Shape schools for 70 theme of ed week

"Shape schools for the 70's is the theme of Education Week this year. The event began on Wednesday evening, October 29th, at the Twenty-Sixth Annual Midwestern Science Teachers' Sectional Convention held in St. Johns. According to school officials, several workshops were attended by teachers from throughout the United States. Approximately 5,000 annual reports were presented at this convention, focusing on ways in which schools might be improved. The theme of this year's event is "Plan a Better Home for the Schools,' " said Walter Nickel, administrative assistant at the public schools. Mr. Nickel at 224-2394.

"The schools are becoming more concerned about the effectiveness of the programs, he said. "Demands for improved educational programs, as well as increased awareness of the individual's role in today's society, are serving him, Nickel said. "Awareness in the individual of the school's role in today's society, is serving the schools. The schools are becoming more concerned about the effectiveness of the programs, he said.""}

St. Johns teachers attend meet

St. Johns High School teachers, including Terry Seybert, Mike Geiger of Bath, and Gary Palmpier of Bath, attended a meeting of the Michigan Science Teachers' Association on Wednesday evening, October 29th. According to school officials, the teachers' role in today's society is serving the schools. The schools are becoming more concerned about the effectiveness of the programs, he said. Redwings wring Homecoming win

The Marauders now stand 2-0 in the conference and 3-1 for the season. But the scoring was not as high as one would expect given the teams' records and recent play. Fourteen turnovers were a frequent sight on the field, and the game was dominated by the Marauder defense, which forced four turnovers and held the Bulldogs to just a single touchdown.

The game opened with an interception by Marauder linebacker Ken Schueler, which set up a touchdown drive that gave the Marauders an early lead. The defense continued to force turnovers throughout the game, with Schueler making another interception in the third quarter to set up another touchdown.

On offense, the Marauders were able to move the ball effectively, despite an injury to starting quarterback Nick Ludlow early in the game. Backup quarterback Dan Ryan took over and led the team to a second touchdown on a quick pass to running back Larry Mead.

The Marauders continued to dominate on defense, holding the Bulldogs to just 144 total yards. The defense was led by Schueler, who had 11 tackles and three interceptions, and linebacker Mark O'Donnell, who had 10 tackles and a fumble recovery.

The game was punctuated by several turnovers, with the Marauders forcing four and the Bulldogs turning the ball over twice. The turnovers were a major factor in the game, with the Marauders using their two interceptions to score both of their touchdowns.

Despite the turnovers, the Marauders were able to control the game and prevent the Bulldogs from getting close. The defense was able to hold the Bulldogs to just a single touchdown, and the Marauders were able to run away with the game in the second half.

The Marauders will look to continue their winning ways next week as they travel to Midland to take on the Chemics, who are currently 3-1 in the conference. The game is set for a 12:30 p.m. kickoff on Thursday, October 15, with a business meeting following the game.

The Marauders are now 2-0 in the conference and 3-1 for the season, and they are looking forward to the challenge of playing against the Chemics.

The game was an exciting one, with the Marauders using their turnovers to control the game and the defense rarefying the Bulldogs from getting close. The game was punctuated by several turnovers, with the Marauders forcing four and the Bulldogs turning the ball over twice.

News About Clinton County - Service Personnel

Saturday, Oct. 13, 1979, a daughter of Mr. and Mrs. Charles Cox of North Little Rock, Ark., was promoted to Army specialist 5th class. She was last stationed at Ft. Leonard Wood, Mo., and will be assigned to Carswell AFB, Tex. He will serve with the 11th Tactical Fighter Group.

The Clinton Township of Michigan's Dalores, Lonesome, and Tense Eyes being well served by the U.S. Forest Service, according to Arthur Stuyt, supervisor of that area, the fire season has already been well started.

In addition, Delta, Kewanee, LaPorte, Lockland, Ovid, Clinch, and Slough have also been well served, and in some cases far surpassed, by the efforts of the Forest Service.

He noted that the cost of clearing forested areas is staggering. It is not a job for the faint of heart.

The meeting called to order by the President, Mrs. John Rumney, Wednesday afternoon with 40 members and guests present. A devotional was served from the Bible and the meeting adjourned for a short time to answer the call of nature and then returned to business. The meeting was called to order by Mrs. John Rumney, Wednesday, October 14, 1970. The President, Mrs. John Rumney, called the meeting to order with the Pledge of Allegiance. Mrs. John Rumney read the minutes of the previous meeting. It was moved and seconded that the minutes be adopted, and the motion was carried. Mrs. John Rumney presented to the Bement Library the first part of a comprehensive history of the school of Clinton County. The history of the school was compiled by Mrs. John Rumney and her husband, Mr. John Rumney. The history of the school includes information about the school's history, its students, and its faculty. The meeting adjourned with the President, Mrs. John Rumney, and the Secretary, Mrs. John Rumney, in charge of the meeting.

Fowler school budget hearing set tonight

The Fowler Board of Education will hold its regular meeting on Monday, Oct. 19. The meeting will be held in the high school auditorium at 8 p.m. Copies of the budget will be on displays at the entrance to the high school building.

The budget calls for an increase in expenditures of $6,500.00 compared to the previous year. The increase is mainly due to higher costs of education to make provision for the added expenses.

Milk price looks good

Producers are in a better position of present wholesome milk. The prices are expected to remain stable until new supplies of milk are received, according to G. S. Hig-

St. Johns breeders named to HFAA

St. Johns was represented by two 44 members joined the National Dairy Shorthorn-Friesian Association of America, Inc., at its annual convention held last week in Chicago. The members will gain a voice in the selection of delegates to the national convention as well as an opportunity to attend the annual meeting of the association.

Seed tested for disease

Michigan State University pathologists and soil insectologists may again have their hands full testing for internal bacterial blight in bean seed, according to George McMillan, Clinton County 4-H secretary. This year, bean growers and elevator operators again have their bean seed tested by the Clinton County Agricultural Extension office. A charge of $5 per sample, which are available from the Clinton County Agricultural Extension office, will be made.

Notices of General Election
Proposals:

Proposal A: Proposed Constitutional Amendment to the Michigan Constitution to: (a) Prohibit use of public monies or property, directly or indirectly, for the purpose of electing candidates for the office of state or local legislator, or for the purpose of electing candidates for the office of United States Senator or Representative in Congress; (b) Prohibit use of public funds, except for transportation, to support the activities of any political party or political organization.

This amendment would add language to the Michigan Constitution to prohibit the use of public monies or property, directly or indirectly, for the purpose of electing candidates for the office of state or local legislator, or for the purpose of electing candidates for the office of United States Senator or Representative in Congress. It would also prohibit the use of public funds, except for transportation, to support the activities of any political party or political organization.

Proposal B: Proposal to Change the Minimum Voting Age to 18 Years.

Shall the Michigan Constitution be amended to change the minimum voting age to 18 years, or until altered by the voters of the county, for the County of Clinton and the townships and school districts within the county, the aggregate of which shall not exceed 16 DO mills as follows: County of 0.0; School Districts (a school district located entirely within a city shall receive in addition millage equal to the township millage) TOTAL 18.00.

Proposal C: Proposed Constitutional Amendment to the Michigan Constitution to: (a) Prohibit the employment of any person at non-public schools or at any other location or institution where instruction is of any kind, at any grade, from pre-school through secondary school, or from one to one thousand years, or until altered by the voters of the county, for the County of Clinton and the townships and school districts within the county, the aggregate of which shall not exceed 16 DO mills as follows: County of 0.0; School Districts (a school district located entirely within a city shall receive in addition millage equal to the township millage) TOTAL 18.00.

Proposal D. Proposal Relating to Clinton County Participating in Airport Authority.

Shall Clinton County participate as a member of the Airport Authority pursuant to Act 73 of the Public Acts of 1925? 1. The sewage disposal system referred to in paragraph 5 of this contract, shall be acquired and constructed by the Board of Commissioners of Clinton County, for the purpose of disposing of sewage from the Village of Clintonville and its environs, and the payment of the cost thereof by the Village, with the approval of the Board of Commissioners of Clinton County.

WHEREAS, it is immediately necessary and imperative, for the preservation of the health, cleanliness and comfort of the Village of Clintonville, that a complete sewage disposal system be constructed and operated within said Village.

WHEREAS, by the terms of said Act, the County and the Village hereby agree that the cost of the sewage disposal system shall be borne equally by the County and the Village, and that the payment of the cost thereof shall be made as provided in paragraph 5 of this contract.

WHEREAS, it is immediately necessary and imperative, for the preservation of the health, cleanliness and comfort of the Village of Clintonville, that a complete sewage disposal system be constructed and operated within said Village.

tract. Placed in operation, shall be made by the Village, The actual payments and ownership of engineering data, shall be considered to have been paid to the Village within the meaning of the Michigan Constitution of 1963, the purpose of this provision being to give the Village ownership of the aforesaid funds, particularly funds described in paragraph 1 of the contract and therein referred to as the “System”. The Village, as set forth in the preamble of this resolution, mean the debt service installment payments required to be made in accordance with the plans and specifications established in the amount required to pay the principal of the bonds, as the same shall be issued and as the agency of the County, and the provisions in the Contract and the Register shall be subject to redemption prior to maturity, in accordance with the provisions of section 5, article IX of the Michigan Constitution of 1963 and the provisions of the same. The bonds referred to in this resolution as the “bonds,” The balance of the cost of the System and the automatic increasing of the annual payments through 1985, then such annual tax levy may be reduced by such amount. The Village may pay additional money over and above the amount required to be paid by the Village pursuant to Section 10, Article IX of the Michigan Constitution of 1963, the purpose of this provision being to give the Village ownership of the aforesaid funds, particularly funds described in paragraph 1 of the contract and therein referred to as the “System”. The Village, as set forth in the preamble of the resolution, mean the debt service installment payments required to be made in accordance with the plans and specifications established in the amount required to pay the principal of the bonds, as the same shall be issued and as the agency of the County, and the provisions in the Contract and the Register shall be subject to redemption prior to maturity, in accordance with the provisions of section 5, article IX of the Michigan Constitution of 1963 and the provisions of the same. The bonds referred to in this resolution as the “bonds,” The balance of the cost of the System and the automatic increasing of the annual payments through 1985, then such annual tax levy may be reduced by such amount.
The resolution provides for the issuance of bonds for the Project, to be used for the construction and acquisition of the Sanitary Sewage Disposal System. The proceeds of the bonds will be used to construct the System and acquire the necessary land and property.

The resolution also establishes the terms and conditions for the sale of the bonds, including the interest rate, maturity dates, and other financial details. The bonds will be issued in the name of the County of Clinton, Michigan, and will be secured by a mortgage on the System.

The resolution further provides for the County to enter into a contract with the Village of Maple Rapids for the acquisition and construction of the System. The contract will be for the benefit of the Village and the County, and will include provisions for the payment of interest and principal on the bonds.

The County Board of Commissioners will appoint a bond committee to manage the sale of the bonds and the construction of the System. The bond committee will be composed of three members, appointed by the County Board.

The resolution also provides for the appointment of a trustee to hold the bonds and the property upon which they are secured. The trustee will be appointed by the Board of Commissioners and will be responsible for the management of the property and the bonds.

The resolution further provides for the management of the System by the County Board of Commissioners, and for the appointment of a superintendent to manage the System.

The resolution also provides for the establishment of a Sanitary Sewage Disposal System Board, composed of five members, to be appointed by the County Board of Commissioners. The Board will be responsible for the management of the System.

The resolution also provides for the establishment of a Sanitary Sewage Disposal System District, consisting of the Village of Maple Rapids and the County of Clinton, Michigan. The District will be responsible for the management of the System.

The resolution also provides for the establishment of a Sanitary Sewage Disposal System Trust, to be established by the County Board of Commissioners. The Trust will be responsible for the management of the bonds and the System.

The resolution further provides for the appointment of a auditor to audit the accounts and financial statements of the System.

The resolution also provides for the appointment of a judge to preside over the System.

The resolution further provides for the appointment of a treasurer to manage the financial affairs of the System.

The resolution also provides for the appointment of a secretary to manage the records and correspondence of the System.

Section 4. The total indebtedness of the County shall not exceed the limit of $5,000,000 as of May 1, 1971, and $15,000,000 thereafter, at any one time outstanding. The term "indebtedness" as used herein shall include all bonded indebtedness of the County and all other obligations of the County entailing an annual debt charge of 5% or more, but shall exclude any obligations which are exempt from taxation. Any increase in the limit of $5,000,000 shall be by resolution of the Board of Commissioners of the County of Clinton, approved by a vote of at least two-thirds of the members of the Board of Commissioners of the County of Clinton, and recorded in the Official Records of, and filed with the Clerk of, the Circuit Court for the County of Clinton, Michigan.

Section 5. Any additional changes in the bond limit shall be submitted to the people of Clinton County at a regular election of the people of the County, and approved by a vote of at least two-thirds of the people voting thereon.

Section 6. The Board of Commissioners of the County of Clinton shall have the power to issue bonds in any amount and for any purpose not inconsistent with any act of the Legislature of the State of Michigan, the Constitution of the State of Michigan, or this resolution, to be payable from any revenue or funds of the County, or any combination thereof.

Section 7. The Board of Commissioners of the County of Clinton shall have the power to authorize, issue, and sell bonds for the purpose of paying the principal and interest on the bonds of the County of Clinton, which were issued prior to May 1, 1971, and the cost of any other debt or obligation of the County of Clinton.

Section 8. The Board of Commissioners of the County of Clinton shall have the power to issue bonds in any amount and for any purpose not inconsistent with any act of the Legislature of the State of Michigan, the Constitution of the State of Michigan, or this resolution, to be payable from any revenue or funds of the County, or any combination thereof.

Section 9. The Board of Commissioners of the County of Clinton shall have the power to authorize, issue, and sell bonds for the purpose of paying the principal and interest on the bonds of the County of Clinton, which were issued prior to May 1, 1971, and the cost of any other debt or obligation of the County of Clinton.

Section 10. The Board of Commissioners of the County of Clinton shall have the power to issue bonds in any amount and for any purpose not inconsistent with any act of the Legislature of the State of Michigan, the Constitution of the State of Michigan, or this resolution, to be payable from any revenue or funds of the County, or any combination thereof.

Section 11. The Board of Commissioners of the County of Clinton shall have the power to issue bonds in any amount and for any purpose not inconsistent with any act of the Legislature of the State of Michigan, the Constitution of the State of Michigan, or this resolution, to be payable from any revenue or funds of the County, or any combination thereof.

Section 12. The Board of Commissioners of the County of Clinton shall have the power to issue bonds in any amount and for any purpose not inconsistent with any act of the Legislature of the State of Michigan, the Constitution of the State of Michigan, or this resolution, to be payable from any revenue or funds of the County, or any combination thereof.

Section 13. The Board of Commissioners of the County of Clinton shall have the power to issue bonds in any amount and for any purpose not inconsistent with any act of the Legislature of the State of Michigan, the Constitution of the State of Michigan, or this resolution, to be payable from any revenue or funds of the County, or any combination thereof.

Section 14. The Board of Commissioners of the County of Clinton shall have the power to issue bonds in any amount and for any purpose not inconsistent with any act of the Legislature of the State of Michigan, the Constitution of the State of Michigan, or this resolution, to be payable from any revenue or funds of the County, or any combination thereof.

Section 15. The Board of Commissioners of the County of Clinton shall have the power to issue bonds in any amount and for any purpose not inconsistent with any act of the Legislature of the State of Michigan, the Constitution of the State of Michigan, or this resolution, to be payable from any revenue or funds of the County, or any combination thereof.

Section 16. The Board of Commissioners of the County of Clinton shall have the power to issue bonds in any amount and for any purpose not inconsistent with any act of the Legislature of the State of Michigan, the Constitution of the State of Michigan, or this resolution, to be payable from any revenue or funds of the County, or any combination thereof.

Section 17. The Board of Commissioners of the County of Clinton shall have the power to issue bonds in any amount and for any purpose not inconsistent with any act of the Legislature of the State of Michigan, the Constitution of the State of Michigan, or this resolution, to be payable from any revenue or funds of the County, or any combination thereof.

Section 18. The Board of Commissioners of the County of Clinton shall have the power to issue bonds in any amount and for any purpose not inconsistent with any act of the Legislature of the State of Michigan, the Constitution of the State of Michigan, or this resolution, to be payable from any revenue or funds of the County, or any combination thereof.
No winners in strike

Two currently popular movies are satirical spoofs on war, specially the glorious wars of yesteryear as on a realistic demand and rejects proffered fringe benefits.

So if the strike must eventually be turned into a sort of a high school marching band, it is not true that banks can't sell popcorn. And it is not true that banks can't sell popcorn.
