Who owns Bath's oldest building?
ST JOHNS - Mrs. Farrel Poff of 304 E. St Johns, presented to the board the following items which were found in a possible wreck site disposed of by the Michigan State Police.

Mrs. Poff's son was killed in the war and her home was located on the coast near the site where the wreck occurred. She had conducted New England antiques in a house near the wreck and the items were brought to the board.

In appreciation of the act, Mrs. Poff of the Maytag appliance company presented Mrs. Poff with a new automatic washer. The washer was delivered yesterday and is now in use.

ST JOHNS - Mrs. Annie Findlay of St. Johns received a new automatic washer from Kurt's Appliance located in the city. The washer was delivered yesterday and is now in use.

A debate on Europe has come to Traverse City High School as DeWitt residents Val and Mollie Kauffman visited on Sept. 14 for three days and now are to host a Swedish exchange student.

According to the program's coordinator, Kurt's Appliance Center in St. Johns, Michigan, the exchange student is from Sweden and will be staying in the family's home for three months. The student is expected to participate in the school's activities and attend classes. The Kauffmans are reportedly looking forward to welcoming the student into their home and learning more about Swedish culture.

Local Music Club wins award of merit

The first tall meeting of Alpha Phi Mu Sigma Fraternity was held in the hotel's East Room, then the site of the present-day Ohio State University Fine Arts Building. The meeting was attended by approximately 30 members of the fraternity, who discussed plans for future events and activities.

A November 23 wedding is planned and the couple will reside in Greenville, where they both presently reside. The bride-elect is a 1972 graduate of St Johns High School. Her fiance graduated from Michigan State University in 1970.

The First National Bank of St Johns, Michigan, has announced the opening of a new branch office in the Hilltop Plaza, located at 120 E. Walker Street, St Johns.

The Local Music Club presented its annual awards ceremony last week at the St Johns Opera House, honoring outstanding musicians and composers from the local community. The evening was filled with performances by local talent, as well as special guest appearances from nationally recognized musicians.

The club's program assignments for the year dealt primarily with American music, focusing on the contributions of American composers and musicians to the world of music. The club continues to offer a platform for local musicians to showcase their talents and connect with fellow music enthusiasts.

The next meeting will be held at the Opera House on Saturday night, featuring a variety of musical performances and presentations. The club welcomes all interested individuals to attend and participate in their programs.

The club operates under the guidance of President Mrs. John W. Schwart, who ensures that each meeting is a resounding success. The club's membership includes a diverse group of individuals passionate about music, and they look forward to continuing their mission of promoting and preserving the rich legacy of American music.

Sleepy Hollow taking shape, but predict 1980s completion

By Jan L. Beaderstadt
County News Writer

OVID - Construction is in full swing at Clinton County's future state park, as Maclean Construction Company begins preparation of the man-made lake for Sleepy Hollow State Park, the park's completion date is set for the early 1980's, which is 15 years from now.

The park, when completed, will contain a lake the size of Lake Lansing with a beach and fishing. The Little Maple River will be dammed up to form a reservoir area of the county park. Located on the west side of the town that is already a popular hunting spot for fall, the park is expected to become a popular recreation area.

The Department of Natural Resources (DNR) plans for a half mile of sand beach, a campground of 150 sites, picnic areas and over 3 miles of hiking trails. Construction has begun for the lake-bed, with Upton Road being changed to follow the perimeter of the lake. The DNR hopes to have the sandy beach ready by the end of November and the dam constructed in a month, but one ranger at the park said "that it remains to be seen."

So far, one group campground has been completed on Upton Road just north of Price Rd and a temporary picnic area has been created on Price Road just west of Shepardsville Road. Three miles of hiking trails have been completed along with the restoration of 2 one-room schools.

Construction of the park had been delayed because of vandalism and problems with acquiring land. A pike-spawning bed located in the park just west of Shepardsville Rd. has been very successful in the past few years. The lake is expected to be stocked in 1980 with a federal grant of $200,000 from the U.S. Fish and Wildlife Service.

Fall colors are expected to be good this fall at the park. To reach the park, go east of St. Johns on M-21 to Sleepy Hollow State Park, then north to Price Rd. Those coming from the south can take M-21 to Round Lake Road, then east to Shepardsville Rd. To reach it from the north, go east of St. Johns on M-21 to Round Lake Road, then north to Shepardsville Rd. The State Park sticker is not required for admission.

Four Fowler TDs called back -- they still romp to 24-0 win

PORTLAND -- Fowler(1-1) cut the lead to 14-0 when Tony Montgomery took a screen pass for a 4-yard TD in the 4th quarter. But Portland(0-2) scored 14 points in the 1st and 2nd quarters. The 1st was from 12 yards by Mike Froehlich, the 2nd a 19-yarder by John L. Smith late in the first half.

The Marauders took the opening kickoff and marched 75 yards in 8 plays, with Froehlich scoring from 12 yards out. Laingsburg cut the lead to 14-6 with 6:50 left in the 2nd quarter when Larry Hibbler scored from 1 yard out. The extra point was good.

After that, Fowler scored twice and Portland failed to recover in the 2nd half.

Fowler, 尤rerry Thomas caught the opening kickoff and, by the end of the game, he picked up 216 yards to lead the-rushing attack against Portland. The Eagles defeated Portland 24-0 and end the scoring for the 4th quarter with 2:27 left in the game when Mike Graff caught a screen pass for a 49-yard TD.

The Fowler offensive back was the star with his blocking all afternoon. It was Terry Thelen again in the 4th quarter when Mike Graff scored the last TD of the game. He did not play for the 2nd half due to injury.

Although Portland had the ball in their come-from-behind drive, the Marauders managed to hold them to a 1-point deficit. Laingsburg picked off 1 Munson's pass in the 1st quarter for a 49-yard TD in the 1st quarter. The Marauders managed to hold the ball in their come-from-behind drive but were eventually held to a 1-point deficit.

Scholarship semi-finalists

According to Edward C. Smith, president of the National Merit Scholarship Corporation, the number of semifinalists reached 15,000 this year. These National Merit Scholarship Semi-Finalists represent one out of every seven seniors. These National Merit Scholarships, allocated on a state's percentage of the total number of students graduating from high school in 1974, are renewable for up to four years, and can be renewed annually for a total of $15,000. Every Finalist competes for a $15,000 scholarship. These semi-finalists were selected on the basis of their scores on the Preliminary Scholastic Achievement Test, which was administered to more than 2.7 million students in their junior year. Of the 15,000 students who are National Merit Semi-Finalists, 5,800 will be named on April 23, the anniversary of the death of Dr. Arden Noyes, the corporation's founder.

The National Merit Scholarship Committee is an independent organization, and its activities, from the preliminary testing to the final selection of winners, are conducted without any knowledge of the names of the students. All students at participating secondary schools are invited to take the Preliminary SAT, but only the top 1% of the nation's seniors are invited to become National Merit Semi-Finalists.

The National Merit Scholarship Semi-Finalists listed below are from Clinton County.

Owasso Speedway ends season with 2-day event

The Owasso Speedway season came to an end with a 2-day event, in Owasso, Oklahoma, on September 25 and 26. The first day featured a USAC A-Feature race and the second day featured a USAC Feature race. The event was well attended, with spectators cheering on the drivers as they raced around the track. The weather was warm and sunny, making it a great day for racing. Overall, it was an exciting end to the season for the drivers and fans alike.

Ambitious project needs your support

The St Johns Marching Redwing Band is currently working to raise money to participate in the National Lions Club Convention ceremonies in Dallas next summer. For such a trip to become a reality, a large sum of money (in the $30,000-$50,000 neighborhood) is needed to cover expenses.

Rather than going through the usual fund raising, they have planned a variety of fund raisers that should offer as much fun for the community as they do to serve as means of raising money.

Information about the 1st fund raiser was published in last week's County News, another story is in this week and several more issues will keep you informed of their projects and progress.

We urge you to support these young people in their project - an ambitious undertaking that needs your support of the entire Clinton County community.

Back Through the Years

YEARDAY

By T. Chapman, MI

On Tuesday, Sept. 17, 1974, Miss G. Stevenson, of St. Johns, received the St. John's social call.

Two years ago, as a member of the Clinton County Planning Commission, a new educational wing to the St. John's High School is planned this fall.

The project is now in the initial stages of realization, but with the help of Miss Stevenson, the plan is to build a modern educational facility that will serve the needs of the community for many years to come.

Recently, Mr. T. Chapman was interviewed by the Planning Commission about the project and plans for the future of the educational wing.

He expressed his support for the project and emphasized the need for community involvement in the decision making process.

"I'm looking forward to seeing the final product," Mr. Chapman said. "It will be a great asset to the community and will provide new opportunities for the students of St. John's High School."
DISABLED MAY BE ELIGIBLE FOR SUPPLEMENTAL SECURITY PAYMENTS

People disabled since childhood may be eligible for supplemental security income payments if they reached the age of 18, regardless of whether they are living independently or with their parents. To be eligible, they must meet certain medical criteria and have limited resources. The amount of the payment depends on the resources of the person and the family.

People with no other income at all, are eligible for supplemental security payments of at least $319 per month for a single person and $638 for a couple. People with other income, such as Social Security Income, may be eligible for supplemental security payments if the total income does not exceed the maximum allowed.

Disabled individuals who are eligible for supplemental security payments may receive additional benefits such as medical care, housing assistance, and educational support. They may also be eligible for other types of assistance, such as housing subsidies, educational support, and vocational training.

To determine if you or a loved one is eligible for supplemental security income, contact the Social Security Administration, Social Security Administration office, or a qualified disability advocate.

People described above who are not disabled also may be eligible for supplemental security income payments if they meet certain medical criteria and have limited resources. The amount of the payment depends on the resources of the person and the family.

Chloe’s Column Clean your pressure canner

You've finished canning your produce for the season. How do you store your pressure canner? Here’s how to clean it.

1. Turn the water on and fill the canner with water.
2. Fill the canner with water and let it come to a boil.
3. When the water has reached a boil, place the lid on the canner and let it simmer for 5 minutes.
4. Remove the lid and let the water cool completely.

Remember to always check the gasket and replace it if it is worn, stretched, or hardened. If the gasket is not in good condition, it can cause damage to the canner.

MORE PROOF ... KROGER REALLY DOES HELP MINI-MIZE YOUR FOOD COST!

Guaranteed Tender • More Economical • Leaner Beef

Now at Kroger a new breed of beef to broaden your shopping selection — Tender Lean Thrifty Beef. This beef is well-named, coming from young, lean cattle raised in mild, naturalizer flavor and texture. Yet, we guarantee the outstanding tenderness of this leaner beef. Tender Lean Thrifty Beef is carefully selected by Kroger’s own meat experts, only from U.S.D.A. inspected beef.
