ST. JOHNS—The St. Johns City Commission voted on Monday night to request approval to proceed with a $1.45 million sanitary sewer project for the city.

The proposal was made by St. Johns City Manager Paul VanKirk, who told commissioners that the sewer project is needed to alleviate flooding in the downtown area.

The project, which is expected to cost approximately $1.45 million, would involve the construction of a new sewer line to carry sewage away from downtown St. Johns.

Commissioner Jerry Fisk said that the project is necessary because of the continuing problem of flooding in the downtown area.

He added that the project would help to alleviate the problem and improve the appearance of the downtown area.

The project would be financed through a combination of federal, state, and local funds.

The money would be used to construct a new sewer line, which would be connected to the existing sewer system.

The project is expected to be completed within two years.

The commission voted unanimously to proceed with the project.

Supreme court transfers raced

By Richard L. Milliman

The Supreme Court transferred a number of cases, some of which have been pending for many years. These transfers are a common occurrence, as the Court seeks to address the workload and ensure efficient administration of justice.

Supreme Court of Michigan

2. In another transfer, the Court sent the case of Smith v. State of Michigan, 476 Mich. 295, 298, to the Court of Appeals. This case pertains to the interpretation of a criminal statute.

3. The case of Brown v. State of Michigan, 476 Mich. 296, 298, 299, was also transferred to the Court of Appeals. It concerns the constitutionality of a state law.

These transfers reflect the Court's ongoing efforts to manage its caseload and ensure the timely resolution of cases.

Debra Kay Webster, 21, and Paul Donald Hebler, 23, were married before Rev. J. M. Chopik at the English style gowns with a sheer cape and a large ruffle on the bottom of the gowns. The groomsmen wore long stemmed yellow roses with white mums with yellow rose corsages. The groomsmen were Mr. and Mrs. Floyd Taylor, the brother of the bride and groom, and Mr. and Mrs. Clyde Pearson and Mr. and Mrs. Robert Pearson, the groom's grandparents.

The bride is a 1973 graduate of Coldwater High school and the groom graduated from St. John's High school in 1974.

The couple took a wedding trip to Northern Michigan and is now making their home at 2842 Stsburg Dr. in Ionia.

**Dear Medicaid Patient:**

You may not be able to get all the necessary hospital care you need because of a new law that becomes effective October 1, 1976. This law states that Medicaid might not pay for your entire stay in the hospital. This means you will be held responsible for those days you remain in the hospital beyond that time which Medicaid will pay. This could be as high as $150.00 per day.

If you have questions regarding Medicaid please contact your local social service worker who will explain this procedure to you.

If this act is allowed to take effect, where will it stop? Will Medicare be next? Will your prophylactic medical insurance follow?

If this letter is of concern to you or your friends, contact your state representative, senator or governor immediately.

Dry Dock'd flattens Hub Tire in city tourney

By HAROLD SCHAULSTE

County News reporter

A 14-3 margin against Hub Tire home team resulted in a championship victory in the Leonard Basketball League of the St. Johns City Recreation Department Tournament last Thursday night, 11-4.

Hub Tire collected only 3 hits including 1 double and a triple in their losing effort.

Led by 5 for 5 performances at the plate by Clark Berkus, Holt Thiel, and John Hurska, Dry Dock'd was not without its share of singles and doubles. Team results are: 1st place 12-2 record. Members of the team are: (front row 1 to r) Lee Van Camp; Gary Blasen, batboy and Jerry Fuiwock. (middle row 1 to r) Bobby Hunter, Gary Rappuhn, Mark Crosby, Jerry Geller, Jeff Cox, Steve Keilen and Earl Fjegler. Coach Joe Gonzales had them over Thursday night to capture the Recreation League tournament championship 4-2. On hand to present the winners trophy from Mayor Roy Ebert (center) is Bob Andrews. Other members of the team are: (front 1 to r) Jon Thelen, Tony Rahar and general manager of the team, Mel Haruska, Neal Thelen, Ebert and Andrews, Terry Haruska, Mike Brown, Tom Danlay and Terry Beal.

NOTICE TO THE ELECTORS AND TAXPAYERS OF THE CITY OF ST. JOHNS OF INTENT TO ISSUE BONDS AND RIGHT OF REFERENDUM

PLEASE TAKE NOTICE that the City Commission of the City of St. Johns intends to adopt resolutions authorizing the issuance and sale of general obligation bonds of the City pursuant to Act 279, Public Acts of Michigan, 1927, as amended. In amounts not to exceed in total principal amount $1,055,800.00 for the purpose of deferring the cost of acquiring and constructing improvements to the Sanitary Sewage Disposal System of the City, consisting of waste water treatment plant improvements, an interceptor sewer together with a new sewage lift station and force main outlet and new relief sewer, together with all necessary equipment and attachments thereto, necessary in order to comply with the Amended Order of the Michigan Water Resources Commission, issued November 20, 1974. Bonds of this issue shall mature serially in not to exceed forty annual installments with interest on the principal amount from time to time remaining unpaid payable at a rate of interest to be determined at public sale but not to exceed 10 percent per annum.

SOURCE OF PAYMENT

The principal and interest on said Bonds shall be payable from the general funds of the City and the City is required by law to fund sufficiently said warrants in taxes, if necessary, for the payment thereof upon all taxable property in the City, without limitation as to kind or amount.

The City is permitted by law to use revenues derived from the operation of the Sanitary Sewage Disposal System of the City for the payment of said bonds.

RIGHT OF REFERENDUM

The Bonds may be sold subject to call of the electors unless a petition signed by not less than 10 percent of the registered electors in the City is filed with the City Commission by depositing said petition with the City Clerk within forty-five (45) days after publication of this notice, in which case the bonds will not be issued unless approved by a majority vote of the qualified electors voting at a court of competent jurisdiction ordered the City to comply with the aforesaid Amended Order of the Water Resources Commission.

THIS NOTICE is given pursuant to the requirements of Section 5(g) of Act 279, Public Acts of Michigan, 1927, as amended.

ST. JOHNS Coach Joe Gonzales with assistant coaches Bob Voigt and Joe Neyman.

'Young' Redwings team to make debut in MM

Thirty-five returning letterman plus development of a "young and inexperienced" squad of Redwings is making it one of the most promising teams in regional distinction. In last year's debut into the Mid-Michigan-B conference, according to Coach Gonzales, the Redwings made their conference debut with a 7-4 record to place second in the WCC. The Redwings this year are in the Mid-Michigan-B conference and according to Gonzales, the Redwings will be considered "a dark horse" in the conference.

Two of the outstanding players for the Redwings will be in senior halfback Stan Searles and his offering 1,000 yard mark last year; John Richmond, a 175 pound senior guard-tackle; Dave Bauer, Mark Pardee, and Stan Scarles.

Other schools in the Mid-Michigan-B conference entering the year are: Arch- rival Ovid-Elsie; old-time Michigan-B conference foe Alma; and Scott Mailand.

Defense is key to Fowler hopes

Fowler CO-CAPTAINS Jim Pohl, Tony Schafer, and catch Shafe Spieker.

Looking further into the competitive picture, Fowler looks to edge well ahead of a tough schedule that includes four home games during the season. Fowler's success will hinge on the performance of a young team that will rely heavily on the experienced leadership of Coach Bill Marks.

With last season's non¬state champion P-W Pirates, who won 12 games, Fowler will have a strong lineup. Fowler's quarterback will be returning All-American star, senior Randy Thelen. Thelen, who has been the Pirates' steady leader for three years, will be expected to lead the team to another state championship.

The Pirates travel to Potterville and will take on their friendly rivals from Fulton High School. Fowler's quarterback will be returning All-American star, senior Randy Thelen. Thelen, who has been the Pirates' steady leader for three years, will be expected to lead the team to another state championship.

The hungry Wulfpack of Lansing will be looking to get their teeth in on the Pirates, who fell to the Wulfpack in last year's state final. Fowler hopes to avenge that loss when they travel to Lansing on Friday, Oct. 29. All games will begin at 7:30 p.m.

The key to Fowler's success will be the defensive play of the Pirates. As they refine their techniques and improve their speed, Fowler will be a formidable force to be reckoned with in the state playoffs.

Speed strong point of P-W Pirates attack

Despite having a strong lineup, P-W Pirates may not have the depth to compete with Fowler's depth. Fowler will have to rely on their strong defense to keep the Pirates from scoring.

Fowler's strong defensive line will be led by returning All-American star, senior Randy Thelen. Thelen, who has been the Pirates' steady leader for three years, will be expected to lead the team to another state championship.

O'Donnell's final Ovid-Elsie team sees 'rough going'

The football season for the 1976 Ovid-Elsie team under Coach Mark O'Donnell gets underway this week according to the head coach who will be guiding this year's team.

Injuries have cut back the returning plus expected seniors.

"The Marauders are going to have to work the extra hard to be right in the middle of the conference this year," said O'Donnell.

"Aside from the bumps and bruises the Marauders are going to really have to put everything into this season," he added.

This year's Marauders are favored to be the underdogs in the conference competition.

"The Marauders may still be the winners of the conference," he stated.

"The conference is expected to be the Marauders' worst season," he added.

The coaches of the conference have been working on the conference schedule.

Coach Tony Natone, head coach Mark O'Donnell and the team's final schedule will be announced Friday, Sept. 17 at 7:05 p.m. in the main gym.

The opening kickoff will be Friday, Sept. 24 against Swan Valley.

Ovid-Elsie will travel to Corunna for a "brusing" Cavaliers.

Ovid-Elsie team has been a member of the always tough "Mid-Michigan-B" West Central League in past years.

The team has been a member of the conference this year.

By J. Scott, Mayor of St. Johns, has issued a proclamation to the Church of Nazarene that the Nazarene Church is the only continuing support and conductors of helping to maintain a sober and holy place to live.

The church was in need of a church building, they had a loan of $40,000 for a lot for a church. The church loaned out a lot for the church to move on Gill St. so their property line was along with high and public schools.

The church also bought two pieces of property on the north and east side of the building for expansion purposes. "Do the people who are called by Jesus Christ, and who are in theordance and envoy of God, and are under the guidance of prophets that God will place each and one of them in positions that will help to lead our community on our way to God in a good place to get a good..." Pastor Funk, Auburn said. "Saying this, there are people who are in need of help, and do not stand still in it.

In addition to these other recent accomplishments for the church, the building was included in the building plans."

The cooperation and support of the community and the church, as been greatly appreciated. The current plans for the church have been completed and the new church building will be dedicated by leasor, donated, and it is typified by the Clinton County News.
