Deny request for landfill

DeWitt Township supervisors on Monday voted to deny Metropolitan Land Fill and Recycling Corporation's request to build a landfill at the site "because there wasn't enough land".

The citizen of the township at the meeting gave their input to the proposal of having a landfill near them. As one resident who lived on Paulson Road has 17 years left and the other one that he operates on is a mile and a half south of there, Handyside said that the people there don't want some dump across the street.

DeWitt Twp did not receive a non-refundable equalization to the State Tax Commission, although DeWitt Twp did not receive a non-refundable equalization, Supervisor in DeWitt Twp took over the duties in that township. Three and a half years ago in the township's budget, the citizen of the township at the meeting gave their input to the proposal of having a landfill near them. The new site would surround the rest of the perimeter.

4-Hers visit North Carolina

DeWitt resident, 4-H member, and county extension agent, Anne Smith, reported on her recent trip to North Carolina.

The trip included a visit to the University of North Carolina at Chapel Hill, where the group had a tour through some of the campus buildings.

Dewitt residents put in water and electrical lines from the street to the lot at the city's new Waterfront Park. The work was done by the city's Public Works Department. The project was funded by a grant from the National Park Service.

North Bengal

Miss Paisley Hall, a 19-year-old daughter of Mr. and Mrs. Mercedes Hall of Bengal, left on a trip to Europe last week.

The trip is expected to last for six months and will include visits to several countries in Western Europe.

A test flight was held last week to determine if four new firemen could handle the situation. The test flight was conducted by the city's Fire Department.

The end of living

The following was originally sent in a letter to President Franklin Pierce in 1852. The author was Chief Menomini of the Dwanish Tribe in Washington. The words have been reproduced by the Menomini Tribe.

"The Chief said the Menomini sends word that he wishes to buy our land. How can you buy or sell the sky - the warmth of the land? The idea is absurd. Even my feathers are no money. Yet we do not own the earth our great-great-grandfather's needle, every sandy shore, every mist in the dark woods, every cliff and hummock. This earth is holy in the memory and experience of my people.

"But I've told my son and daughter that we will never sell. I will walk to the land's edge and throw stones at the buyers."

Chloe’s Column
Food buying facts

ChloePadgett
Clinton County Home Economist

Shopping with your family can be an educational experience, but 1 am glad I plowed the
turnip patch in the front yard. I learned my
first lessons about the importance of
money and the value of a dollar when I
was 6 years old. My dad taught me that
money was earned and that it was neces-
sary to save some of it for a rainy day.

When I was about 8 years old, I
learned that food was a basic need of
human existence. I was taught that
food was necessary for life and that
without it, we would not be able to
survive. I was also taught that food
was a precious commodity and that
it should be treated with respect.

When I was about 10 years old, I
learned that food was a source of
energy. I was taught that food was the
fuel that powers our bodies and
allows us to carry out our daily
activities. I was also taught that
food was a source of nourishment and
that it provided the necessary nutrients
for growth and development.

When I was about 12 years old, I
learned that food was a way of
communication. I was taught that
food was a way of expressing love and
affection through gestures and acts of
kindness. I was also taught that
food was a way of organizing
social events and gatherings.

When I was about 14 years old, I
learned that food was a way of
expressing cultural identity. I was
taught that food was a way of
preserving and passing on
cultural traditions and values.

When I was about 16 years old, I
learned that food was a way of
expressing personal identity. I was
served that food was a way of
expressing individual preferences and
tastes.

In keeping with today’s column,
I want to talk about the
importance of food buying
facts. I think it is important to
understand the basics of
food buying and
the different types of
food available.

There are many different types of

Notice is hereby given that the GENERAL PRIMARY ELECTION will be held in the Township of Dewitt, County of Clinton, State of Michigan on TUESDAY, AUGUST 6, 1974 from 7:00 a.m. to 8:00 p.m. for the purpose of voting to nominate candidates for the following offices:

Governor; Representative in Congress; State Senator; State Representative; County Officers; Delegates to the County Conventions; and Township Officers.

Also to be nominated are Judges of the Court of Appeals, Circuit Judge, District Judge, and such other conditions both partisan and non-partisan as may be required by law.

Also to be voted on will be State Proposals and the following Township Proposals:

SHALL DALE L. EMERSON BE RECALLED FROM THE OFFICE OF DOWNTOWN TOWNSHIP SUPERVISOR?

Yes
No

STATEMENT OF THE PETITIONERS

Dale L. Emerson, acting in his capacity as Supervisor of Dewitt Township, continually fails to devote full time to his duties. The Township Supervisor, has sanctioned an arbitrary and improper adjustment of sewer use rates within the Township. He has arbitrarily and without cause discharged the Police Chief of Dewitt Township, and has failed to maintain proper communications with the residents of Dewitt Township.

STATEMENT OF DOLLY B. SYVENDOR

The changes of the petitioners are totally incorrect. They are not based on facts and have been made even though the facts show the opposite to be true. I believe the facts of the matter will show:

A. I have devoted more full-time to my duties. I normally work at least 50 hours per week.
B. I have not made any adjustments in the sewer use rates. The present rates were established prior to my taking office and have remained the same ever since.
C. I was lead to discharge the Police Chief because he repeatedly violated the rules of proper conduct. He consistently refused to cooperate with other departments within the Township and County. He failed to follow directives concerning the operation of his department; and he continually lied about his activities as Police Chief.
D. I have never refused to listen or talk with my citizens of Dewitt Township or anyone else. I have repeatedly supported ideas for improved communication and have made every effort to provide all information requested of me.

SHALL DONNA B. SYVENDOR BE RECALLED FROM THE OFFICE OF DOWNTOWN TOWNSHIP CLERK?

Yes
No

STATEMENT OF THE PETITIONERS

Doreen E. Simmons, acting in her capacity as Clerk of the Township of Dewitt, has sanctioned an arbitrary and improper adjustment of sewer use rates within the Township. She has arbitrarily and without cause discharged the Police Chief of Dewitt Township, and has failed to maintain proper communications with the residents of Dewitt Township.

STATEMENT OF DONNA B. SYVENDOR

I submit all three charges against me, as Trustee for Dewitt Township, are completely unfounded and totally false, as follows:

CHARGE I. The present sewer use rates were established before my election to office.

CHARGE II. In fulfilling my duties and obligation as Trustee of Dewitt Township and as one caretaker of the tax monies and rightful interests of its residents, I voted to discharge the Police Chief for the following reasons:

A. Misclassification of records.
B. Attempted falsification of records.
C. Dishonesty.
D. Incompetence.
E. Illegal use of license plates on his personal vehicle.
F. Removal Police Department files to his residence, without returning same.
G. Used Township facilities, offices and equipment for personal gain and outside business.
H. Attempted or misused to obtain essential departmental supervision and accountability.
I. Liased with, or aided, with or supported by any law enforcement agencies or other persons for private advantage, or otherwise.

SHALL EILEEN M. CORLI BE RECALLED FROM THE OFFICE OF DOWNTOWN TOWNSHIP TRUSTEE?
