “The Christian Mother” was the keynote speaker. Lynn Koger, was not available for the photo.

In the afternoon Mrs. Harold Hoerner, Mrs. Emma Boals, Mrs. Hazel Moore of Ashley won the grand prize in the “Raffle of Chance.”

College Week for Women was started by the Orthodox Christian National Association in 1933 as a means of promoting the education of women and training them for their role in the home and community. The event is sponsored by the Orthodox Christian National Association.

The program, which was created last year by Mr. and Mrs. Donald Scientific, is a one-of-a-kind event that features a visit to a variety of places of interest.

Every chapter responded and submitted a program. Fifty chapters will participate in the event.

Herbicide combinations: one-two punch control

ST. CLAIR, Mo.—A combination of two or more herbicides may be the answer to tough weed problems according to Grand Champion, a new weed-control chemical that was introduced last week. It is a two-chemical mix that stands to give effective weed control, jury, less carryover of herbicide, and tolerance to some herbicides among a variety of plants. It is a unique combination of two chemicals that were hard to find, but that together are giving good results.

One of the chemicals is Lasso, a compound that has been around for years and has been used for a variety of purposes. It is a broad-spectrum herbicide that is effective against a wide range of weed species. The other chemical is atrazine, a well-known herbicide that is effective against a variety of grasses and sedges. The combination of Lasso and atrazine is safe to your corn; carryover is no problem.

Lasso plus atrazine is safe to your corn; carryover is no problem. Your corn comes first. For tank mix instructions and a complete technical bulletin, call the ST. JOHNS CO-OP.

ST. JOHNS—The list of spring crops to be sold by the St. Johns Co-op includes potatoes, soybeans, corn, and soybeans. The potatoes are available for sale at the co-op building, and the soybeans and corn are available at the co-op store. The co-op also sells a variety of other products, including seeds, fertilizers, and pesticides.

The co-op is open from 9 a.m. to 5 p.m. Monday through Friday, and from 9 a.m. to 12 p.m. on Saturday. They can be reached at 555-5555.

The co-op is located at 123 Main Street, St. Johns, MO 65281.

Good Judge of Land

Clintong Massey, director of the soil conservation district, presents a desk set to Gwyn Hetawy, who was the high individual winner at the Clinton A.C.D.'s annual land judging contest held April 3. She is the first girl to win the annual contest since its beginning in 1964.
Good work

Annual spring cleanup campaigns by our young people in the county is commendable and truly pitiful in that it is a pretty messly populace. Still, it is quite apparent that our young people have been picking up good habits in the past few years when pollution has become a serious issue in which to which they have become involved. Young people, if they are honest, will admit they are doing the prime polluters of roadside trash. Soft drink containers, but more importantly, beer cans, candy wrappers, cigarette butts, tires, discarded newspapers and all items.

High in the list of what is picked up by the young people in Good work is trash consideration. How drinking is done in automobiles with the resultant oil out of the way "entertainment." Regardless of who is contributing most to the roadside litter, we all of us have added our share, the efforts to focus on the problem to have these every once in a while pickup crews and groups.

Sometimes the top dogs can do this dirty task for a reasonable time. prominently in this area is the cooperation of our young people in the Good work. The Good work has been criticized for being a sign of the times by the downtown merchants, but the Good work has been working with the Good work. A few of the merchants have been working to help maintain a neat appearance of the downtown area. The young people have been working to help keep the downtown area clean.
