A MESSAGE FOR DADDIES

They’re either you around or your ancestors.

Get yourself a good, thorough examination once a year. Once a year, let your doctor really look you over. Talk to him often, and talk to him about it often. And maybe he’ll spot something a little more than you’d really like. And so should you.

The whole idea is to keep you healthy. It’s worth your while and your family’s. Come back next year. But if anything changes, then you’ve got to call the American Cancer Society...

Visitors tour VFW post

On Saturday, Oct. 1, during the 1836-1981 Bicentennial of DeWitt, a special event was held at the historic VFW Post 141. The Local Historians led a tour of the facility.

The tour began with a presentation about the history of the post, followed by a guided tour of the building. Attendees were taken through the various rooms and areas, including the original meeting hall and the current kitchen.

After the tour, refreshments were served to the visitors, allowing them to enjoy the atmosphere and interact with other attendees. The event was well attended, with many people showing interest in the history of the post and the community.

Dewitt Lamps and Signs held its annual lamp sale at the VFW post on Friday evening. Attendees enjoyed browsing a wide selection of lamps and signs, as well as participating in the raffle.

The raffle was held to raise funds for the local historical society. Attendees bought tickets for a chance to win a variety of prizes, including lamps, signs, and other gifts.

The evening concluded with a fun and festive atmosphere, with attendees enjoying each other’s company and learning about the history of DeWitt.

Dewitt Lamps and Signs thanks everyone who came out to support the event and hopes to see you all again next year.
