Sheriff's Dept joins Operation Identification

ST JOHNS - The Clinton County Sheriff's Dept has recently been aided in the planning and development of a community-wide identification system by a number of businesses within the area. The system, designed to serve as a backup to the present data-keeping procedures, is currently being tested by several agencies throughout the country. The system, which is being used as a test-bed for the Sheriff's Dept, is expected to become operational later this year.

Two St Johns girls earn essay contest honors

ST JOHNS - Two St Johns High School students recently won essay contest awards in a national contest. Stephanie Pylowany of St Johns and Marie Lenon of St Joseph's won first and second place, respectively, in the Americanism essay contest sponsored by the American Legion. The contestants were selected from a field of over 200 entrants from across the state.

We think it's important that you know as much as possible about mobile homes and mobile home living before you buy a mobile home. Because we're not just selling mobile homes, we're selling you a new way of life.

You'll find information about all the different floor plans available. Some answers to some basic questions you'll probably want answered. Some manufacturer information. Information on exactly what you get when you buy a mobile home. Plus some information on the advantages of a mobile home over the traditional home or apartment.

Please let us know if there is any other information we can give you. We're convinced—and we want you to be convinced—that a mobile home from Michigan Mobile Homes is really the only way to go today.

Van Sickle replies to criticism

With this phone, you can't call across the street.

But it can do something the most sophisticated local communications system can't do. Reach Charlie in the stockroom. - Which means we'll service it just like we service telephones. You can call anyone in your company, even if he's snoozing behind the stockpile.

With this phone, you can use ours, the same way you use our telephones. And if Charlie's line is ended in your company, the communications system can't do. Except Charlie.

More and more businesses are awakening to the advantages of a single-line, voice communications system. For example, at the touch of a button a person at a remote location can be connected to the master control. Even if he's snoozing behind the stockpile.

You can use our service with no installation or training. With this phone, you can't call across the street.
Elise youth attends student-trooper school

The 15th annual American Legion State Police student-trooper school will be held throughout the state this week.

The school will be conducted at two locations: on the campus of Michigan State University in East Lansing and at the Michigan State Police Academy in Lansing.

Graduates of the school will be students selected by local Michigan State Police command centers.

In addition to State Police training, students will also be given training in police science, criminalistics, and traffic law.

The school is conducted by the Michigan State Police training division.

Principal speaker will be Sergeant Cyril Green, State Police Bureau.

Field trips will be Supreme Court of Michigan and the state police academy.

Legion-State Police student-trooper school will be held throughout the state this week. Each school will be held June 27-29.

Dr. Mark Pontack of Elsie will be a graduate of the American Legion-State Police student-trooper school for 34 certificates at the luncheon Friday afternoon, June 22, at the Kellogg Center at Michigan State University and the state capitol in Lansing.

E.O. School Board holds meeting

Raymond D. Stewart was elected president of the Central Lake School Board's regular meeting held June 11. A new board member Jerry Kowal of the school was elected to the board to fill the vacancy created by the resignation of Judy Personious.

The board discussed bids received for the construction of a new high school which will be needed to replace the existing school. The new high school is scheduled to open in September 1974.

The board also discussed the possibility of adding an additional teacher to the staff to teach foreign languages. They recommended the purchase of $2,000 worth of foreign language materials.

Other items discussed included the county-wide school calendar and the county-wide school calendar. The board also discussed the need for additional classroom space and the possibility of adding additional classrooms to the existing school.

St Johns bicycle ordinance

Number and manner of vehicles moving on streets and highways

Any vehicle moving on streets and highways shall not exceed the posted speed limit and shall not be operated with any false, fictitious, or fraudulent license plate or number(s), nor shall any vehicle be operated on streets or highways with any license plate, license number, or equipment on any vehicle in violation of this ordinance.

Filing on roadways and streets

Any person operating a bicycle, motorcycle, or motor driven cycle shall cross a roadway or street at an angle that will permit a driver of a motor vehicle to see the bicycle, motorcycle, or motor driven cycle cross the roadway or street.

Prohibited acts

No person shall operate a bicycle, motorcycle, or motor driven cycle upon a roadway or street while under the influence of alcohol, a narcotic, or a controlled substance.

Bicycles

Every bicycle shall be equipped with a bell or a horn capable of being heard by a person 50 feet distant from such bicycle. No person shall operate a bicycle unless it is equipped with a bell or a horn capable of being heard by a person 50 feet distant from such bicycle.

Operational requirements

A person operating a bicycle, motorcycle, or motor driven cycle shall remain seated on the bicycle, motorcycle, or motor driven cycle while moving on a roadway or street. A person operating a bicycle, motorcycle, or motor driven cycle shall not permit another person to ride upon a bicycle, motorcycle, or motor driven cycle unless the person is the owner or operator of the bicycle, motorcycle, or motor driven cycle.

Motorcycles and motor driven cycles

No person shall operate a motorcycle or motor driven cycle upon a roadway or street unless the motorcycle or motor driven cycle is equipped with a horn or siren, or both, which shall be capable of being heard by a person 100 feet distant from such motorcycle or motor driven cycle.

Regulations applicable to vehicles

The provisions of this ordinance applicable to vehicles shall apply to motorcycles and motor driven cycles in like manner and with like effect as if the provisions of this ordinance applicable to vehicles were applicable to motorcycles and motor driven cycles.

Is there really a gas shortage?

By Laurie Kipp
County News Writer

ST JOHNS - A random sampling of 4 gas stations, 2 major and 2 independents, confirmed the growing suspicion many Americans feel about the current fuel shortage. When asked if they felt there actually is a shortage, they all responded yes.

"I just don't know if there is," said Wesley Smith, owner of Wesley Smith's Service Center.

"I don't know if there is," he said, discussing the shortage.

"I don't like that," he added.

Golf tournaments to highlight 50th Clinton County Country Club anniversary

By John J. Miller

The golf season at the Clinton County Country Club has begun in full swing. The club will be hosting a number of tournaments throughout the year, including the 50th anniversary celebration.

This year's tournaments will feature several special events to commemorate the club's milestone. The first tournament is scheduled for this month and will include a special 50th anniversary medal. Additional events will be held throughout the season, with prizes and other special offerings.

The club's 50th anniversary celebration will include a variety of activities, from golf tournaments to open houses and other social events. The club's members and guests are invited to participate in these events and enjoy the many amenities offered by the club.

For more information on the club's tournaments and events, contact the club directly or visit their website at www.clintoncountryclub.com. The club is located at 123 Golf Club Rd, West Bloomfield, MI 48323. 

Golfers carry on hot dog war battle

By John J. Miller

At the annual hot dog war battle, members of the Clinton Country Club and guests are encouraged to participate in a friendly competition to see who can eat the most hot dogs in a given time period. This event is scheduled for the weekend after the first tournament and is expected to draw a large crowd.

Billboard renewal deadline

By John J. Miller

The deadline for renewing billboard permits in the Clinton County area is coming up. Billboards located within the county must be renewed by the end of the month to avoid being removed. Owners of billboards are encouraged to contact the county government to learn more about the renewal process and to ensure that their billboards remain in compliance with local regulations.

CLARKE TOWNSHIP - A pair of golf tournament highlights that will be held on consecutive days at the 50th anniversary year of Clinton County Country Club.

According to club pro John D. Keeler, the two events will be held from 11 a.m. to 4 p.m. for both, and both will be open to all club members and guests. The tournaments will be held on Saturday, July 1, and Sunday, July 2.

The first tournament, the 50th anniversary golf tournament, will be held on Saturday, July 1. The tournament will be a four-ball scramble with a shotgun start at 11 a.m. The entry fee is $25 per person, and prizes will be awarded to the top three teams.

The second tournament, the 50th anniversary medal tournament, will be held on Sunday, July 2. The tournament will be a 18-hole stroke play event with a 10 a.m. start. The entry fee is $25 per person, and prizes will be awarded to the top three winners.

For more information on the tournaments, contact the club directly or visit their website at www.clintoncountryclub.com. The club is located at 123 Golf Club Rd, West Bloomfield, MI 48323.
Bicycle problem

St Johns has a bicycle problem. That problem could be attributed to several reasons: lack of a bike path, lack of awareness, and a large number of motor vehicle drivers. Absence of a bike path has led to many instances, where pedestrians were hit by cars.

St Johns Police Dept has said they are aware of the problem and hope to get the issue resolved soon.

Insufficient lighting at night is also creating a hazard on the city streets. Bicycles are required to have lights and reflectors, but many children and their bikes have been injure due to lack of proper lighting.

Another problem is the lack of proper监管. Several instances have been witnessed of bicycle riders not following the traffic rules.

Upper Class

Wants an 'upper' home

A lot of things today, but I want to share something else with you. Some of the best homes are located in the Upper Class neighborhoods.

The best homes in the Upper Class neighborhoods are located in the heart of the city. You will find beautiful landscaping, swimming pools, and even tennis courts.

The homes in the Upper Class neighborhoods are well-maintained and have everything you need for a comfortable life.

They are located in the heart of the city, making it convenient to go to work, school, and other places.

If you are looking for a home in the Upper Class neighborhood, give me a call and I will arrange a viewing.

A series explaining "how much" and why

This week - What about the red meat crisis?

Agricultural Economist Marvin Hayenga says that consumer meat price hikes in 1989 were increased by 20% in the first part of the year. Each of these factors accounted for increased meat demand, increased prices, and increased supplies.

Demand for meat rose early February due to the following factors: increased labor efficiency is improving production; increased consumer incomes are expanding demand; increased demand for imports increases prices high and grain prices; the dollar devaluation in early February meant increased costs of production. The dollar devaluation in early February meant increased costs of production, increased labor efficiency is improving production. The dollar devaluation in early February meant increased costs of production. The dollar devaluation in early February meant increased costs of production.

Increased demand for red meat may have been caused by higher prices of other meats due to limited import supply of pork. A 10% more for imports that Americans would pay for imported pork means that U.S. exports will be increased by 20% in the first part of the year. Each of these factors accounted for increased meat demand, increased prices, and increased supplies.

Another factor in the pork market was the higher prices for those two red meat items. Consumers may still protest the red meat boycott was larger but that impact is probably limited imports, devalued the dollar, operated deficit programs also bring about increased pork prices, market uncertainty. Cattle calf producers' profits are limited imports, devalued the dollar, operated deficit programs also bring about increased pork prices. Market uncertainty may also help increase wages, thereby slow the rate of labor efficiency is improving production.

To sum up the meat market uncertainty may also help increase wages, thereby slow the rate of labor efficiency is improving production. The dollar devaluation in early February meant increased costs of production, increased labor efficiency is improving production. Hayenga projects ceilings supply shortages in the fall market. If the boycott forewarns a longer-run reduction, in hay prices paid by feedlot operators to cut production. Hay prices paid by feedlot operators may also increase. But for the consumers' part, and demand great in other import countries. Cattle supplies are increasing, but that impact is probably.

Planning construction? Look first at soil maps.

If you're looking for the right balance between a new home and the environment, soil maps can be a valuable tool. By examining soil maps, you can determine the best location for your new home, as well as any potential restrictions on the construction site. Soil maps provide information on soil type, depth, and moisture content, which can affect the stability of the foundation and the potential for flooding or erosion. They can also help you identify areas that may require additional soil testing or stabilization to ensure a safe and sustainable home. So, before you start planning your new home, it's important to consult soil maps to ensure you're making the most informed decisions.
DeWitt Township minutes

Synopsis of the Regular Meeting of the DeWitt Township Board held June 18, 1973 at the DeWitt Township Hall, 611 W. Michigan Road, Lansing. The meeting was called to order at 8:04 P.M. by Dale S. Emerson, Chairman.

The meeting was adjourned at 9:30 P.M. by Dale S. Emerson, Chairman.

DeWitt - After 15 years in the hardware business, Gary Dalman started his own store and called it Dalman Hardware. The store, located on DeWitt Road, has been a landmark for residents of DeWitt Township for many years. The Dalman family has owned and operated the store for over 30 years, with the current owner, Gary's son, continuing in the tradition of providing quality products and excellent service.

Dalman Hardware changes hands after 35 years

In an unexpected turn of events, Gary Dalman, the current owner of Dalman Hardware, has decided to pass the business down to his son, who will be taking over the store in the near future. This news has come as a shock to many in the community, as Dalman Hardware has been a fixture in DeWitt for over three decades. The Dalman family has built a strong reputation for providing high-quality products and outstanding service to their customers.

The transition of ownership is expected to take place in the coming weeks. The family is currently working on the details of the transfer, including inventory and customer records. Gary Dalman has expressed his excitement about handing the reins to his son and is looking forward to seeing the store continue to thrive under new leadership.

The move is not without challenges, as the family must navigate the complexities of transferring ownership. However, the Dalman family is committed to ensuring a smooth transition and is confident that their son will carry on the tradition of excellence that has made Dalman Hardware a beloved business in DeWitt Township.

In the meantime, the community is encouraged to continue to support Dalman Hardware and to look forward to the future under new ownership. The family would like to thank all of their customers for their support and loyalty over the years and is hopeful that the community will continue to be a part of their family business.

How schizophrenia is treated

by June J. Linhan, MD

Director of Psychology Services, Wisconsin Institute for Psychiatric Research

I, for one, feel that mental illness is a medical condition. The brain is part of the body, and the body has to be healthy if there is going to be mental health. Mental health is something that everyone needs, just as physical health is something that everyone needs. Mental health is not a choice; it is a part of life.

The problem of schizophrenia is a complex one, and it is not easy to explain. Some people believe that schizophrenia is caused by a genetic defect. Others believe that it is caused by a chemical imbalance in the brain. Still others believe that it is caused by a combination of both genetic and chemical factors. Whatever the cause of schizophrenia may be, it is clear that it is a serious disorder that can have a profound impact on the lives of the people who suffer from it.

There is no cure for schizophrenia, but there are treatments that can help to manage the symptoms. The most common treatment for schizophrenia is medication. There are several different types of medications that can be used to treat schizophrenia, and the best one for a particular person will depend on their individual needs. In addition to medication, there are also other treatments that can be used to help people with schizophrenia. These treatments may include psychotherapy, family therapy, and social skills training.

It is important to remember that schizophrenia is not a mental illness. It is a physical illness that affects the brain. Like any other physical illness, it can be managed, but it cannot be cured. The goal of treatment is to help people with schizophrenia to live as normal a life as possible, and to help them to cope with the challenges that they face.

So, if you are someone who is dealing with schizophrenia, please know that you are not alone. There are many people who understand what you are going through, and there are many resources available to help you. Please reach out for help, and please do not be afraid to ask for it.

Don't think of them as 50 store managers.

Think of them as 50 pairs of sympathetic ears.

They're terrific grocery men. We think they're the best.

They're good listeners, too. It's their job to give you a voice in what Kroger should do to serve you better.

Want a change store?

Want to see a change carried that isn't in our stores? Tell our manager.

So you find an employee a bit curt? Are you not getting all the help you expect? Tell our manager.

What are Bonus Bargains?

When you see an "X" next to an item in Kroger's job or store, you ensure a Bonus Bargain, good for a limited time and made possible by a special purchase or a manufacturer's allowance or a seasonal market condition.

**RESOLUTION**

Resolved, that the Clinton County Board of Commissioners be and is hereby authorized to reemploy Charles French to be Sheriff of Clinton County, Michigan, for the term of three years from April 10, 1973, and that the terms of office of Charles French and of all other persons shall be continued in the same order until such time as he shall resign or for any reason cease to hold the office of Sheriff of Clinton County, Michigan.

dated April 10, 1973

COUNTY BOARD OF COMMISSIONERS

The Clinton County Board of Commissioners met at 9:00 A.M. on Tuesday, April 17, 1973 at the County Buildings in St. Johns, Michigan.

**Meeting Adjourned.**
RUSS — We wish to thank our family and friends who helped to make our 25th wedding anniversary such a memorable occasion. A special thanks to the ladies of the Women's Fellowship who decorated the church and assisted in the kitchen, to Edith Oberlin for the beautiful cake, and to our children who hosted this affair. We shall always cherish the memories of this day with our family and friends. God Bless each of you always.

Mr and Mrs Frank Ruess

LIGHT — I would like to thank Dr Russel and nurses, aides, and personnel for their excellent care while in the hospital, Rev. Johannides for his calls and prayers, relatives, friends, bridge clubs, Eastern Star, Templar, Ladies Aux., for flowers, plants, and gifts. Alice Brook for planting all my plants, I appreciated it all very much. May God Bless you all.

Margaret Light

SONIER — We want to thank all you people who did so many nice things to make our 50th wedding anniversary such a wonderful occasion. We do appreciate the gifts, flowers, gifts of money and beautiful cards. A very special thanks to daughter, son-in-law, and grandchildren for the love and labor that went into the planning and preparation of the affair. Also a special thanks to the girls who served and to everyone who helped in anyway. May God love and bless each, and everyone of you.

Ed and Laura Sonier

BATES — The kindness of the neighbors, friends and relatives, the expressions of thoughtful sympathy, the beautiful flowers and cards, the calls, the food, the Memotal flowers will always be a precious memory. A special thanks to Rev. Claude Ridley for his comforting service, the ladies of the WSCS who served the lunch. Many, many thanks to all.

Mr and Mrs Donald and Family

Mr and Mrs Lloyd Bates and Family

Mrs Dorothy Gishhall

May we take this method of thanking our neighbors, friends, Rev. Johannides, the Ovid Nursing Home and Osgood for their expressions of sympathy in our bereavement. These expressions have been deeply appreciated.

Brothers and sisters of Earl Payne

BAST — I wish to thank the principal and staff at Swegles School also custodians, maintenance and bus drivers, also Mr. Bakia and children on Bus #7 for the parties, gifts, fruit, letters and cards. I have received at the time of my retirement from St. Johns Public Schools. Thank you everyone.

Isadore Bast

We would like to sincerely convey the appreciation of the community and Ovid and Middlebury fire departments for the help at the time of our fire.

Mr and Mrs Duane Fruckey and family

CROWELL — Twin Oaks Golf Course wishes to thank all the golfers who came out and contributed so generously to our Golf for Cancer outing in memory of our daughter, Penny. A special thanks to all those who contributed to the bake sale, WRBJS of their wonderful cooperation in covering the event all day on the radio, Clinton County News and the Reminder for the advertisement, all our club members who made special contribution, to Bertline Thelen, Margaret Crowell and Delores Westfield who stayed out all day and helped to make this a success, God Bless All.

Jerry and Gaylord Crowell
