Bath supervisor to resign?

Grocery supply of other goods, he said, a visible sign of the shortage.

Knapp said last week the company couldn't make full-time commitments, and blamed the shortage on some which were too small.

Thursday, Aug 13

Put all numbers with names enclosed in Fair Office.

For riders, Dan Fisk said that the 26-kilometer route will be designed to accommodate riders of all ages and abilities.

Bike rodeo set for Aug 14

ST JOHNS - A bike rodeo for boys and girls will be held Aug. 14 at the fairgrounds.

The event was sponsored by the St. Johns Jaycee, a group formed in the 1990s to promote community events.

Major chains claim Beef shortage critical

By Larry Horne, City News writer

Supermarkets in the area have run out of beef, and Johnson's, one of the largest chain stores, is reporting a significant shortage.

The shortage is due to a drastic shortage of beef, which could lead to the disappearance of some crops, according to the Department of Natural Resources.

With the 4-H fair, scheduled for Aug. 15, officials are trying to ensure that all exhibits are prepared in time.

The fair will feature a bicycle rodeo, a horse show, and various judging events. Dates and times are:

- 10 a.m.: Horse show
- 1 p.m.: Judging of crops, woodworking
- 2 p.m.: Tractor operator's contest
- 11 a.m.: Demonstration and Action (cooking and crafts)
- 8 p.m.: 4-H All Star softball game, Green White League, City Park

Fowler Jaycees feature 28 teams in Annual Softball Tournament

The 1973 Slow-pitch Invitational Softball Tournament begins Monday, Aug 13 at 7 pm at the St Johns Civic Grounds. Twenty-eight teams are competing in the 1973 Slow-pitch Invitational Softball Tournament, the biggest in the history of the state. The tournament will continue through Aug 29 when the 3d round will be Aug 22 at 7 pm, Aug 23 at 9:30 pm, and Aug 29 at 7 pm. Following an elimination round Aug 29 at 7 pm, the championship game Aug 30 at 11:30 pm will ensue. It is necessary that the admission for all games is $1.00 with children under 14 admitted free.

Bloodmobile

Clinton to have 82,506 by 2000

The population for the Clinton County Regional Planning area is expected to be 82,506 by 2000, according to Commission (TCRPC). Freel, senior data systems analyst for TCRPC, said that the projection areas include DeWitt Township, and the nine charter townships of Lansing County

Possible Causes

Possible causes could include changes in the method of computation, birth control methods, more women entering the labor force, and less women leaving. The regional population by one percent every five years is expected to be 138,345 for Ingham County; 138,345 for Clinton County, and the nine charter townships of Lansing County.

In 1970, Ingham County represented 18.2 percent of the regional population; Eaton County; 15.8 and 21.1 cu. ft. of freezer space, the same as 1960. This includes 200 ways to make this area of the country more exciting, comfortable, and convenient.

Cindy Lou Searles
bride of Joseph Gellor

Wedding vows uniting Cindy Lou Searles, daughter of Mr and Mrs William D Searl of St Johns, to Joseph Gellor of Freeland, son of Mr and Mrs Floyd Gellor of Freeland was held Sunday, July 29, at the Fowler Chapel of the St Johns Free Methodist Church. The Rev Richard Gleason performed the ceremony before an altar adorned with white mums and baby blue carnations.

The bride was given in marriage by her mother, Mrs Irene Breiller of Birch Run.

The bride is the daughter of Mr and Mrs William D Searles of St Johns.

The groom is the son of Mr and Mrs Floyd Gellor of Freeland.

The bride is a 1972 graduate of St Johns High School. The groom is employed as a sales representative for the St Johns Hardware Co.

The wedding trip to northern Michigan and Mackinac Island.

ST JOHNS -- A free immunization clinic will be held at the Congregational Church basement, located on the corner of State and Main St, on Wednesday, Aug 9, beginning at 9:00 a.m. All shots will be administered by nurses from the St Johns Health Department.

ST JOHNS -- The 4-H Fair is set for Aug 9 in St Johns. The fair is sponsored by the Clinton County Farm Bureau.

A tentative teachers agreement has been reached with the Clinton County Teachers Association.

The American Cancer Society is seeking volunteers for its annual Pink Ribbon Day.

ARCHITECTS DRAWING OF NEW OVID CHURCH

Holy Family Catholic Church breaks ground for building

A groundbreaking ceremony was held Monday, August 9, at Holy Family Catholic Church on Old Highway 12. The new church, scheduled to be completed by January 1974, is estimated to cost $150,000 and will seat 300 people. The church was designed by Architect Charles Blacker Bruner of Detroit.

Margaret Kline and Marty Sjogren returned to paper the Sunday School Mission in her new home recently built on a high hill overlooking the lake. Father Joseph Dodson and a group of people accompanied the newlyweds to their new home.

Tibbott, husband of Priscilla, is the former Jeanene Dunaway. They are planning a large Polka Association dance in the Ovid VFW post on August 29th, with entertainment by the Polish Polka Club which is located 4 miles away. The dance will begin at 8 p.m.

Waggoners hold annual reunion

MRS. NEVA KEYS

The annual Waggoner reunion was held recently with a weekend camping at the Ramona Ranch Club and the Wheatland Club, with the final gathering at Harry's Ranch Club.

Margaret Kline and Marty Sjogren returned to their home in Wijhe, Holland, after a week's trip to New York City, with Barbara Williams of the New York Times and William_A. Goodwin, who also attended the Saturday evening reunion. Mr. and Mrs. Williams, who have two children, ages 10 and 12, enjoyed the trip.

Clintondale obituaries

Leonard Smith

William J. Smith, 78, of Clinton Township, died July 14 at Oakland Hills Hospital in Royal Oak following a brief illness.

William, son of Thomas and Alice Brown Smith, was born in Clinton, Moro Township on Dec. 24, 1921. He married Mary Z. Litchfield on Oct. 27, 1943, and they were the parents of Mrs. William (Linda) Novak of Southfield, and William E. Smith, of Clinton Township. William was a farmer and had also worked for T. J. Finkbeiner's Laundry in Clinton before his retirement.

Mrs. Smith is survived by her 3 children, 9 grandchildren, 12 great-grandchildren, and 1 great-great-grandchild. She was preceded in death by her husband, William, and her parents. Memorial services will be held at 10 a.m. on Aug. 2 at the Clinton Township Cemetery. The family will receive friends one hour prior to the service at the Clinton Township Cemetery. In lieu of flowers, donations may be made to the Clinton Township Food Pantry.

Robert Allan

Robert Allan Good, of Clinton Township, died July 14 at 6:30 a.m. at his residence following an illness.

Survivors include his mother, Minnie Good of Clinton Township; his father, Harold Good of Clinton Township; 2 brothers, Frank Good of Clinton Township and Leonard Smith of Clinton Township; 7 sisters, Catherine Good of Clinton Township, Dorothy Good of Clinton Township, Elizabeth（Atkinson）Good of Clinton Township, Pauline Good of Clinton Township, Margaret Good of Clinton Township, Winifred Good of Clinton Township, and Agnes Schomisch of Clinton Township; and 5 grandsons. He was preceded in death by his parents and a brother, Donald Good.

Robert Good

Robert Good, 72, of Clinton Township, died July 14 at 6:30 a.m. at his residence following an illness.

Survivors include his wife, Muricia Good; his son, Robert J. Good of Clinton Township; 6 grandchildren; and 7 great-grandchildren. His parents, John and Agnes Schomisch of Clinton Township, preceded him in death.

Hearings announced on controversial bill

Hearings will be held Aug. 9 and Aug. 11 to receive testimony on a controversial bill, referred to as “the State Land Use Plan.” The bill, which was introduced by the Clinton County Commission on July 1, would require local governments to prepare land use plans that would be subject to public hearings and approval by the state commission.

The bill was introduced by Rep. Robert R. Good, 23, of Westphalia, in response to concerns expressed by residents of towns and counties on the subject of land use planning.

Under the present form of the bill, the Commission on Land Use would be created to review and evaluate land use plans, and to provide guidance to local governments. The Commission would also have the authority to make findings and recommendations on land use plans, and to make recommendations to local governments on how to implement the plans.

The bill has been met with mixed reactions from local governments, some of which have expressed concerns about the potential impact of the bill on their ability to make decisions on land use.

County Commissioners ponder status of Civil Defense director

ST JOHNS - Pacing a cut in military funds, the County Commission cut the budget for the Civil Defense director by 25%.

The cut was made at the recommendation of County Manager Maurice Gove, who said the current budget of $3,000 was too high for the position. The new budget will be $2,250.

The board has not yet decided on how to handle the Civil Defense director's duties. The current director, Robert Allan, has been appointed to the position by the commissioners.

Holy Trinity picnic features ox roast

FOLES - Plan is well underway for Holy Trinity Church to host its annual ox roast, which will be held Aug. 12 at the church. The event is expected to attract a large crowd, with proceeds from the ox roast going to support the church's annual fund.

The ox roast will feature a variety of foods, including roasted ox, sausages, and breads. The event will also include music and entertainment, with a live band playing throughout the evening.

The ox will be roasted on a spit, and the meat will be served with a variety of sides, including vegetables and potatoes.

If you spend less than another family for funeral services, you have no private insurance. Also, if you (or a surviving spouse) survive at least one year, and if your family has been the victim of a wrongful death, you will be entitled to at least one year of the payment amount. It is also important to consult with your attorney to determine your rights.

**Entomology—more than raising insects**

By Kathy Maloney

"Entomology What's it all about?" This is a typical conversation between a parent and 4-H Entomology project member.

According to Webster, "Entomology is the branch of zoology that deals with insects and their classification and economic importance in the life of man."

Entomology is broad and may include such areas as pest control, pest management, and insect detection. In this article, we will focus on pest control.

In the past, pest control was primarily done by spraying chemicals. However, today, there are more eco-friendly ways to control pests. One such method is using insects to control other insects. This is known as biological control. Biological control uses natural predators to control pests. For example, ladybugs are used to control aphids because they eat aphids.

Another method of pest control is using plants that repel insects. For example, marigolds are known to repel aphids and other pests.

In conclusion, pest control is an important part of our lives. By using eco-friendly methods, we can help reduce the amount of chemicals needed to control pests.

**Eggplant anyone?**

As a leader in boy scouting for 16 years and scoutmaster of Troop 71 for 12 years, John Williams has given countless hours to the boys in the community. He has been active in the development of the spring and fall "Camporee" outings at the District Round Table meetings and these deep involvement in scouting have been a part of all. The best part is that whatever a person wants to experiment with there is usually someone around to compare notes with or to ask questions. To some it means rearing caterpillars and butterflies and moths. These spiders are very rare insects and to others, in plastic for a permanent display.

The 4-H entomology project has meant all of these things and many more to John. Last winter I started rearing crickets and used them for an Entomology project. This summer I am rearing 2 tarantulas and I am handling and providing for an Entomology project. I am a member of the St. Johns Community, which is a member of the Clinton National Bank and Trust Company A.D.C.

---

**CLINTON NATIONAL BANK & TRUST CO.**

This Is John Williams Week

As a leader in boy scouting for 16 years and scoutmaster of Troop 71 for 12 years, John Williams has given countless hours to the boys in the community. He has contributed unselfishly of his time, being many kind of work for the boys. High profile events or small community projects. John has been active in the development of the spring and fall "Camporee" outings at the District Round Table meetings and these deep involvement in scouting have been a part of all. The best part is that whatever a person wants to experiment with there is usually someone around to compare notes with or to ask questions. SOMETHING'S WRONG

SEVERAL YEARS AGO WHEN MICHIGAN LEGISLATORS WERE BIDDING FOR SALARY INCREASES, THEY ARGUED THAT LEGISLATION HAD BECOME A FULL-TIME JOB AND MERITED PAY IN LINE WITH THAT OF THEIR PRIVATE SECTOR COUNTERPARTS.

ANOTHER CONTENTION WAS THAT HIGHER SALARIES WOULD LURE TALENTED INDIVIDUALS AWAY FROM MORE ATTRACTIVE OPPORTUNITIES IN THE PRIVATE SECTOR AND REDUCE THE DELEGATED LEADERSHIP THAT HAS CAUSED MADDENING DELAYS ON THE FLOOR. ESPECIALLY WHEN SALES TAXES OR GASOLINE LEVIES—BUT NOT TAX REVENUE TO ANY APPROPRIATION—WON'T KEEP GIFTED INDIVIDUALS AROUND LANSING.

WHEN IT TAKES MORE THAN 6 MONTHS TO DETERMINE WHAT THE BUDGET'S GOING TO BE, SOMETHING'S WRONG. AND THE PROOF OF THE CITIZENSHIP IS NOT BEING SERVED. THIS IS THE POLITICAL PROCESS AT ITS WORST. AS FOR CHAPTER 2, AS LONG AS BULL-HEADED LEADERSHIP INSTITUTES ON CAUSING DELAY AFTER DELAY, ALL FOR THE SAKE WE SUSPECT OF POLITICS, THEN ULTIMATELY NO SALARY WILL BE HIGH ENOUGH TO KEEP GIFTED INDIVIDUALS AROUND LANSING.

ANOTHER CONTENTION WAS THAT HIGHER SALARIES WOULD LURE TALENTED INDIVIDUALS FROM HIGH PAYING PRIVATE ENTERPRISE JOBS TO LEGISLATIVE SERVICE, THUS UPGRAADING THE OVERALL QUALITY OF THE LEGISLATIVE BRANCH.

AS FOR CHAPTER 2, AS LONG AS BULL-HEADED LEADERSHIP INSTITUTES ON CAUSING DELAY AFTER DELAY, ALL FOR THE SAKE WE SUSPECT OF POLITICS, THEN ULTIMATELY NO SALARY WILL BE HIGH ENOUGH TO KEEP GIFTED INDIVIDUALS AROUND LANSING.

Photography is a valuable learning experience

by Diane Vitek

A skill which previously was thought of as the best way to spend time or a hobby, has now become an important aspect of our lives. In this fast-paced world, it is important to take time for ourselves and do something we enjoy. Photography is one such activity that can provide a great deal of satisfaction and personal growth.

The benefits of photography

Photography is a valuable learning experience in so many ways. Here are some of the benefits: 

1. Creativity: Photography allows us to express our creativity in a unique way. We can capture the beauty of nature, the artistry of architecture, or the emotions of people.

2. Knowledge: Photography teaches us a lot about the world around us. We learn about different cultures, landscapes, and unique perspectives.

3. Skill development: Photography requires skill and practice. It teaches us how to focus, compose, frame, and edit photos. These skills are valuable in many other areas of life.

4. Emotional well-being: Photography can have a positive impact on our emotional well-being. It can help us relax, de-stress, and feel more connected to the world.

5. Personal expression: Photography is a platform for personal expression. It allows us to share our unique perspectives and experiences with others.

The cooperation of everyone the Green Acres 4-H Club.

sorted and smashed for the glass containers. The glass recycled to date of the month is 501,280 pounds. This glass would not be available to us if we had not participated in the Michigan 4-H Dog Show.

Lori Webster, Webster, Sandy Waggers, and Debbie Webster, members of the Tail Waggers 4-H Dog Club, were interested in participating in the 4-H Dog Show. The members of the Tail Waggers Club have worked very hard preparing for the show. They participated in the show, but did not place in the top ten. They did not feel that they had put enough effort into their efforts to place higher. They had put a lot of time and effort into preparing for the show. They had trained their dogs very hard. They had spent a lot of time with their dogs, teaching them how to do tricks and how to perform in front of an audience. They had also spent a lot of time practicing in their backyard, trying out different tricks and moves. They believed that if they had had more time to practice, they would have been able to place higher. They were very disappointed with their results, but they were not discouraged. They were looking forward to participating in the show again next year. They were planning to put even more effort into their preparations for the show. They were very grateful to have had the opportunity to participate in the show. They were very thankful to have had the opportunity to learn more about dogs and how to train them. They were very grateful to have had the opportunity to spend more time with their dogs and to see how happy they were to perform. They were very grateful to have had the opportunity to interact with other people who were interested in dogs. They were very grateful to have had the opportunity to participate in the Michigan 4-H Dog Show.
Discover wildflowers

By Lisa Foy

Studying wildflowers is a lot more than just finding a pretty flower that we find.

We learn to identify the beauty of our community.

Did you know that the protected ones are Trillium, and so it is against the law to damage them.

One of the prettiest flowers from the shapes of flowers in our state. We learn more about them through the study of their structure, characteristics, and attributes.

The second year student group carried the story to more places in their habitats and wrote a story to be displayed and judged.

After the 13th year old has learned about Food for Fun, she may continue in the 14-18 program to be held in the fall. The four food groups. Food for Fun teaches the student to become different ways of preparing food, and all that she knows is learned first in Food for Fun. This course is then repeated with each new member.

After the 4-H'ers learn the basic food preparation, then they may enter Sophomore through Exploring Foods group for the next two years. And now they are ready for the 14-18 program to be held in the fall. For some, they may wish to be directed in choosing the right path in learning about food. For others, different kinds of food are used in the right way, the more they are able to prepare better meals. For those who are interested in learning more about food, it is important to get the best out of food. We try to make more of the things we can eat.

Good health is an asset to 4-H Club members and their leaders in Clinton County for their many achievements.

Without good health, progress in 4-H Club work is next to impossible. That's why the 4-H'ers stress keeping physically fit. We are proud to play a role in the health of Clinton County by providing competent leaders and extend our best wishes for a successful Fair.

YESTERDAY is a Dream...
TODAY is a Reality...
TOMORROW is a Vision...
For a BETTER TOMORROW...
Join a 4-H Club Today!
We Salute the Clinton County 4-H Clubs on their 36th year of 4-H work

We proudly hail the Clinton County 4-H Clubs, 36 years young, who are preparing themselves for a better future through 4-H club activities.

We wholeheartedly endorse the 4-H program...it is accomplishing wonderful results which mark it as a definite asset to our great nation!

Learn to crochet

In the 4-H Plastics Club, I have been involved in many exciting projects. Right now I would like to share with you one project I have been involved in. Do you know how to hold a pair of scissors? If you do, you are able to do more with them than just cut paper. I often think of the time when I was a little girl and my mother would sit with me and we would make scarves, handbags, or even hats. It was a fun way to learn about different materials and how to use them to create something beautiful.

During my time in the 4-H Club, I learned the art of crocheting. I started with basic stitches like single crochet, double crochet, and slip stitch. As I practiced and mastered these techniques, I was able to create more complex patterns. I still remember the feeling of accomplishment when I finished my first project, a handmade scarf for my grandmother. It was a simple project, but it taught me that with practice and patience, I could accomplish anything.

Now, let's talk about the dyes and materials involved in this project. To do a pysanka, you will need an egg, a picture or design, and a stylus or pen. If you don't have access to these materials, you can use colored pencils or markers instead. The egg should be fresh and clean, and it's important to wash your hands before and after handling it to avoid fingerprints.

To prepare the dyes, you will need a few different colors of dye. Be sure to mix them together and avoid fingerprints. Use a clean cloth or tissue to wipe the egg clean. After you have the materials together, you can start the process. This involves placing the egg in a hot wax bath and then removing it to cool. The remaining wax is then removed, and the egg is painted or drawn on using the colored dyes.

Now that you have the technique down, let's talk about some of the different designs you can create. The pysanka technique is popularly used in Ukraine and is called pysanka, which comes from the Ukrainian word for "egg." It is a traditional craft that has been passed down through generations.

There are many different designs you can create using the pysanka technique. Some are more complex than others, but with practice, you can create beautiful pieces. The pysanka is often used as a symbol of remembrance and hope to see a lot more girls involved in this craft. I think it's such a fun and interesting way to learn about different cultures and traditions.

In conclusion, the pysanka is a beautiful and traditional craft that can be enjoyed by people of all ages. It is a wonderful way to learn about history and culture, and it can also be a fun and creative way to express yourself. Whether you are a beginner or an experienced crafter, the pysanka is a craft that can be enjoyed by all.

Card of thanks

BURWELL — The family of Mrs. Frank Burwell would like to gratefully acknowledge all of the various acts of kindness expressed by all of our friends and relatives during the time of our mother's illness and ultimate death. Our thanks and appreciation go out to Dr. Russell and Dr. Groat and to the staff of Clinton Memorial Hospital for their very fine care and concern in caring for our mother. Also, to Father Hankerd for conducting a warm and meaningful service. To the Osgood Funeral Home for attending nicely to all the details. A special thank you to Mrs. Gladys Heizle and her fine staff of the Rivard Home. Thank you too, to all of the neighbors and friends for their gifts of flowers and food sent to the home and to those very thoughtful people who helped and arranged a very lovely dinner for the family on the day of the funeral. Words are only a symbolic expression of gratitude, but kind deeds live on in the heart forever.

15-p-30

ARCHER — The family of Fern G. Archer wish to extend our heartfelt thanks to our friends, relatives and neighbors who remembered us with their help, food, flowers, memorial cards and words of sympathy at the time of the loss of our beloved mother, grandmother and great-grandmother. We extend a special thanks to the Clinton Memorial Hospital for their wonderful care. Drs. Russell and Groat, Rev. Churm, the Osgood Funeral Home and the ladies of the Maple Rapids United Methodist Church for the fine lunch served, Kenneth Winters for the song that she requested and the Pallbearers.

Sharon E. Grammer

Agatha & Leonard Jily

Manette, Tony & Janie Fenstel

15-1-p-30

FOX — I wish to thank Drs.

Brown, Jordan and Smith, nurses and aides for their wonderful care. Also Father Schmidt and Mother, Pastor for their blessings and visits. I also wish to thank my family, parents, relatives, neighbors and friends for the prayers, flowers, visits, cards and food. It was all greatly appreciated. A special thanks to Mr. Eldon and Bert Post, owners of the Millikan Elevator and Mr. and Mrs. Virgil Zeeb for their beautiful floral arrangements. It is nice to know someone cares and your acts of kindness will always remain a memory to cherish. Thanks again to everyone.

Mrs. Ernestine Fox

15-2-p-30

NUNEMAKER — We thank

our friends for the thoughtful, loving things done for us during the loss of our husband and father, Daniel Nunemaker. He was loved by us all. We are appreciative of the special services of Dr. Stephenson, the staff of the Osgood Funeral Home, our pastor, Rev. Calvin Kaufman, and the members of the Bethel Mennonite Church who provided the lovely dinner. The family of Sam Nunemaker

15-1-p-30

BLAKESLEE — Sincere thanks to Doctors, nurses and aides of Carson City Hospital for excellent care. To Rev. Sheen, relatives and friends for the prayers, visits, food, gifts and cards following our accident. They were deeply appreciated. God bless you.

Levi & Ruby Blakeslee

15-1-p-30

OERLEBECK — HOW TO

PRAY — First thank God

for Blessings received, There are more than you have believed.

Remember the friend that has a need, And if you can, help with a deed.

Remember the Mourners and Sick, Pray for God to minister to them quiet.

For the Leaders of our Church, For the Leaders of our Nation. Let us pray with great Devotion. Pray for a clean heart and mind.

For the renewal of Faith Devine. And last but not least, Ask for forgiveness of sin, God will hear your prayer and ease your heart within.

Winifred Oerlebeck
