Therapist wants to clear up mental health misunderstandings

BY TINA McCAIN

ST. JOHNS—"Mental health" has been a topic of discussion in our country for a few years. But the new organization, the Clinton County Mental Health Association, says there is much more to this issue than just a few years ago. The group was formed to address the needs of people with mental health issues and to provide support and education. It is a community-based organization that is dedicated to improving the quality of life for people with mental health issues.

"We want to clear up some of the misconceptions about mental health," said one of the group's founders. "We want to educate people about the realities of mental health issues and to provide a safe space for people to talk about their experiences."

The group plans to hold monthly meetings to discuss various topics related to mental health, as well as provide educational workshops and support groups. They are also working on developing a mental health awareness campaign to increase public understanding and reduce stigma.

"We believe that mental health is a human right," said another founder. "Everyone deserves to live a healthy and fulfilling life, regardless of their mental health status."

The group is open to anyone who wants to learn more about mental health and to support people with mental health issues. They are encouraging people to come out and be a part of the movement to improve mental health in our community.

Centrally located in downtown St. Johns, the group is easy to find. They meet on the first Wednesday of every month at the Clinton County Community Center, from 7 p.m. to 9 p.m. The group is free to the public and everyone is welcome.

They are also looking for volunteers to help with events and outreach. If you are interested in learning more or volunteering, please contact the group at 555-1234 or mentalhealthassociation@ClintonCounty.com.

Mayor Ralph Schurch of St. Johns said that the group plans to meet on the second Tuesday of each month, starting next month. He said, "We will discuss some general programs, our organization and some specific programs."

The group, he noted, will try to change some things by "showing" some things. "You can show people what you want to do," he said. "You can show them how things can be done."

Panthers blast Pirates, sole owners of CMAC

By TIM YOUNKMAN

Westphalia's defense drilled the Panthers' offense, holding the usually prolific offense to 10 first downs and only 129 yards. The DeWitt defense bent but didn't break, as the Pirates went as far as the DeWitt 27-yard line only to have Dan Davis recover a fumble.

DeWitt scored first when Quarterback Ron Wilcox dropped back and hit Tom Couling with an 11-yard pass. The Pirates couldn't answer, and DeWitt scored again on a 25-yard run by Chuck Berkimer with 6:09 remaining in the first quarter.

In the second quarter, Wilcox connected with Ashley (75) for 41 yards, and Davis picked up the first down. P-W's defense held, and Wilcox ran in the two extra points.

Both teams were evenly matched in the third quarter and added another only j by the error of a missed field goal.

DeWitt's defense then thwarted Pewamo-Westphalia's offense, holding them to 129 yards and only six first downs. The annual clash between DeWitt and Pewamo-Westphalia ending with a 26-6 victory for the Panthers.

Larry Halfmann (62) picked up a first down for the Fowler Eagles on this round and end play early in the first quarter.

The ball and marched down the field for another TD drive, lighting at the Dansville field, was played in the afternoon. Bath's 25 yards for the touchdown. Don capped by Joe Mitchell's 41-yard in the second quarter hitting his the afternoon due to lack of Dansville squad, 20-0.

The Bees shuts out a demoralized Bath in every statistical category. The Bees rolled 136 yards on the ground and 136 in the air compared with 50 yards passing for Dansville. Bath completed 12 of 22 passes, while Dansville only completed five of 12 attempts. Bath turned the ball over twice, 55 yards on two occasions, one by Ordiway and an interception by Skorich. Their defense is practically received in all of the air strikes. "Their defense is fast." They are big, but if we hit them, we will win." The Bath coach improved with Stoll's defensive squaring up.

This was a big win for Dansville. Stoll completed 12 of 22 passes for 136 yards on the ground and 136 in the air.

Marauders destroy Ithaca

By TIM YOUNKMAN

The Marauders offense and defense combined from the opening kickoff to thwart any attempt by Ithaca to put up much of a fight in the season's first game.

The Marauders had the next three scoring drives of the game. They started with a 14-0 showing in the first quarter, followed by a 7-0 score in the second quarter.

Fullback Jim Kelleypicked up 30 yards on the opening kickoff to get things started. He proved that Friday meant everyone on the field and the Marauders mean everyone on the field.

Ovid-Elsie's second score came in the third quarter when Ovid-Elsie tailback Bob Foreback picked up a second straight down for the first down. The Marauders scored on a 47-yard TD scramble and Ovid-Elsie's second score.

Early in the third quarter, the Marauders scored again. Jim Kelleypicked up the one-yard line for a touchdown on a one-yard plunge.

Ovid-Elsie's second score came on a 47-yard TD scramble and Ovid-Elsie's second score.

The Marauders were stopped twice in the red zone before Robert Baker broke over left guard for a 20-yard run on the opening kickoff to get the drive started.

Couple speak vows in afternoon service

The couple, sea lions in yellow, white and green, walked hand in hand down the aisle of the church, led by the groom, Herbison Road, DeWitt, and his father, Mr. and Mrs. Ernie Ohrleo, to the altar. They were accompanied by the bride's father, Mr. and Mrs. Robert J. Harrison, of Fowler.

The ceremony was performed by Mr. L. N. Krueger of Lake and Main, Westphalia, and was followed by the signing of the marriage certificate. The couple then exchanged rings and sealed their union with a kiss.

The reception was held at the Baptist Church in Ovid, with the Rev. Amado Chanco of the Philippines as the officiant. The couple was congratulated by their friends and family, and they enjoyed a reception

VETERANS' DAY 1971

Veterans' Day will be observed this year in most states on October 25. This time there was tremendous local recognition and participation. The day was also observed in other countries around the world. The day is marked by ceremonies, parades, and other events to commemorate the sacrifices made by those who served in the armed forces.

Rep. Garry Brown seeking new military academy applicants

WASHINGTON, D.C. — Third-term Rep. Garry Brown (R-Mich.), sponsor of a bill to expand the U.S. Military Academy at West Point, and the U.S. Naval Academy, had his bill passed by the House Armed Services Committee on September 11. The bill would establish a new military academy in the state of Michigan, and it would be called the Michigan State Military Academy.

When it's pumpkin time again

Washington, D.C. — Every year in the air
When it's pumpkin time again
The whole state of Michigan
And the leaves are on the ground
And we're all ready to get into the fall spirit.

For those who love the pumpkin spice latte, the perfect moment is almost here. The fall season is upon us, and Michigan is already buzzing with excitement. The air is crisp, the leaves are changing colors, and the pumpkin spice latte season has arrived.

This year, the pumpkin spice latte craze has reached new heights. Coffee shops and bakeries across the state are offering a wide variety of pumpkin spice latte flavors, from classic pumpkin spice to more unique creations like pumpkin spice and chai tea.

But it's not just the coffee shops and bakeries that are getting into the pumpkin spice latte spirit. Many Michigan businesses are also offering pumpkin spice latte-related merchandise, such as pumpkin spice latte mugs and pumpkin spice latte-themed T-shirts.

And if you're not into pumpkin spice latte, there are plenty of other fall activities to enjoy in Michigan. From apple orchards to pumpkin patches, there's something for everyone.

Back thru the years

One Year Ago

Oct. 14, 1970

People have often wondered if the future is more important than the past. To some extent, this is true. We need to look ahead and see what is coming, so that we can prepare for it. But we also need to remember the past, so that we can learn from it.

In 1970, the world was a very different place. The Vietnam War was at its peak, and the United States was involved in many other wars around the world. The economy was in a downturn, and many people were out of work.

But despite these challenges, there was also a lot of hope and excitement. The civil rights movement was gaining momentum, and the women's liberation movement was just getting started. And people were starting to think about the future of the world, and what kind of a world we wanted to live in.

Today, we are facing many of the same challenges as we did a year ago. The economy is still struggling, and many people are out of work. But we also have new technologies, and new opportunities to improve our lives.

So let us look to the future, and see what is coming. But let us also remember the past, and learn from it. Together, we can build a better world for all people.

The County 4-H Teen Leaders discuss the 4-H Teen Leader Orientation for the upcoming year. This month's officers include Debbie Darrin, President; Linda Deshong, Vice-President, and Bart Shindel of St. Johns as Secretary-Treasurer. A few members were able to attend the meeting at mid-month. P.M. at the Clinton County Fairgrounds. The members agreed a thorough discussion for the year plans included several extracurricular activities, and special meetings including a camp and a boys' game at the local ball field. There will be a tour as to where the meetings will be held, and the officers will be elected for the year.

For the coming year are: Mark Walsh-President; Eric Baker-Vice President; Tom Moldenhauer-Secretary; and Lynn Rademaker and Mary Rademaker as officers. The members have elected the following as the officers for the winter term: Tom Moldenhauer-President; Mary Rademaker-Secretary; and Lynn Rademaker and Mary Rademaker as officers for the winter term.

The members visited Burr Township and voted to make hospital a continuous flow, or water system. The members have elected the following as the officers for the winter term: Tom Moldenhauer-President; Mary Rademaker-Secretary; and Lynn Rademaker and Mary Rademaker as officers for the winter term.

**P-W has more elbow room**

By TOM DEWITT
Co-Editor

PEWAMO-WESTPHALIA—Some 400 students here have more elbow room this year. They also have more room to sit and study in, and for 360 seventh, eighth and ninth grade students, they have a beautiful instructional materials center to use.

Why?
Because the taxpayers of the Pewamo-Westphalia School District voted an $800,000 bond issue in 1966 to provide for a new junior high school wing to the high school building and an addition to the elementary school in Pewamo.

"IT HAS REDUCED OUR overcrowding," says Ralph Thelen. "And the addition to the high school has allowed us to make double use of our cafeterias, gym and instructional materials center."

The new wing opened this fall, as did the elementary addition. Construction was begun in September of 1970.

The Junior High wing features 10 classrooms, including two new science rooms and two "cluster" rooms with movable walls, in 19,000 square feet. One of the cluster rooms can be divided into two classrooms or made into one big study hall. The other can be divided into four rooms, simply by closing the walls.

The elementary addition, four new classrooms and office space, contains 6,248 square feet and was built at a cost of $160,000. The cost of the junior high addition was $640,000.

IN ADDITION TO the instructional materials center and the 10 classrooms, the area also provides for additional office space and storage areas.

That should tell you a lot about the cars we sell.

Block Is Beautiful
Block Is Economical
Block Is Easy To Maintain
And One More Thing

Whether you own a big or small car, pay a little or a lot, the one thing you don't need from a car is trouble. Your Chrysler-A car that's built to last. Why? We're with you. Just look at this figure:

9 out of 10 new Chryslers registered in the last 10 years are still on the road.

That includes all the various owners, any kind of terrain, and numbers of miles. But every Chrysler is designed and built the way you want it to last. So even if you won't be keeping a car for years and years, it's good to know - our cars are built to last. That's true of every Chrysler-engineered car we sell.

That's the kind of car America wants. That's the kind of car we'll be happy to show you. Come see us at Hettler.
