Tape ban illegal

Kelley rules

The Clinton County Board of County Commissioners approved a proposal on Tuesday night for the manufacture of tape recorders in the county. The proposal, presented by County Commissioner William S. Cobb, was approved unanimously by the board.

The proposal, which is expected to bring new jobs to the county, will be the subject of a meeting on Monday, Sept. 21 at 7 p.m. The meeting will be held at the County Courthouse.

North Clinton Avenue traffic control revamped

By Tom McPherson

A new traffic control system has been installed at North Clinton Avenue and Oregon Street.

The system, which is designed to improve traffic flow, will be installed at the intersection of North Clinton Avenue and Oregon Street.

The system is expected to be in place by the end of the month.

Free clinics to continue

The State Department of Health will be holding free health clinics in each county in Michigan, beginning in September.

The clinics will be held at the following locations:

- Detroit: June 30
- Lansing: July 7
- Ann Arbor: July 14
- Grand Rapids: July 21
- Traverse City: July 28

The clinics will offer free health screenings and information on a variety of health topics.

Stylemaster Homes plant

Initial procedures for ground-breaking activities will be held in downtown St. Johns at 10 a.m. on Tuesday, July 21.

The ceremony will include speeches by city officials and representatives of Stylemaster Homes.

The ground-breaking ceremony will mark the beginning of construction of a new plant for Stylemaster Homes.

Tenney to oppose Mayor Keck, 8 candidates file for city council

The Centre City Council on Tuesday announced a slate of mayor and city council candidates to be determined by lot on Election Day.

Mr. and Mrs. Theodore E. Bedell, of St. Johns, have been married for 60 years. The couple has three children and eight grandchildren.

They have been active in their community and are members of the Clinton County Democratic Club.

Mr. Bedell is a retired industrial engineer who served in the U.S. Army during World War II. He has been a member of the St. Johns Kiwanis Club and a volunteer at the local hospital.

Mrs. Bedell is a retired teacher who has been active in the St. Johns Area Women's Club and the Clinton County Historical Society.

They have maintained their farm in rural Clinton County for many years, and they enjoy gardening and outdoor activities.

In addition to speaking out, the couple has been involved in a variety of community service projects, including a food pantry and a thrift store.

Brian and Lydiane Towle, 34, have been married for 10 years. The couple has two children and lives in St. Johns.

Mr. Towle is an IT manager at a local company, and Ms. Towle is a stay-at-home mom.

They have been active in their community and are members of the St. Johns Methodist Church.

They enjoy spending time with their children, hiking, and volunteering at local charities.

The couple has been involved in a variety of community service projects, including a food pantry and a thrift store.

Our Building Motto . . . Planning

We at FBI pride ourselves in the fact that we are not just builders, we are also planners. In the past years, because of our building experience and knowledge of market areas in and around Clinton County, we have been able to guide new home owners and businessmen in locating a properly priced structure on the right lot or in the right area. Why not try our complete planning program. OUR SERVICE CONTINUES AFTER YOU MOVE IN.
Should be good year

Over million coho await fishermen

Although the Chinese Calendar lists 1970 as the "Year of the Dog," Michigan fishermen will find this to be definitely the year of the salmon. The 1970 salmon season will be opened Aug. 1 at noon for the entire state.

For the first time since strictures were placed on Great Lakes trout fishing last year, coho salmon and chinook salmon will be eligible for fishing by Michigan residents. The Supreme Court of the United States in a recent decision has held that salmon and trout should be considered navigable waters of the United States subject to regulation by the federal government, and thus Michigan cannot control the taking of salmon and trout on the Great Lakes.

The coho salmon season will open Aug. 1, and coho salmon and chinook salmon will be available throughout all of Michigan. The opening of the salmon season is a result of efforts by the Great Lakes salmon fishermen's organizations to have the season opened as early as possible.

The salmon season will close Dec. 31. Fishing may continue in areas where the salmon season has closed due to poor fish returns.

Outdoor Notes

Michigan's Department of Natural Resources last week released its 1979-80 Hunting Regulations booklet. Copies of the booklet are available from any local natural resources office or by writing Department of Natural Resources, Lansing 48909. This year's regulations state that "hunting" means to use any physical means to take a wild animal. The regulations also state that "hunting in seasons" means to use any physical means to take a wild animal during the period of time specified by the department.

The Michigan Department of Natural Resources is conducting a survey to determine the public's interest in expanding the hunting season for deer in the northern part of the state. The survey will be conducted by United Survey Research, Inc., a market research firm based in Ann Arbor.

The survey will be conducted during the first two weeks of October. Respondents will be asked to indicate whether they support or oppose extending the hunting season for deer in the northern part of the state. The survey will also ask respondents to indicate their level of interest in hunting deer in the northern part of the state.

The results of the survey will be used to determine whether the department should extend the hunting season for deer in the northern part of the state.

Clint Miller, manager of the Michigan Department of Natural Resources, said, "We are conducting this survey to determine the public's interest in expanding the hunting season for deer in the northern part of the state. We believe that the results of the survey will help us make an informed decision about whether to extend the hunting season for deer in the northern part of the state."
Former St. Johns aviatrix seeks win in women's air race

Mrs. Kathleen Gerhold of Corunna was a former St. Johns aviatrix and a former employee of the now defunct aviation company. She is married to Mr. Gerhold and has four children. Mrs. Gerhold holds the daughter of Mr. and Mrs. Frederick C. Gerhold of Corunna.

Pilots entering the Oct. 3 Small resident, will be among 60 female plane races at Coldwater. Mrs. Gerhold is the daughter of Mr. and Mrs. Frederick C. Gerhold of Corunna. She is employed in the zoning administration of Maple Rapids and is a former employee of the now defunct aviation company.

Photos by ED CHEENEY
Quarterback depth and a stalwart defense seem to shine through this fall for the Redwings of St. Johns High school and their head coach, Jeff Smith. Randy Atkinson and Ken Schnebly have been trying for the coveted position of starting quarterback ever since practice sessions got underway a few weeks ago.

Defensively, the Redwings are strong. They played this fact Thursday at Atwood Stadium in Flint during their scrimmages with Flushing, Bay City Central and Flint Northern High Schools. Both the varsity and junior varsity teams made the trip to Flint. Atkinson quarreled for most of the night Thursday and seemed to have a good fundamental advantage on the starting bench. Schnebly won't be sitting on the bench, though. He doubles as a quick, scrappy defensive back.

Defense is the Redwings' second forte. They began proving this Thursday when they held both Bay City Central and Flint Northern to their least offensive yardage of the night. In a solid gesture of respect, the entire Flint Northern squad congratulated the Redwings on their play against the strong Flint defense. The final margin of the scrimmages wasn't known until Friday when the Redwings took on Mason here at 7:30 p.m., for their first game of the 1970 season.

Weaknesses do prevail on the Redwing team. Head Coach Smith said they were in both the offensive backfield and line. The offensive line doesn't seem to block when it has to. It was last Thursday at Atwood Stadium, Atkinson got rankled frequently during the night.

Twenty senior lettermen were on hand to bolster the squad. The majority are linemen and they include Eddie Boettger, Dave Flermoen, Larry Vitek, Dan Stockwell, Kent Murton, Larry Hayes, Gary Rademacher, Jim Findlay, Larry Wakefield, Randy Atkinson and Brad Hunley.

The St. Johns Redwings boast a wealth of experience in 21 returning lettermen ready to face their first grid contest of the season Friday at Mason. First row from left are Kent Murton, Buddy Barnes, Roy Pederson, Steve Mead, Dave Flermoen, Jim Findlay, Larry Vitek, Dan Stockwell and Jim Wieman. Last row, Luane Lumbert, Ed Boettger, Randy Atkinson and Brad Hunley.

Stockwell and what place he thought his Redwings would finish, Smith said, "They will finish in the top eight." He was more specific about his opponents and what they should have to offer. Smith said Mason has much of their defense returning but hardy any offense. They do have an experienced signal-caller and should give us the battle that could occur.

"Waverly goes along with both as being the two conference championship contenders. They have 12 returning lettermen and a few battle-hardened players from O'Reilly High School. Their JV squad finished second in the conference last year. They have a 6 foot 6 inch, 250 pound quarterback and are hoping for an unbeaten season if they get by Lansing Catholic High School.

"Hastings has acquired Lake- wood's old coach and has many returning lettermen including Larry Heath, a 6 foot 2 inch, 185 pound back. They always have a strong team.

"Grand Ledge was the conference champ last year but they've lost quite a bit of their defensive line to graduation. That alone could keep them from returning to the top two spots in the conference.

It wouldn't be fall or football season without some pretty cheerleaders chanting their teams to victory. Here typical cheerleading beauty is exemplified by Shirley Eister, Jeff, Mary Pat Srinne, Carol Yurbe, Alice Villarreal, Cathy Grost, Goleen Rademacher, Kim Hopko and Anita Strgar, this year's Redwing girls.
Panthers sharpen claws for title defense, take on Fighting Bees in Friday opener

The DeWitt Panthers, flying high with memories of their 9-0 championship last year, clawed their way through class B Harper Creek and Grass Lake Saturday in their only non-conference scrimmage. Taking on a third team, Union City, proved a more difficult task.

"They gave us a rough time," Head Coach Gary Roberts said, "but we are hoping to have a strong offense this year."

"Losing Ashley really hurt us," Roberts said. "But we are hoping to have a strong offense this year."

"We look better than last year," Roberts said. "But we are hoping to have a strong offense this year."

The Panthers have discovered a line passing quarterback this year in Ron Wilcox (5-11, 177 pound senior) on defense. Dan Ruble, a 5-10, 185 pound senior, Tom Ashley and Loren Ward (6-4, 177 pound senior) on defense.

"If we can get a few more good ends and a few more good tackles, we will have a good defense this year," Roberts said.

Roberts picks the toughest game this year to be against Pewamo-Westphalia Oct. 16 and Portland St. Patrick Nov. 6.

"But you can't count out Pewamo," Roberts added. "All of them will be improved over last year."

Looking to Friday, Roberts said there will be about 12 returning letterman. John Black, Mike Cole, Ron Wilcox, Jim Ashley, Tom Keener, Kurt Kluge and Dan Davis. Second row, Randy Sellhorn, Clayton Church, Chuck Gorman, Tom Brockway, Bill Thelen, Dan Ruble and Bob Jackson.

Third row, Roger Wardell, Steve Shoofitz, Loren Ward, Steve Tews, Tom Ashley and Bob (Bubba) Hudson.

The DeWitt Panthers hope to extend their win streak to ten games with the opening round against Bath at home on Friday. First row from left are returning letterman, John Black, Mike Cole, Ron Wilcox, Jim Ashley, Tom Keener, Kurt Kluge and Dan Davis. Second row, Randy Sellhorn, Clayton Church, Chuck Gorman, Tom Brockway, Bill Thelen, Dan Ruble and Bob Jackson. Third row, Roger Wardell, Steve Shoofitz, Loren Ward, Steve Tews, Tom Ashley and Bob (Bubba) Hudson.
O'Donnell says:

Vet Marauders could maul league, must stop Portland win streak first

The Marauders of Ovid-Elsie High School will be boasting a potent, veteran offense when they tangle with their first rivals, Portland, there on Sept. 18 at 8 p.m.

Head Coach Jeff Smith of St. Johns said that if the Marauders get by Portland, they could have an 8-0 record when his Marauders meet them on Nov. 13 for the last game of the season for both teams.

Marauder Head Coach Mark O'Donnell laughed at this remark but did seem to agree with Smith saying that if his squad did beat Portland, it might be the biggest win of the season.

Last year's record at Ovid-Elsie was a 2-7 disaster but O'Donnell said their quickness one-half years.

This year the returning lettermen hope to strengthen Ovid-Elsie's chances of winning.

“Saginaw St. Stephens is going to be another tough customer. They have acquired several starting players from a cross-town high school they merged with at the start of this current school year. With this in mind, though, we should still emerge victorious at our first home contest of the season. We are going to be tough from the word go. They lost heavily by graduation last year and should be doing quite a bit of rebuilding. Without a loss through graduation and their junior varsity team wasn’t too strong last Fall.

“Midland is an average team this year but they always seem to be tough on their home field, no matter what past performance indicates. "

“Corunna is going to be the league nemesis because they are going to be tough from the word go. Both their varsity and junior varsity took the Mid-Michigan B League championships last year and are being honestly looked at for a repeat performance. "

"Chesaning will also be strong because of the fact that practically their whole team will be returning from last year. I believe that Corunna, Chesaning and ourselves will be vying for the league championship. "

"Swartz Creek's head coach said they would end the season on a winning note if they defeat many of the players during the season. They have grown to a school of 1,600 pupils in just the past few years. "

"St. Johns has always been tough and this year won't be any exception. They have a quarterback by the name of Atkinson that will go either way with no prediction possible now." staff.

Seventeen returning lettermen hope to strengthen Ovid-Elsie's chances this year for a winning season. Pictured from left in the front row are: Don Bowles, Robbie Byrnes, Rich Cross, Rich Dobbava, Mike Leslie and Ron Lover; second row, Steve Melvin, Gregg McKay, Tom Pumford, Gary Rivest and Phil Seybert; third row, Jim Stewart, Duane Welber, John Winkler, Cal Woodard and Tom Hughson. Larry Squires was not available for the picture.
'Dark horse' Bath plans strong air attack

An experienced quarterback and a veteran defense is what Head Coach Ron Skorich of Bath has to rely upon for the upcoming football season.

"If our backs come through, we could have a tough team," Skorich said. "As of now, it looks as though our passing game will be our strong point."

Bath's Fighting Bees finished their 1969 season with an even 4-4 record and a third place finish in the Ingham County League. It was their first year within the league.

There will be standouts on the 30-man squad, according to Skorich, but depth will be a problem at almost every position.

Skorich is picking senior defensive tackle Don Adams as a strong all-state possibility. Adams was all-state honorable mention in 1969. Other bright spots are senior linebacker Rick Smith who measures 5 feet 7 inches tall and weights 160 pounds, senior fullback Dan Baker at 6 feet 1 inch tall and 185 pounds and junior quarterback Paul Stoll at 6 feet 2 inches tall and 175 pounds. Stoll ranked third in passing in the Ingham County League last fall.

Junior halfbacks Doug Sage and Joe Mitchell are being tabbed by Skorich as his speedsters.

 Asked about league contenders, Skorich said, "Fowlerville and Williamston should be the two title contenders and I would rank Perry and ourselves as the league's two dark horse candidates."

Homecoming in Oct. 30 pits the Bees against Fowlerville. Bath opens their season at Dewitt, on Sept. 18 at 8 p.m. All other varsity games, home and away, begin at 7:30 p.m.

A New Season ....

This is where it all started for the thousands of high school hopefuls in Michigan football programs. Where it ends depends on determination, coordination, intelligence, skill and some luck thrown in for good measure. It started here too for these Redwings and coach Jeff Smith. What the future holds depends on what was accomplished here.

Under the watchful eyes of an experienced coach, this rugged Fowler Eagle squad gets down to the basics of hitting and conditioning.

It may appear to be mere child's play, but this exercise is no barrel of fun for the fellow assigned to lugging a buddy around the field. Here Redwing candidates tug and pull during a "fight match."

Under the watchful eyes of an experienced coach, this rugged Fowler Eagle squad gets down to the basics of hitting and conditioning.

"HUT ONE, HUT TWO..."

The Redwing defense is set as Flushing High School's offensive squad prepares another test for them. Throughout the entire night at Anewald Stadium in Flint last Thursday, the Redwing's first defensive team showed a great deal of promise as they held Bay City Central and Flint Northern High Schools to their lowest offensive yards of the night. Each team scrimmaged the other during the evening.
**Muscle on lines**

**Eagle's 4-year squad : Three yards and dust**

Experience thrives in the camp of the Fowler Eagles.

This year's seniors earned playing varsity ball when they were freshmen and have played together every year since.

According to Head Coach Blaine Douglas, the Eagles will be depending on size and strength to overcome their lack of speed on both sides of the line.

Douglas has been a running coach for the past ten years and he says he's not about to change. His offensive team runs and runs and his defense keeps stopping the running plays. They boost a defensive line average of over 200 lbs., and an offensive line average of 180 lbs.

Talking to Douglas makes it self-evident that both passing offense and passing defense are the teams' weaknesses. They do pass but the aerial attempts are limited to a maximum of 25 to 35 yards. Pass defense practically isn't there. The defensive line will force many running teams to take to the air early in any given game.

Team standout Ken Schmitt is a quick, husky senior who can play a variety of positions. Feldpausch was the 2nd-leading ground gainer in the Central Michigan Athletic Conference last fall and also captured honors again. They are big and much intact from last year. We do play them at home and should play a good game.

"Webberville is going to be in the middle of a rebuilding year and won't be much of a threat to anybody."

Douglas summed up the forthcoming season by saying that if the Eagles play to their capability, they are going to be tough. But, if they don't, it's going to be a long season.

P-W boasts 'best qb in league'

With "the best returning quarterback in the league," Pewamo-Westphalia Head Coach Bill Marks is hanging his hopes on a fast opening against Carson City Friday to take the title.

Once past the tough Carson City defense, Marks is looking forward to a head-on clash with new arch-rival and defending champ DeWitt.

"We should have won last year," Marks said. "We gave them a scare, but those are the breaks."

That they did. It was the closest game all year for the Panthers, 18-16, and only pulled it out in the final quarter.

With momentum and revenge in mind, the Piranets will be gunning for the Panther aces.

But Marks pointed out that other teams in the Central Michigan Athletic Conference won’t be pushovers this year.

"Although, the Saranac team would be better for us since we already have a rivalry in other sports," he said.

"We play in one of the finest class C-D leagues in the state," Marks noted, "We have one of the best C and D teams in the state and one of the toughest," he added.

In checking out his team roster, BILL MARKS

Marks said that he has several players who could be nominated for all-state honors this year. He named John Bengal as the "best returning quarterback in the league," and an experienced linemen in Charlie Theis, and Dan Weber, the all-conference back who gained about 1,000 yards and 14 touchdowns for the Pirates last season.

The lineup is loaded with seniors.

At the halfback spots will be Danny Weber (5-7, 150 pounds) and Randy Schaefer (5-8, 165 pounds); Pete Smith (5-10, 160 pound senior) will also be ready.

Rounding out the backfield with quarterback Bengal (5-11, 175 pounds) will be fullbacks Roger Luna (5-11, 160 pounds) and Jim Thelen (6-1, 205 pounds), Theis (6-2, 187 pounds) and junior Larry DeMarco (5-11, 185 pounds) will play at tackle, along with Dennis Pung (6-4, 225 pound senior). Guards will be Tom Meyers (5-10, 165 pound junior) and Gary Roach (5-10, 175 pound junior).

Christine Wieber weds Terrence Piggott

Christine Ellen Piggott became the bride of Terrence Edward Wieber Friday, Sept. 11, at St. Mary’s Catholic Church in Westphalia. Rev. Alphonse Miller performed the double ring ceremony witnessed by many friends of the bride and groom.

The couple’s visit to St. Mary’s was free from worry and stress as they were surrounded by family and friends.

Dr. David Littlejohn officiated at the altar and announced the marriage of Christine Ellen Piggott and Terrence Edward Wieber. The couple then exchanged rings and were pronounced husband and wife.

Following the ceremony, the newlyweds enjoyed a reception at the lodge and met with well-wishers who congratulated them on their union.

The couple is planning a honeymoon trip to California and will reside in Lansing, Michigan, where Terrence is employed as a software engineer.

Dorothy Jenkins weds John Gretzinger

Dorothy Jenkins became the bride of John Gretzinger Saturday, Sept. 12, at St. John’s Catholic Church in Westphalia. The couple exchanged vows in front of the altar and were pronounced husband and wife.

The couple then enjoyed a reception at the lodge and met with well-wishers who congratulated them on their union.

The couple is planning a honeymoon trip to the Bahamas and will reside in Denver, Colorado, where John is employed as a software engineer.

4-H Exploration Day Winners

*What's in Your Sack lunch,* a food presentation, is exhibited by Kathy Davis of the Olive 4-H Projects Club and Vickie Thelen of the Bengal Community 4-H Club during the Youth Days event.

This Clinton County vegetable display took the "Best of Show" competition exhibit by the Kountry Kousins 4-H Klub during the MSU event.

Susan Striz, of the Scattered Southeast 4-H Club, won first place with her Junior Heifer calf during the Exploration Days event.

Judy Schwark displays her prize, a first place trophy, for topping the girls division (number one) in the state rifle shoot.

Jerry Hittle of Ovid's Spring Valley 4-H Club is congratulated by Howard Doss of Michigan State University after winning the state tractor operators competition during the 1970 state 4-H Youth Exploration Days. He will participate in the Eastern Regional contest at Richmond, Va., Sept. 27-30.

Kathy Hazle, left, Charles Green and Dana Sue Hazle show their first place products in the county herd class during the 4-H show at MSU.

Dennis Baese, of Elsie, topped the "Best of Show" in the handicraft competition during the Exploration Days.

When they're not studying...

Clinton County 4-Hers made a splash at the 4-H State Fair Top Honors held August 20-22 at the State Fairgrounds in Lansing.

Some of the top awards were to Clinton County. Charles Tall of Clinton Tall won the Adult-4-H Top Contests at Washington, D.C. on April 13, 1970, while Sandy Balmer, Ann, and Mike, Balmer, and Betty and Mike, Balmer, spent Labor Day weekend in the upper part of Michigan and on Labor Day weekend. Mr. and Mrs. Roger Balmer, Mrs. Hirt and J. Parks, and Mr. and Mrs. Herb Schmidtman of Bath, spent Labor Day weekend. Roy Wittle spent Labor Day weekend in the upper part of Michigan and on Labor Day weekend. Mr. and Mrs. Roger Balmer, Mrs. Hirt and J. Parks, and Mr. and Mrs. Herb Schmidtman of Bath, spent Labor Day weekend.

WIN $200.00

Its Easy... Here's How To

WIN
CASH PRIZES

BAZAAR OF VALUES

During the eight-week Bazaar of Values, The County News will give away $200 in cash to shoppers who patronize merchants participating in the Bazaar of Values. During the first four weeks $10 will be given away each week, during the next three weeks $20 a week will be given away at the end of the first six weeks there will be a $100 prize given away. All entries stay in the box for the entire eight weeks. You have a chance to win each week. You may deposit as many entries as you wish. The more entries you make, the better chance you have of winning. Just write your name, address and phone number on any sales slip, cash register tape, charge slip receipt or other business form from any business displaying the BAZAAR of VALUES posters or advertising in this section of The County News. Or you can use the free coupon at the right. Bring or mail these entries to The County News, 120 Walker, St. Johns. Each week a ticket will be drawn and a photo of the happy winner taken. This is a bonus opportunity for you because you shop in Clinton County ... nothing extra to buy ... just enter your sales slip or coupon!

The County Road Commission of Clinton County, Michigan, held a meeting on TUESDAY, April 14, 1970. Attendees included members of the Board of Commissioners and other relevant officials. The meeting agenda included various topics such as budget presentations, infrastructure projects, and policy discussions.

### Budget Presentations

The Clerk of the Road Commission presented the Commission's budget for the upcoming fiscal year. The budget encompassed various aspects of the department's operations, including infrastructure improvements, maintenance, and personnel costs. The budget was reviewed and adopted by the Board.

### Infrastructure Projects

A discussion was held regarding the construction of new roads and improvements to existing infrastructure. The coordinator of the Road and Bridge Commission presented a proposal for the development of a new highway connecting two towns. The proposal was reviewed and approved by the Board.

### Policy Discussions

Several policy discussions took place, including changes to the department's towing policies and procedures. The Board voted on new policies regarding the towing of abandoned vehicles and the enforcement of parking regulations.

### Conclusion

The meeting concluded with the approval of several minor administrative changes and the setting of dates for future meetings. The next meeting is scheduled for TUESDAY, May 12, 1970.

**Commission proceedings**

**Organizer**

Commissioner Montgomery reporting for the Tri-County Authority Study committee states that the bill is properly engrossed and has been approved by the Tri-County Authority. Commissioner Montgomery announces meeting dates for the Tri-County Authority. A meeting will be held on April 26, 1970 at 10 a.m.

**Agenda**

1. The City Manager read a letter from the Michigan Department of Transportation regarding the proposed.
2. The Board of Commissioners met to discuss the proposed expansion of the City of St. Johns.
3. A motion was made to approve the expansion plan and a vote was taken.
4. The motion was carried.

**Next Meeting**

The next meeting of the Board of Commissioners will be held on May 3, 1970 at 7:30 p.m.

---

**Announcements**

1. The city council has approved the construction of a new public safety building.
2. The City Manager reported on the progress of the public safety building project.
3. The City Manager announced plans for the expansion of the city's water system.

Autumn again

As the days of summer wane and the sun dips lower in the sky, the little earlier each evening, we know that nature is sending out its "falling" warning of the approach of a new season. On Sept. 23, the sun crosses an imaginary line and autumn begins, for many parts of the world, autumn is a season of high color. The leaves of the trees, as they don their most brilliant garb in preparation for another year, softly bring color and briskness to the scene. Since Alaska has been added to the great nation is not, as we turn the corner on Oct. 4, several activities will be held on that day, including a 5K race, a half-marathon, and a 10K race. The event is open to the public and all ages, with prizes awarded to the top finishers in each category. The race will start at 8 a.m. at the Clinton County courthouse square, with the finish line located at the same location. The course is approximately 5 miles in length, with beautiful scenery and views of the surrounding area.

Tennis anyone? political, that is

There's a widespread concern among many people about the high cost of tennis lessons, especially for those on a tight budget. The US Tennis Association, which oversees the sport and its governing body, the United States Tennis Association (USTA), has implemented a new program called "Tennis for All," which aims to make tennis more accessible to everyone. The program offers free tennis lessons to children from low-income families, as well as discounts for adults and seniors. It's a great initiative that helps to bridge the gap between those who can afford to play and those who can't.

Back thru the years

Maybe no sports - Bath Ed Board, Nixon, Rockefeller visit county, Eagle Township Fair resumes

The harvest is over — but the fun isn't. A new season of events is on the horizon, with the opening of the Eagle Township Fair. The fair is a popular annual event that brings people together to celebrate the end of the harvest season and the beginning of a new year. This year's fair will feature a variety of activities, including a parade, a rodeo, and a horse show. It's a great opportunity to get out and enjoy the outdoors with family and friends.

If you enjoy tennis, you might want to check out the new Tennis for All program. It's a great way to get involved in the sport and help make it more accessible to everyone. And if you're looking for something to do this fall, be sure to check out the Eagle Township Fair. It's a fun and exciting event that everyone is sure to enjoy.
Few changes visible on first mini Gremlin

The Gremlin, which is the new
brand of U.S. automaker, was
introduced in September 1970.
For 1971, the car will be
changed to a different model.

The Gremlin is a small car that
is designed to compete with
other cars in the same price
group. It features a lightweight
body, a four-cylinder engine, and
a compact size that makes it
attractive to consumers looking
for a practical and affordable
vehicle.

The Gremlin's exterior design
includes a distinctive front
grille and streamlined body
lines. The car's compact size
and maneuverability make it
ideal for city driving and easy
to park.

Corporation officials expect
the Gremlin to be a success,
and they are optimistic about
the car's potential in the
marketplace. By offering a
 uniquely designed vehicle
at an affordable price, the
Gremlin aims to attract a
diverse range of customers
looking for a reliable and
practical car.
