The postman is a lady!

There's a lot of sitting, she said, and she doesn't have time to look the way she used to. She's had to wear old shoes for the last 18 months, and now she has a new pair. The mail route is in the downtown area, and she said she doesn't have time to buy a new pair of shoes.

MISS HORANBURG has been working for the Clinton County Sheriff's Office for 18 years, and she said she's happy to be doing it. She's made a lot of friends along the way, and she said she hopes to keep working for a few more years.

Only $620,890 planned for operations

County supervisors plan to approve the county government's budget on a budget of only $32,000. The budget was approved last week.

The Clinton supervisors plan to approve the county government's budget on a budget of only $32,000. The budget was approved last week.

The General Telephone Company donated $200 to the Clinton Memorial Hospital.
**Supervisors set up new county records department**

CLINTON COUNTY NEWS, St. Johns, Michigan Thursday, September 14, 1967

The board of supervisors received a televised petition from the City of DeWitt Monday seeking permission for a vote on annexing the shaded area south and west of the present city limits. An area of section 10 south of Hubbard Road and east of the shaded area was dropped from the original petition, which was withdrawn last week because of technical error in the description.

the lack of ordering new \$24,000 in expenses when the high school—kindergarten and grades one and two. The increase was 14 over last year's figures.

Late in August the board approved an operating budget of \$23,000 for the 1967-68 school year, which represents a 14 over last year's budget. This increase is attributed to the enrollment growth and to a staff reorganization move of several positions within the school district.

The Highland elementary school, currently has 185 students in kindergarten and grades one and two. The enrollment in the Perrinton school—kindergarten and grades one and two—was 28.

The September term of circuit court met in St. Johns last week, and only one case was held in circuit court.

There's little left to the court calendar after the July term. The only outstanding business was the court's sitting to handle traffic citations.

The court will sit again in St. Johns from Monday, September 17, to Friday, September 21.

John Cumming, director of the Clark Historical Library at Central Michigan University, stands in front of a microfilm reader holding a copy of one of Michigan's oldest newspapers, "The Northern Islander," published on Sceen Island. The library is launching a project this fall to microfilm the files of the state's weekly newspapers, including the Clinton County News, in order to preserve them for their valuable historical interest.

Two hundred fifteen bound volumes of the Clinton County News and its predecessor newspapers stored in the upstairs office of the CCN Building. On microfilm the amount of space needed for the information will be reduced to a few drawers. One volume in the file dates back to 1866.

The Clarke Historical Library project is expected to get underway this fall, according to Cumming. He said that weekly newspapers in the state are to be microfilmed in three years.

The project is financed by the Foundation of the Reorganized Church of Christ, the Kresge Foundation, and the Michigan Historical Commission. It is being developed by John Gumming, director of the Clarke Historical Library at Central Michigan University.

The emphasis will be on the weeklies in the state's dailies have their files and microfilming is underway.
Newlyweds tour western states

Previously honeymooning in the western states are Mr and Mrs Paul John Bierstetel of St. Johns. The newlyweds are the daughter of Mr and Mrs Herman Bierstetel of Jervis, N.Y., and the son of the late Mr and Mrs Adrian Bierstetel of St. Johns.

Newlyweds living in Grand Rapids

Mr and Mrs Paul John Bierstetel, who reside in St. Johns, have joined in marriage at the home of the bride, 220 N. Clinton St., St. Johns. The wedding was at the home of the bride, who is a member of the St. Paul Lutheran Church. The bride is the former Miss Jane Ellen Bierstetel, daughter of Mr and Mrs Paul John Bierstetel of St. Johns, and the son of the late Mr and Mrs Adrian Bierstetel of St. Johns.

Constitution Week declared

The bride wears a pink chiffon skirt and roses headpiece. The bride's mother, Mrs. Alice Holmes Sammons of Grand Rapids, was the matron of honor. The bride's father, Mr. Max Pyles, of 4161 Grand Ave., Lansing, was the best man. The bride's sister, Miss Janice Berkhousen of Grand Rapids, was the maid of honor. The bride's brother, Mr. Max Pyles, of 4161 Grand Ave., Lansing, was the best man. The bride's sister, Miss Janice Berkhousen of Grand Rapids, was the maid of honor. The bride's brother, Mr. Max Pyles, of 4161 Grand Ave., Lansing, was the best man. The bride's sister, Miss Janice Berkhousen of Grand Rapids, was the maid of honor.
Priest-Leslie vows said at Reed City

Road City Methodist Church was the scene of the Aug. 23 wedding of Miss Virginia Price and David NealCases. Pastors James G. Cook, Sr. and James G. Cook, Jr., officiated. Rev. Ted Frey, board member of the church, served as best man for the wedding. The couple left for a bridal party trip at the Elks Lodge, leaving for their honeymoon after returning from their northern Wisconsin honeymoon.

Miss Price is a member of St. John's Chamber of Commerce and a graduate of Michigan State University. Mr. Cases is employed by Howell Community College.

WRC met Tuesday

The WRC held a regular meeting and business party with Mrs. Josephine Case as hostess. There was a guest speaker, Mrs. William H. Price, mother of the bride.

LOCHESTER RITEs held Saturday

The Saturday evening double shower with church and community membership was held at the home of Miss Betty Price. Rev. and Mrs. Ronald Corl, Mr. and Mrs. Thomas Kowalski, Mr. and Mrs. Robert Gillison, Miss Betty Price and Mr. and Mrs. Frank Price served as hostesses.

The bridal shower was attended by 140 guests, including the bride's sister, Miss Susan Price, and Miss Elizabeth Price, friend of the bride. Miss Price was followed by the wedding ceremony, and was held in the church.
Announcements

The Clinton Memorial Chapel will be dedicated Saturday, Sept. 23, at 3 p.m., and the First Baptist Church in the High School auditorium Sunday, Sept. 24, at 3 p.m. Both services will be open to the public.

Clinton County Fair will hold its annual sessions and the Clinton County Fair Grounds are located on the west side of St. Johns.

HUNDREDS OF OLD CARS COMING HERE

The famous Glidden Tour of antique automobiles will make its Central Michigan stop this year on September 18-22, and the tour of about 250 antique cars is scheduled to pass through St. Johns on M-21. According to the plan, the cars will be here sometime between 10:00 a.m. and 1:00 p.m. on September 21.

The trip began in Chicago on September 8. The participants tour various sections of the country in a race against the clock. The tour is sponsored by the American Automobile Association, the Antique Car Club of America, the Veteran Motor Car Club of America, the Motor Car Pioneers of America, and the American Historical Association.

One of the many hats of Consumers Power's Public Relations Department is the promotion of the Glidden Tours. The department is responsible for publicizing the events and ensuring that the tour is a success. They work closely with the tour organizers to ensure that the route is safe and that the cars are well-maintained.

The cars are divided into groups and are escorted by police cars. This ensures that the cars are safe and that they are not held up by slow-moving vehicles. The tour is a competition, and the cars are timed as they travel through various states. The cars are divided into groups of about 25, and each group is accompanied by a police escort.

Mrs. Oliver (Carol Ann) Jones of R-3, St. Johns, with Ben Beck at Beck's Farm Market.

Mrs. Charlotte Saxon of 230 W. Williams, DeWitt, with George Mano of Manor's FFA in Ovid.

Maple Rapids

By Mrs. William Pawlowski

The first meeting of the fall season of the Maple Rapids FFA Chapter was held Oct. 13. At the meeting a report was given on the activities of the chapter during the fall term. The meeting was opened by the FFA Creed and the pledge was recited. The meeting was then called to order and the members were given a report on the activities of the chapter. The members were then given an opportunity to express their opinions on the proposed plans for the next year.

Regular Appeal Board Meeting

A regular meeting of the Clinton County Zoning Board of Appeals will be held on Monday, September 18, 1967 at 8 p.m. in the Courthouse, St. Johns, Michigan. At that time the Board will act on the following appeals:

LEBANON TOWNSHIP

The appeal of Ello Moe Gunderson to occupy a trailer coach on the following described parcel of land:

Part of the NW\4 of the SW\4 of Section 19, T6N, R4W, beginning at the SW corner of the NW\4 of the SW\4 of Section 19 and extending along the easterly line of the SW\4 of the NE\4 of Section 18, T6N, R4W, to the NE corner of the SW\4 of the NE\4 of Section 18, T6N, R4W. Said NE\4 of the NE\4 of Section 18 is hereby dedicated to the use of the county road commission.

GREENBUSH TOWNSHIP

The appeal of Zelma Mitchell to occupy a trailer coach on the following described parcel of land:

Lot 6 of the NW\4 of the SE\4 of Section 19, T6N, R4W.

RILEY TOWNSHIP

The appeal of Gary and Paula Clark to occupy a trailer coach on the following described parcel of land:

Lot 6 of the NE\4 of the SW\4 of Section 19, T6N, R4W.

GREENBUSH TOWNSHIP

The appeal of Ray Decker to occupy a trailer coach on the following described parcel of land:

Lot 6 of the NE\4 of the SW\4 of Section 19, T6N, R4W.
Communities Chest goal set at $27,000

A $27,000 goal has been set for this year by the Clinton County, Community Chest. This year's total exceeded the amount raised last year by $5,300 more. The Communities Chest continues to be a major sponsor of the various activities, also being the driving force behind such activities as the Community Christmas Carol, which will be held this year on December 2nd. The group's annual goal continues to be to raise money for the various local charities that rely on their contributions.

It's Back to School!

The Clinton County Community Chest continues to support local schools and education initiatives. They have set a goal of $27,000, up from last year's $21,700. The group is hoping to increase awareness and encourage more donations.

ONE OF TWO PAVING PROJECTS COMPLETED

Prime and seal work has been completed on the new streets scheduled for improvement this year. The projects were completed last week, and contractors the Hida Co. of Alma—planed to finish up the single road of a quarter mile of paved streets Thursday of this week. The work was completed on time, with no delays due to unfavorable weather conditions.

JIM'S SUPER SERVICE

Since Until 120-June 1, 1926, owner.

THE VILLAGE OF WESTPHALIA makes the following ORDINANCES:

Prime and double seal paving on the new streets scheduled for improvement shall be guilty of a misdemeanor. 

Any person who engages in any motor vehicle race, drag race or exhibition of speed or undue acceleration on a public street, avenue, or road shall be guilty of a misdemeanor. 

The Village of Westphalia ordains:

The ordinance to go into effect 20 days after its passage.
New speed measuring unit in use

The Michigan State Police have begun using an instrument with the size of a new mechanical era. The device, known as the Vascar unit, was invented by Lt. Col. Frederick E. Montague, an engineering officer in the police department. The Vascar unit is a portable, self-contained device with a simplified measuring circuit that allows it to be used in front of or behind vehicles in any area. The unit is capable of measuring speed accurately, even in areas where there are no reference points.

The Vascar unit is a valuable tool for law enforcement officers, as it allows them to measure speed accurately and quickly. The device is portable and can be used in any area, making it ideal for use in rural or urban areas. The unit is also easy to use, making it accessible to officers of all ranks.

Some successful hunter-bear hunter who shot and brought his bear home showed the kind of stripes he wears when he directed his shot into Stocken Creek from Lowell Road, on the Stephen Yurcso farm. The bear was found by June Train and her younger brother and sister who had been swimming in the neighborhood swimming hole about 50 feet below where the bear was abandoned. This hunter's luck, in all probability, became a little truer than the time he returned home and rather than bury it simply decided not caring where or on whose property. The animal was picked up and disposed of by Earl Gaff, Clinton County conservation officer last Saturday.

New speed measuring unit in use

The Michigan State Police have begun using an instrument with the size of a new mechanical era. The device, known as the Vascar unit, was invented by Lt. Col. Frederick E. Montague, an engineering officer in the police department. The Vascar unit is a portable, self-contained device with a simplified measuring circuit that allows it to be used in front of or behind vehicles in any area. The unit is capable of measuring speed accurately, even in areas where there are no reference points.

The Vascar unit is a valuable tool for law enforcement officers, as it allows them to measure speed accurately and quickly. The device is portable and can be used in any area, making it ideal for use in rural or urban areas. The unit is also easy to use, making it accessible to officers of all ranks.

Some successful hunter-bear hunter who shot and brought his bear home showed the kind of stripes he wears when he directed his shot into Stocken Creek from Lowell Road, on the Stephen Yurcso farm. The bear was found by June Train and her younger brother and sister who had been swimming in the neighborhood swimming hole about 50 feet below where the bear was abandoned. This hunter's luck, in all probability, became a little truer than the time he returned home and rather than bury it simply decided not caring where or on whose property. The animal was picked up and disposed of by Earl Gaff, Clinton County conservation officer last Saturday.

Next Sunday In Clinton County Churches

All Churches in Clinton County are invited to send weekly announcements to The Clinton County News. They must reach us by 10 a.m. Monday to insure publication in the current week's issue.

Little areas reach up. I steep and lift the precious weight of baby son into my arms and smell his innocence. Prayers of praise and thank fill my heart.

Guiding this area, I remember the right of his birth when Mary and I were told that our help could not come until we could. Then I saw him as an offering, holding hands and clinging fast to my faith that God is His goodness. I desired every grace. Our grateful love was for the mercy and strength only love and sweetness supplied. Now glad we were for the Church where we had learned to love and worship the God who gave us all life.

Do you wonder that Sunday morning finds us both in church partly worshiping and giving thanks to God? And the church of your choice. Whatever your need, it stands ready in help.

THE CHURCH FOR ALL . . .

The Church is the greatest factor in the building of democratic ideals. Whether you are a member or a guest, you may be sure that the Church is a true friend to all its members.

Without a church, any democracy is shallow and lies are punished. There are four sacred reasons why every person should offer support regularly for the Church that we have. They are: (1) It meets the need of its community and church; (2) It fills the void in the established church; (3) It needs the united and concerted effort to fill the desires of the faith community and church; and (4) It is the Church from which the Church needs spiritual and material support.

Plan to go to church regularly and need you daily.

Recall camper trip to 49th state

Sue and her son, Richard, spent their first week at a campground in rural Minnesota, which had been planned for their next vacation.

TWO days later, they passed through the national parks, including Yosemite and Sequoia, where they spent two days at each, exploring the beautiful scenery and wildlife.

In Alaska, they camped near the ocean, enjoying the view and the cool breeze. They also visited the nearby city of Fairbanks, where they stayed for a week, exploring the town and visiting the nearby museums.

On their way back, they stopped at the Grand Canyon, where they spent a day hiking and exploring the natural beauty of the canyon.

In California, they visited the beach cities of San Diego and Los Angeles, where they enjoyed the sunny weather and the beautiful beaches.

In Oregon, they stopped at the Oregon Trail, where they learned about the history of the pioneers who traveled there.

The trip ended with a week in Washington, D.C., where they visited the national monuments and met with friends.

Overall, the trip was a great success, and Sue and Richard enjoyed every minute of it.
Springs. "..." -

The general meeting of the Shepardsville Educational Association was held on Thursday, Sept. 15, at 7 p.m. in the school. The Association meets each year to discuss the educational progress of the school and to plan for the coming year. The next meeting will be on Thursday, Sept. 22, at 7 p.m.

PROGRAM PLANS FOR

The school's educational program for the coming year includes a new reading program and a science curriculum. The reading program will be based on the latest research in language development, and the science curriculum will emphasize hands-on experiments.

ALL OF OUR BIBLE SUNDAY

A Bible study group met on Sunday, Sept. 17, to discuss the latest book of the Bible, Ecclesiastes. The group is made up of teachers and students, and they meet every Sunday morning to study the Bible and to discuss its relevance to today's world.

Silver anniversary

The family of Mr and Mrs Walter Clock spent last Sunday celebrating the 84th silver wedding anniversary of the older couple. The anniversary was celebrated with a festive meal and a family gathering at the home of Mr and Mrs Walter Clock.

Earl Comstock, Mr and Mrs F. Stancerar and Mr and Mrs T. L. Steele were among the guests at the celebration. The family and friends enjoyed a meal of homemade food, including roast beef, vegetables, and a delicious cake. After dinner, there was a brief speech by Mr and Mrs Walter Clock, followed by toasts and songs. The evening ended with a games night, where the family played games such as Uno and Pictionary.

Back Thru the Years

The Editor (Sept. 13, 1917)

When the weekly paper of St. Johns was called The St. Johns News, in 1882, the first edition was published on July 17, 1882. The paper was started by a group of local citizens who wanted a voice in the community. The paper was published weekly and was sold for five cents a copy.

The first issue of the newspaper contained articles on local news, local politics, and local events. The paper also included a column by the editor, who wrote about the happenings in the community.

The paper was very popular among the local citizens, and it quickly became a trusted source of information for the community.

Over the years, the paper has undergone many changes. The name of the paper has changed several times, and the printing methods have also changed significantly.

Today, the paper is still published weekly, and it continues to provide local news and information to the community. The paper remains an important part of the local culture and history.
Highway fatalities were down year, including the July 4 holiday, says the Automobile Club of Michigan. Good drivers appear to be using driving habits of the state's 41/2 million drivers which assorted them with 17,295 residents in the first six months of this year, compared to 19,208 in 1965. Rehm said. Estimates show another significant drop an estimated 10 per cent. Michigan traffic deaths on holidays had more than the national average, the study notes. Nine states, in terms of vehicle registrations, had their past records they had managed to get them home safely.

In Michigan, a total of 182,045 traffic deaths had more than the national average, the study notes. Nine states, in terms of vehicle registrations, had their past records they had managed to get them home safely.

FBI, shows another significant increase in crimes of all types. Currently the increase in crime, 73 per cent from 1966, must be lifted Nov. 2. The unemployment rate in Michigan, a total of 182,045 traffic deaths had more than the national average, the study notes. Nine states, in terms of vehicle registrations, had their past records they had managed to get them home safely.

If you're sure I'm not boring you, I can recite another 27 verses of "Mary Had a Little Lamb."
They have been living...in the northern hostess. Mrs Thelma Woodbury will be the program topic for the September meeting of the Maple Rapids. She will present the program. Mrs Harry Patterson called at special meetings at Salem, Ohio, will be the guest speaker. Mrs Minnie Tripp, and family spent the weekend at Lake Mitchell of Cadillac, Michigan. Gerhold and Mrs Gerharder were supper guests of the bride and groom. Ellen (Otto) Valentine of Florida (Mertz) Gleason of Lansing. Mrs Minnie Tripp, and son Benjamin were supper guests of Mr and Mrs Arthur Corson in Maple Rapids. Mrs Florence (Tuttle) Arnold of East Saginaw. Mrs James Earegood, Jor a few away Labor Day.

Mrs Burr is the daughter of Mrs Mabel Fairwether, Wednesday night. Mrs Florence Tuttle Arnold of St. Johns. Mr and Mrs Inez VanHorn of the St Joseph County Grange. Mr and Mrs Elizabeth Kerr of the Maple Rapids, Methodist Church. By MRS. WILBUR BANCROFT, Correspondent-Ph. 682-3553

Thursday, September 14, 1967 CLINTON COUNTY NEWS, St/Johns, Michigan
Announcing

DODGE

fever

one look, and you've got it.

Supplement to the
Clinton County News
Sept. 14, 1967
Here comes the shape you’ve been waiting for.

Congratulations... you’ve got '68 Charger. What a great shape to be in.

The shape. Low and long and slim as a stiletto. The clean lines of a Mach 2 jet on wheels. This is your car. And you know it.

Slip inside. Feel it. The deepness of the buckets. The fitness of the instruments. Round, and matt black with numbers. Fire up a 318 V8 and listen to its electronically balanced smoothness. Touch an aircraft-type switch on the panel and listen as concealed motors reveal the headlights. It’s all here. The deep foam padding in the seats, side running lights, room in the back for valued guests, even a thoughtful pocket in the door for your glasses and maps.

This is the car you always hoped someone would build. And now somebody has. Charger. Dodge Charger. And from the clean low sweep of the hood to the impudent upsweep on the rear deck, you wouldn’t change a line of it if you could. Charger. Just the way you want it. Priced so you can have it. Watch it. You’ve got Dodge Fever. And you’ll never be the same again.

Now relax and enjoy it.

'DODGE FEVER'
You've got

Dodge fever

'68 Dodge Monaco. The luxury you long for at a price you can live with.

Can the man who wants more than two tons of luxury car with padded comfort throughout, plus the alert response of V8 power, find happiness on an ordinary budget?

You bet he can. Monaco is the answer. A lot more car than you thought you could afford. Almost twenty feet of gleaming luxury. Thick foam-padded seats. Deep-pile carpeting. A performance carefully looked after by the 383-cubic-inch V8 that is standard on all Monaco models.

With such other standard features as a Cornering Light on the Monaco 500 two-door hardtop and courtesy lights just about everywhere on all models. Even in the ash receivers. With such exotic options as an eight-track stereo-tape player and Automatic Temperature Control and a six-way power seat adjuster.

'68 Monaco. For the man with extraordinary taste—but an ordinary budget. Feel the Fever setting in? There's only one thing to do. See your Dodge Dealer. Quickly.
'68 Dodge Polara. Brand-new luxury now at popular prices.

Once the good looks of Polara have you firmly in their grip, what next? Then it's time to look around and see what else Polara has to offer. Comfort. Luxury. Performance. Big, foam-padded seats, either vinyl or cloth-and-vinyl. Deep, rich carpeting. An eager, deep-breathing 318-cubic-inch V8 engine that runs like a dream on regular gasoline. An optional three-speed automatic transmission to take the calisthenics out of city driving. Optional eight-track stereo-tape player and speed control unit, both great features for highway travel. Padded dash and visors plus over a dozen other standard safety features. And the satisfaction of owning all this automobile for a much lower price than seems reasonable to you. No wonder Dodge Fever is so easy to catch, when Polara is so easy to buy. Prove to yourself just how easy. See your nearby Dodge Dealer.

Dodge Fever is nice to have. But it's a real pleasure to cure, and at not too high a cost—with a new Dodge Polara all your own.
'68 Dodge Coronet. Your kind of beauty at your kind of price.

Catching Dodge Fever is finding a great-looking car with everything you want that you thought you couldn't afford and finding out you can.

Dodge Coronet 500.

That beautiful, brassy, barrel-chested hunk of car with the great new shape. A new instrument panel with aircraft-type switches, a frisky V8 that runs on regular, padded dash, carpets, and backup lights that are cleverly hidden inside the taillights. New safety items for your security. Options from stereo tape to air conditioning. And a price that will let you slip in a few extra ones without feeling a twinge in the budget. Bench seats and vinyl buckets and cloth-and-vinyl buckets and even a crazy bucket-with-folding-armrest-that-can-seat-three arrangement. For Coronet fanciers, Dodge Fever comes in seventeen colors and seven great engines and fourteen models—all at very comfortable prices. And that's the easiest part to take of all.

Dodge Fever. Aren't you glad you've got it?
'68 Dodge Dart. Best-looking reason in the world to save money.

Wouldn't you know it? Just about the time you convince yourself that you're going to have to plunk down a bundle to get the kind of size, styling and luxury you want ... along comes Dart '68. And you begin to get the Fever. You'll find the new Dart is bigger than any compact you're used to. A spirited performer to be sure. With a snappy 170-cubic-inch Six at the low end and a 383 4-barrel V8 at the high. (And there's a choice of four engines in between.) But for all its muscle, Dart is a real softy inside. Padded instrument panel. Padded sun visors. Padded seatback. Padded steering wheel hub. Carpeting all around, of course. And a lot of new safety items for your security. Dart's low compact price gives you plenty of room to exercise your options. Things like a vinyl top, Rallye Suspension, Tach for V8 engines, Air conditioning, And even a rear window defogger. Dodge Dart—America's best-selling compact. Proof that you don't have to be rich to cure Dodge Fever. See it now.
NEW DODGE ADVENTURER

A GREAT NEW IDEA FOR PEOPLE WHO WORK HARD BUT PLAY EVEN HARDER.

Adventurer—the Dodge pickup that keeps right on going when the lights go out for ordinary pickups. Because it makes such a great companion, night as well as day. It’s handsome, comfortable, and easy-riding, with brisker performance than you ever expected in a pickup. And its deluxe edition comes with bucket seats, full carpeting, and a 383-cubic-inch V8. But with all this, the wheelbase is still 128 inches and the pickup box still eight feet long. That’s Adventurer, the pickup that leads a double life. One of the 32 Dodge pickups that give you more truck per buck.

DODGE A108 VAN

IF YOU WANT MORE OUT OF A TRUCK, MAKE SURE YOU GET MORE TRUCK TO BEGIN WITH.

Here’s the compact van for people who carry long, bulky loads. Ten feet of cargo space. Nearly 14 feet with the passenger seat removed. The cargo doors are the widest in the field. And transmissions, springs and axles are built with traditional Dodge dependability. Engines include the standard 170-cubic-inch Slant Six and two options: a 225-cubic-inch Slant Six and a 318-cubic-inch V8. If you don’t need ten feet of cargo space, but want all these Dodge features, there is also the A100 compact van with a 90” wheelbase and over eight feet of cargo space.
This bee could be a "Scat Pack" Sweepstakes winner...take him to your Dodge Dealer's and see!

You may already have won a Dodge 3-in-1 Road Race Set in the Dodge "Scat Pack" Sweepstakes...lots of prizes...lots of winners! Don't miss out on the fun!
