Area schools set graduation ceremonies

Graduation is only a few weeks away for most area high school seniors, while some schools had already graduated last week. Both graduations will be held June 5. A $20 cap and gown will be purchased at the school, except for Genoa, whose graduates will be made by the school. Graduates will be seated in the order of their names on the program.

Davison graduate June 5 at 2 p.m. in the gymnasium. The school will feature the Ovid-Elsie Class of 1972, followed by the Ovid-Elsie Class of 1972. The program will feature speeches and songs.

Fowlerville graduate June 5 at 8 p.m. in the gymnasium. The school will feature the Fowlerville Class of 1972, followed by the Fowlerville Class of 1972. The program will feature speeches and songs.

Vandalism at St Johns swimming pool

On June 3 from 10:50 p.m. to 11:30 p.m., several people were seen vandalizing the pool at the St Johns Recreation Center. The pool was filled with water from the city's water supply, and several people were seen throwing rocks and sticks into the pool. The pool resulted in the temporary closure of the pool until it could be cleaned up.

Storm sewer project prompts citizen protest

ST JOHNS - The residents of the city of St Johns are protesting the proposed storm sewer project in the city. The project is being funded by the state and federal governments, and is expected to cost $1 million. The residents are concerned about the impact of the project on the quality of life in the city.

Three earn Fowler honors

The three students who earned the highest grades at the Fowler High School were:

Jane South, with a 3.9 grade average.

Ann Thompson, with a 3.8 grade average.

Brian Miller, with a 3.7 grade average.

Name Top 6 at P-W High School

Pewamo-Westphalia High School set graduation ceremonies for June 5 at 3 p.m. The school will feature the Class of 1972, followed by the Class of 1972. The program will feature speeches and songs.

O-E superintendent explains millage request

Ovid-Elsie Superintendent, Mr. Williams, explained the millage request in a recent interview. The request is for $2 million, which will be used to fund the construction of a new high school building.

Jayecey's new album

Jayecey's new album, "Rally," was released on June 3. The album features a mix of pop, rock, and hip hop songs. It has been well received by fans and critics alike.

Bath announces honor graduates

The Bath High School announced its honor graduates for the Class of 1972. The graduates are:

Susan Williams, with a 3.8 grade average.

Richard Bos, with a 3.7 grade average.

John Blauwiekel, with a 3.6 grade average.

CGLS- The Colein, superintendent of the Clinton County Schools, announced the opening of the new CGLS building in a recent interview. The building is located on the campus of the high school and will feature state-of-the-art facilities.

Open bids for storm sewer

ST JOHNS - The city of St Johns is seeking bids for the proposed storm sewer project. The project is expected to cost $1 million and will be funded by the state and federal governments.

The deadline for bids is June 5. Interested bidders should contact the city's public works department for more information.

They want information

DeWitt Twp to sue Clinton County DPW

By Linda Hethker

County News Bureau

DEWITT - A large crowd turned out Monday night to hear Township Clerk Debbie Ollmers make a recommendation to the Township Board to sue the Clinton County Department of Public Works over the sewer plant problem in DeWitt. To cite the Township Board, DeWitt has been waiting 6 years for the completion of the sewer plant and was the only town in the township to receive a vote on the sewer plant.

The Township Board will take a vote Thursday night on the recommendation made by the Township Clerk.

The sewer plant is scheduled for completion by the end of the year, but the Township Board is concerned that the plant will not be able to handle the amounts of sewage it was designed for.

The sewer plant in DeWitt is part of a larger project to upgrade the sewer system in the township. The project is expected to cost approximately $5 million and is funded through a combination of county and state grants.

The Township Board is concerned that the sewer plant will not be able to handle the expected growth in the township and is considering legal action to force the county to complete the project.

The township has asked the county to complete the sewer plant currently, but the county has stated that the project is not ready to be completed.

The Township Board has been waiting for the sewer plant to be completed for several years and is concerned that the delay will cause issues for residents in the township.

The Township Board will make a decision on whether to sue the county next week.

St Johns baseball team 2d in West Central

By JOHN PIFFARETTE
Cherry Hills Newsroom

St Johns High baseball 2d in West Central Sunday to battle base stealers and hitless pitching, as the Panthers downed St Johns, 5-2. The Panthers gained the 2nd place by getting a 4-3 decision in 7 innings over Mason Monday in a Mid-Michigan B Conference championship, leaving Mason 2nd in the standings, leaving Gorunna in 3rd place and Bullock Creek 4th.

Cherry Hills scored 4 runs in the 1st inning when Brian Pertler hit a 3-run home run after blasting 13 hits to help make up for a 7-1 lead.

St Johns got its run in the 1st inning when a fly ball by Keith Haske and a wild pitch brought home runners who had loaded error and a passed ball.

Mark Hudecek was winning pitcher and brought his own bat to the plate. He got the 1-0 lead on singles and a walk, and shut the door on the very end of the inning. Cherry Hills couldn't be scored on.

Haske hit a 2-run triple in the 5th frame. Haske hit a 2-run triple by Mark Barz, sacrifice fly by Keith Haske and a wild pitch by Mason's pitcher.

Dant and shutout the Wolves the rest of the game. Cherry Hills couldn't be scored on.

Haske hit a 2-run triple in the 5th frame. Haske hit a 2-run triple by Mark Barz, sacrifice fly by Keith Haske and a wild pitch by Mason's pitcher.

Dave Devereaux pitched a strong 3-hitter while his mates knocked 10-6 overall. St Johns was 2d with 6 hits.

Outside the influence, the Pirates didn't have the hitting they needed and only 4 of the 15 conference points were scored. bitmask for the championship, Mason didn't have a hit and the Wolves didn't score.

St Johns, Chesaning and Bullock Creek closed the season by finishing 3rd in both the conference and the state tournament, leaving Gorunna in 3rd place and Bullock Creek 4th.

Fowler and DeWitt share diamond title

By John Fitzgerald

Fowler High School's Pony League tryouts for the upcoming season are scheduled for Friday, May 30. The team will be coached by Ron Smallwood, who will be assisted by Ron Polt and Bob Halma and Kevin Knight.

The team that won it in 1961 by-capturing a six-game sweep of a doubleheader between Fowler and Lapeer in a tournament on Holland's South Beach, is now competing on the state level June 23, in Kalamazoo. Members of the team are (from back to front): Bob Halma and Kevin Knight.

The team's record book shows a win by a 14-3 count Tuesday, Fulton-Middleton by a 17-4 whipping in the 6th inning and a single by Bob Halma and Kevin Knight. Fowler had a 2-1 lead. Other hits included a triple; Brian Feldpausch each finished with 2 singles.

Osgood of St Louis won the tournament, but the Sharks came "up with a big 12th inning scoring single in the 1st inning and a solo home run in the 4th for the Sharks. The Pirates the rest of the way."

Barkley's RBI in the 3rd inning and his 2-run double and an error in the 9th inning. Pioneers' score in the 9th was on an error, walk, ground out to add to their lead.

MacKinnon's RBI in the 3rd and Soukup's score after his double and an error in the 9th innings. Pioneers' score in the 9th was on a walk and an error.

Bob MacKinnon brought a 5-0 lead to the 6th inning, but the Sharks came back with 2 runs in the 6th inning. Oleksiak's double and an error in the 7th to tie the game on an error, walk, ground out to add to their lead.

Fowler High School's Pony League tryouts for the upcoming season are scheduled for Friday, May 30. The team will be coached by Ron Smallwood, who will be assisted by Ron Polt and Bob Halma and Kevin Knight.

The team that won it in 1961 by-capturing a six-game sweep of a doubleheader between Fowler and Lapeer in a tournament on Holland's South Beach, is now competing on the state level June 23, in Kalamazoo. Members of the team are (from back to front): Bob Halma and Kevin Knight.

Vincent Ackles

We have been reading in several newspapers about the police saying, "They have the time to enforce the 55 mph speed law, brought on by the energy emergency."

We are dealers for the "Allis Chalmers" company. We've been reading in several newspapers about the police saying, "They have the time to enforce the 55 mph speed law, brought on by the energy emergency."

Every time I turn on the radio, I hear about the energy emergency and how it is causing problems for everyone. I think that it is important for us to support our local police and follow the rules to help keep our community safe.

Harry Weil

The police are saying, "They have the time to enforce the 55 mph speed law, brought on by the energy emergency."

I agree with the police that we should follow the rules and not exceed the speed limit. It is important for us to protect our community and ensure everyone's safety.

Joe Brown

I think it is great that the police are saying, "They have the time to enforce the 55 mph speed law, brought on by the energy emergency."

It is important for us to support our local police and follow the rules to help keep our community safe.

Mary Johnson

I appreciate the police for saying, "They have the time to enforce the 55 mph speed law, brought on by the energy emergency."

It is important for us to support our local police and follow the rules to help keep our community safe.

John Doe

I think it is important for us to support our local police and follow the rules to help keep our community safe. We should not exceed the speed limit and follow the guidelines set by the police to ensure everyone's safety.

Jane Smith

I hope that everyone will follow the rules and support our local police to help keep our community safe. It is important for us to be responsible and not exceed the speed limit.

Samantha Lee

I think it is great that the police are saying, "They have the time to enforce the 55 mph speed law, brought on by the energy emergency."

It is important for us to support our local police and follow the rules to help keep our community safe.

Robert Williams

I appreciate the police for saying, "They have the time to enforce the 55 mph speed law, brought on by the energy emergency."

It is important for us to support our local police and follow the rules to help keep our community safe.

Karen Brown

I think it is important for us to support our local police and follow the rules to help keep our community safe. We should not exceed the speed limit and follow the guidelines set by the police to ensure everyone's safety.

Michael Green

I hope that everyone will follow the rules and support our local police to help keep our community safe. It is important for us to be responsible and not exceed the speed limit.

Emily Davis

I think it is great that the police are saying, "They have the time to enforce the 55 mph speed law, brought on by the energy emergency."

It is important for us to support our local police and follow the rules to help keep our community safe.

Sofa beds—what to look for

Chloe Knight

Home Furnishing Reporter

Sofa beds are one of the most versatile pieces of furniture you can own. They have long been a popular purchase for many reasons. Comfort, function, and style are just a few of the reasons people love them. But before you buy, it's important to know what you're getting into. Some of the main things to consider are:

- Size: Sofa beds come in various sizes, from twin to king. Make sure the size is right for your space and your needs.
- Comfort: Look for a sofa bed that has a good mattress. The mattress should be thick and supportive, and it should actually feel like a mattress, not just a thin layer on top of a frame.
- Style: Choose a sofa bed that matches your style and decor. There are many different styles to choose from, so find one that you love.
- Price: Sofa beds can range in price from affordable to expensive. Set a budget and stick to it.

So the next time you're in the market for a new sofa, consider a sofa bed. With the right one, you can have a comfortable place to sleep and a functional piece of furniture all in one.
Kissane testifies at rail cutback hearing

The following is testimony given by Clinton County Farm Bureau at a hearing held by the Federal Railroad Administration in DeWitt.

"County area. Implement county being primarily an "The Clinton County Farm Bureau at a hearing held by the

Felderpauch

I'm to get a chance to say a few words. As the owner and manager of the St. Johns Cooperative, I want to say that the railroad is a great asset to our community. It provides a reliable and cost-effective way to transport goods and services to and from our area. Without the railroad, the economic development of our county would be severely impacted. I urge the administration to consider the benefits of the railroad and not choose the option of cutting back on services."

**Clinton Area Obituaries**

**William Sklapsky**  
HAD--William M. Sklapsky, 73, of 13138 Webster Road, died May 23 at Sparrow Hospital. He was born 1882, in Russia to Michael and Matilda Sklapsky. He married Beatrice Plant in Ionia March 1, 1909. He was a retired mechanic employed by Motor Wheel. He attended Central National Bank. He was preceded in death by his wife; son, Howard; son-in-law, Richard George; and two great-grandsons; and 10 great-grandchildren; and 10 great-grandchildren. He is survived by 2 daughters, Mrs Howard George, 73, of 2503 Greenway Drive, Ionia, and Mrs Frances Weir of St Johns; 17 grandchildren; and 22 great-grandchildren. Services were held at the Osgood Funeral Home on May 25 with Rev. Claude B. Martin officiating. Burial was in St John's Cemetery.

**Cora M. Hines**  
HAD--Corra M. Hines, 73, of Rt 2, died May 23 at the Houghton Chapel on Saturday, May 25 with Rev. Michael R. Ruhl officiating. She is survived by 2 daughters, Mrs Howard George, 73, of 2503 Greenway Drive, Ionia, and Mrs Frances Weir of St Johns; 17 grandchildren; and 22 great-grandchildren. Services were held at the Osgood Funeral Home on May 25 with Rev. Claude B. Martin officiating. Burial was in St John's Cemetery.

**Howard Weir**  
HAD--Howard Weir, 82, of 13138 Webster Rd, died May 26 at Sparrow Hospital. He was born 1892 in Russia to Peter and Maria Weir. He married Lillian Federspil of Vancouver, Wash., on Dec. 13, 1924. He was a retired mechanic employed by Motor Wheel. He attended Central National Bank. He was preceded in death by his wife; son, Howard; son-in-law, Richard George; and two great-grandsons; and 10 great-grandchildren. He is survived by 13 grandchildren; and 22 great-grandchildren. Services were held at the Osgood Funeral Home on May 25 with Rev. Claude B. Martin officiating. Burial was in St John's Cemetery.

**Daughters of Isabella attend state convention**  
The 4th Annual State Convention of the Michigan Daughters of Isabella will be held at the Crow's Nest, Grand Hotel, Mackinac Island, June 20-21. The hotel welcomes guests of this organization every year.

**WHY DO WE DO IT?**

Funeral service was celebrated today, in many countries, as a matter of fact, it's a brief and meaningful ceremony performed by the state. In America, we believe that the laws of individuals are important... - and that the end of life calls for an act of honor and respect.

A full array of INTERNATIONAL FOODS

Now you can enjoy, at home, some of the tasty dishes you've read about or enjoyed in your travels. The new Kroger Superstore offers a wide assortment of international foods for those with adventurous palates.

Check out our wide selection of imported and domestic cheeses in our expanded Dairy Department. And for other international delights, browse through our enlarged Frozen Food Department.

If it's international cuisine you seek, you always travel First-Class at your Kroger Superstore.

You Asked For It...Kroger's Got It!

People's Choice

All Kroger Beef is inspected by a U.S. Dept. of Agriculture grader to make sure it meets quality standards for U.S. Grade A, Prime and Extra-Prime Beef. Trimmed of excess fat, bone and waste before it is weighed and priced. You get more good eating meat—less throw-away waste when you serve fresh, tender beef from Kroger.

Sunrise Fresh Produce

Welcome to the widest array of luscious fruits and dewy fresh garden vegetables in the entire market-area. Our fruits and vegetables are carefully selected from the "lush" growing fields of California, Florida, Hawaii, Texas, and throughout the Mid-West, then rushed to our Kroger Superstore.

KROGER

Manhattan-Style DELICATESSEN

Why not take a break from the kitchen routine and drop by your Kroger Superstore for a visit to the Manhattan-Style Delicatessen? We've got just about anything you might need for a snack, a meal or just a side dish for that special occasion. You'll find salads, dressings, cold meats, domestic and imported bulk cheese, party trays, barbequed chicken and ribs and much, much more.

LOCATION: 104 Rex St.
Cooking, cleaning convenience in Fowler house

FOWLER - Cooking and the cleaning up that comes afterward is made easier and more enjoyable with the latest in conveniences in the Fowler house.

The kitchen features a dishwasher, disposal, electric range and roomy, attractive cabinets. A special feature of the oven is the fact that it is a continuous self-cleaning appliance.

On A Splendid Building Achievement

Located at 104 REX in ST. JOHNS

Located at 511 HIGHAM in PEWAMO

Located at 445 BATH in FOWLER

Westphalia Builders & Supply Co.
1½ mi. South of Westphalia on Grange Road
587-3671

Safe use of tools important part of home-building classes.

More than the 3 "R's"

PEWAMO - The owners of the home at 511 Higham St, Pewamo, will never completely own the ranch-style house.

Members of the Shared-Time Building Trades class each will take something from the house when they leave the construction site for the last time. That something will be the memory of being part of a high school project that designed and built a $32,300 home.

Ninety-five percent of the work on the house was done by the students in the class.

That's a far cry from the day when education was merely "readin', writin' and ritmatic."

The Schafer Heating Inc.
Wishes to Congratulate the Boys of the Pewamo - Westphalia Building Project For a Job Well Done!

Open House . . . Sun., June 2nd
511 Higham St. Pewamo

"A Job
Well Done"

KEN LASHAWAY
Vocational Director

BOB NIEMI
Vocational Instructor

JACK MELLINGER
Vocational Instructor

BEN WIEBER
Vocational Instructor

In this day and age when the need to bring knowledge to our young people is so important, we, the senior members of the community area, owe a debt of gratitude for the many hours expended by Ken Lashaway, Bob Niemi, Jack Mellinger and Ben Wieber in making the vocational department's building projects a reality. We owe thanks, too, to the many local people who served on the Advisory Committee and the school boards of St. Johns, Fowler and Pewamo for their farsightedness.

It pleases us here at the bank, to say, "Well Done!" We urge everyone in the community to visit the homes that the high school students of our area built with their own hands. We also are pleased to publicly acknowledge the splendid efforts of anyone else who made the projects the success they have been.

CENTRAL NATIONAL BANK

New Operating In Its 75th Year

PEWAHOME ST. JOHNS OVID
ST. JOHNS — Sufferers of "cabin fever" will appreciate the amount of room featured in the St Johns Building Trades house.

The home offers 3 good-sized bedrooms. The family who lives in the St Johns house will never wonder if 1 or 2 of the bedrooms would have been more sensible as closets.

On the contrary, the bedrooms are roomy and equipped with large closets. Plenty of space for family activity is offered with a large living room and the family-dining room.

And more space is available in the full basement. The basement also offers more than walls, floor and a ceiling. A storage space is available to keep stored those items which so many times seem to clutter a basement.

A storm shelter is also included in the basement for family protection in times of emergency. The family cars, bicycles, lawnmowers, etc also have plenty of space in the large 3-car garage.
WE KNOW ABOUT HOMES
AND WE LIKE THESE!

JUNE 8-9
ST JOHNS

We at Capitol Savings & Loan are also proud
of our growth in 1974. Our assets of over $235
million make us one of Michigan's largest savings
and loan associations. Helping communities grow
by financing home owners is one of the main
functions of our organization and you as a saver
at Capitol Savings can be assured the money
you save will be used to make our area prosper
and grow.
Kitchen area--attractive hub of family activities.

ST JOHNS -- The kitchen always seems to be the place many members of the family wind up several times a day. Well, the whole family can congregate to the kitchen area in the St Johns Building Trades house without interfering with the culinary efforts of the chef.

A compact kitchen, accented with built-in drop-in range and range hood, refrigerator, sink, dishwasher, disposal and lots of cupboard space is located adjacent to the family dining room.

Designed to be functional, all areas of the kitchen are within easy reach, yet plenty of space is available by locating the dining area in the family-dining room.

An open atmosphere accentuates the spaciousness of the family-dining room and kitchen. The kitchen looks into the family-dining room over an attractive snack bar.

Above all appliances and surrounding the kitchen work area are oak stained Camelot cabinets with traditional handles and hinges.

Latest in conveniences

ST JOHNS -- The family who moves into the Pewamo Shared Time Building Trades house will be moving into a home with the latest in conveniences.

Plenty of hot water for baths, showers, dishes and laundry is supplied by a gas hot water heater.

The kitchen comes equipped with an electric range and built-in dishwasher.

The house is also equipped with television wiring with color antenna.

ST JOHNS -- This year St Johns students did their own cement work.
Students gain valuable experience in electrical wiring, heating, and plumbing.

**Congratulations**

TO THE PEWAMO-WESTPHALIA STUDENTS

OPEN HOUSE

104 REX ST. ST. JOHNS

our congratulations...
To the students and everyone who helped with this project for a job well done.
It was our pleasure to assist on this outstanding project and to work with the fine young men of the Building Trades Program.

Bath and half family’s convenience

ST JOHNS — Family convenience with beauty is the key to the 1 and one-half baths of the St. Johns house. Each bathroom is accented with a Dupont Corian man-made marble countertop. The sturdy material gives a luxurious atmosphere and is designed for easy maintenance. Medicine cabinets in the home are more than square or rectangular boxes with mirrors. A 3-foot traditional oval mirror turns the medicine chest from a strictly functional object to an attractive feature of the room.

Some help from the instructor.

Help from Fowler decorating class

FOWLER — The decorating class of Fowler High School put many of the finishing touches on the Fowler house. The interior decorating in most of the house came from the talented hands and minds of the students in Judy Heil’s decorating class.

WE ARE PROUD TO HAVE BEEN PART OF THE CLINTON AREA BUILDING TRADES PROGRAM

THE STUDENTS OF FOWLER AND PEWAMO-WESTPHALIA HAVE DONE A FINE JOB ON THEIR HOMES.

ST JOHNS – The convenience of roomy bedrooms is quickly lost if the closets are so small that clothes are crammed together and boxes are jammed on top of each other on tightly packed shelves.

The frustration of "Fibber Magee's Closet," will never occur in the home completed this year by the ST Johns Building Trades Class.

Large closets with folding doors offer more than enough room in all the bedrooms for clothes, linens, etc.

A spacious closet also greets the homeowner right at the entrance. Wet coats and muddy boots will never have to track clear through the house to reach their proper place.

What appears to be a closet in the family-dining room actually houses the washer and dryer. However, there is shelf space on the right side of the enclosure for all of the laundry needs.

All closets in the home are equipped with convenient and attractive bi-fold doors.
BY ANY COMPARISON . . . THESE ARE BEAUTIFUL HOMES . . .

Attend the Open House festivities of the St. Johns and Clinton Area Building Trades Programs.

Storage barn comes with Pewamo home

Pewamo - Dad won't be grumbling about tripping over rakes, shovels, etc in the garage of the house in Pewamo. All the tools that many times clutter up the garage will be out from under feet. Included with the Pewamo house is an attractive red barn storage shed designed to keep Dad happy and things looking neat.

Spare a life at Pewamo house

Pewamo - Students building the Pewamo house at 511 Higham, Pewamo, changed an "L" to a "T" and spared a life in the process. The house was originally designed in an "L" shape. It was then discovered that such a design would mean the loss of a life - belonging to a large walnut tree. The house design was then modified to the "T" shape and set back 30 feet from the original site. After all, what's a yard without a tree?

St Johns program continues to grow

ST JOHNS - The St Johns Building Trades Class program continues to grow. Eleven students who were in the program last year returned for another year in 1973-74. Over 40 are expected to participate in the coming school year when the class will construct a 2-story Southern Colonial.

Natural light in abundance

ST JOHNS - Open up the drapes and let the sun shine in. As shown in the photo above, the sun on the outside of the St Johns Building Trades house is the master builder. Vast picture windows facing the front yard allow use of natural lighting year round.

Worker and observer.

Varied program

The home building program at the Clinton Area Vocational School is just one of many classes offered. Also offered are auto mechanics, agriculture occupations, cosmetology, electronics, food service, health occupations and health assistants.

Lots of space for family

Pewamo - A many bit and space saving family with the Pewamo house is a real "treasure" house. The home, combined 179 square feet, features 1 bedroom and lots of closet space. The children's bathrooms feature double shelves, and where there is one, there is another with similar sized closets in each level.

Full basements add extra room.

Lots of space for family

PEWAMO - Dad won't be grumbling about tripping over rakes, shovels, etc in the garage of the house in Pewamo. All the tools that many times clutter up the garage will be out from under feet. Feet will love Pewamo floors

PEWAMO -- Cold feet will love the floors of the house built in Pewamo.

The home is carpeted throughout, a real welcome for the bare feet the first thing in the morning.

In those areas where carpeting isn't quite as practical, the floors are attractively covered with ready-set ceramic tile in the entry, bathroom and kitchen.

ST JOHNS -- There will be no trudging up and down the stairs with loads of laundry for the owners of the St Johns Building Trades house.

The washer and dryer is conveniently located in the corner of the family-dining room, out of sight.

Fruitwood stained, bi-fold doors conceal the washer and dryer which not in use and open wide for easy access on wash day.

Several shelves are located to the right of the washer and dryer for plenty of storage for washing and cleaning supplies.

CONGRATULATIONS FROM YOUR ELECTRICAL CONTRACTOR WELL DONE on the Building Trades Project for all electrical work, think first of SCHMITT ELECTRIC 807% E. STATE ST. ST. JOHNS

CONGRATULATIONS TO THE ST. JOHN'S HIGH SCHOOL AND CLINTON AREA BUILDING TRADES PROGRAM ON COMPLETION OF THEIR BEAUTIFUL HOMES AT 104 REX ST., ST. JOHNS AND AT 445 BATH ST., FOWLER.

ATTEND THE OPEN HOUSE JUNE 9th.

FOWLER Ph. 593-2606

Workers install kitchen cupboards.

No trudging up and down to laundry area
Fowler home is family-size house

FOULTON - Neighbors of the family who will live in the Fowler house won't have to worry about hearing arguments between members of the family tripping all over each other because of cramped space. There's plenty of space for everybody.

The home features 3 large bedrooms with plenty of closet space.

The house includes one and a half baths with a bath off the master bedroom. An all-purpose utility room also includes a half bath. A full basement offers extra space.

Exterior view of St. Johns house during early stages of construction.

Wall serves as temporary work bench.

Working in close quarters.

More work is tackled by students.

ST. JOHNS -- Students involved in the St. Johns home building program tackled a bit more this year.

In the past masonry, heating and plumbing have been handled by contractors.

In the 1974 home, the students themselves completed the work.

HEATHMAN'S SAY

Congratulations

TO THE CLINTON AREA BUILDING TRADES PROJECTS AND TO THE STUDENTS WHO WORKED ON THE PROJECTS . . . . . . . . .

And to Jack Mellinger, the instructor for the Fowler house, Bob Niemi, the instructor for the St. Johns house, and Ben Weber, the instructor for the Pewamo-Westphalia house.

Hot water heat for ultimate in comfort

ST JOHNS - The temperature's always the same from floor to ceiling. That's just one of the conveniences included in the St. John's house. Hot water heat is electrically controlled and offers constant temperatures for the entire area served by the thermostat. Individual thermostats allow different areas of the room to be heated at levels best suited for that particular area.

Pewamo kitchen is roomy and bright.

Team work helps make job go faster.

St. Johns student sinks nails in sash encasing Anderson windows.

Even the car likes a garage.

PEWAMO - Nothing's more aggravating than to leave a warm house, trudge through the snow and get in a car that won't start in the morning following sub-zero weather. The owner of the Pewamo house won't even have to walk outside.

The 2-car attached garage offers plenty of space for the family "wheels" and shelter for driver and car.

A muddy driveway will be no problem either. The entire 2-car width of the driveway is concrete.
Patio offers comfort in outdoor activities

PEWAMO - The house built by Pewamo-Westphalia students offers plenty of activity areas in the home and also some outdoors.

When the warm weather draws the family from the roomy dining area, they can enjoy a summer barbecue on the concrete patio behind the house.

All 3 homes have ultimate insulation for maximum heating and cooling.

Plenty of breathing room in Fowler home

FOWLER - The house in Fowler is built on a lot that really gives the homeowner room to breathe. There's no feeling of constantly bumping elbows with the neighbors on the 11 x 12 patio.

Once inside, there's still plenty of room as the house contains 1,611 square feet of floor space. Attached is a large 24 x 26 garage.

Finishing touches go on wall of Fowler house.

Roomy, but cozy

ST JOHNS - A difficult to accomplish combination is one feature of the home built by the St John Building Trades Class. Although the home is spacious with large rooms (the living room is 13 x 20 and the family-dining room is 14 x 16), an atmosphere of 'coziness' is noticeable in the activity center of the house.

That center is the kitchen and family-dining room. Attractive stained cabinets, contrasted with a harvest gold leather countertop, the kitchen, dining area and family room all fit together to make a bright, but cozy, center for the family activities.

TO THE PEWAMO-WESTPHALIA STUDENTS WE SAY CONGRATULATIONS AL SMITH & SON INC. Westphalia

Congratulations
TO THE STUDENTS AND INSTRUCTORS
OF THE ST. JOHNS HIGH SCHOOL
BUILDING TRADES PROGRAM AND THE
CLINTON AREA BUILDING TRADES PROGRAM

The Building Trades Programs in the Clinton Area schools has provided an opportunity for young people to receive first-hand experience in the construction of three houses and we support the instructors and students in the program by encouraging attendance at their Open Houses. The interest and desire to accomplish is evidenced through the coordination of schedules of the students involved in the program and the participants can be justifiably proud of their accomplishments.

We at Clinton National invite area residents to attend these Open House events.

WE ARE PLEASED TO SPONSOR THIS PUBLIC ANNOUNCEMENT ON BEHALF OF THE BUILDING TRADES PROGRAM
