Federal payment for storm

Clinton county "freeze" money

Clinton County is due to receive a share of $1.4 million committed by the Federal government to help Michigan residents recover from last winter's severe freeze and snowstorm.

President Richard Nixon from the Disaster Relief Fund to help Michigan residents recover from last winter's severe freeze and snowstorm.

The March 19 storm caused an estimated $200 million damage in Clinton County, including estimates of private losses.

Mrs. Pat Simmet, director of nursing at Clinton Memorial Hospital, congratulates pharmacist Donald Sauders. They stated that Dr. Sauders will continue his fine support as in the past. The motion presented by board member William Sauders and approved by member Wendell St журналыF the "board蜘蛛 through" in response to the question of "Who was the recipient of the senior president's plaque?"

De Witt OKs rezoning

"No detailed plan has been prepared, but we are assured that the City Council staff will solicit input from the public on this rezoning. It is important to note that the rezoning will not affect the density of 13 families per acre, which is the current density. For this reason, we are engaging with the City Council and will present a petition to the City Planning Department when reaching your decision."

PROUD TO read these letters, Dorothy Keck, clerk, read a letter from Raymond DeWitt, councilman, expressing his support for the rezoning. He emphasized the need for a high-quality development and the importance of protecting the downtown area from unwanted development.

DeWitt Township will hold new firemen training course

The DeWitt Township Board of Trustees, in their regular meeting, approved a new firemen training course for area firefighters. The course will begin in the November meeting and will be held every other month. The course will be conducted by the Clinton County Firemen's Association and will be offered to all firemen in the area.

It's flushing time for St Johns hydrants

The St Johns Water Department personnel will begin flushing the fire hydrants in the area to remove any sediment that has developed during the summer months. The schedule for flushing will be as follows and will be done between the hours of 8 am and 4 pm:

- Oct 31 - All Fire hydrants east of Oakland Street in St Johns.
- Nov 1 - All Fire hydrants east of Oakland Street in St Johns and south of the Grand Trunk Railroad.

The flushing will be to remove any sediment that has developed during the summer months, and the process will be repeated on Friday.

Trezise opposes "no fault" bill

State Representative is Douglas Trezise of Owosso, has introduced a "no fault" bill which has been met with opposition from insurers and consumers. The bill, which was sponsored by Senator James Borgen, would have made significant changes to the current system of no-fault insurance. The opposition was led by State Representative Roger Eberhart, who has been a vocal critic of the bill. The bill, which was introduced in response to a recent surge in claims, would have increased the cost of insurance for consumers, and the opposition was focused on finding a solution that would be fair to all parties involved.

You're invited to attend an open meeting

To register for the open meeting, please contact the Clinton County Register of Deeds Office at 224-7614. The meeting will be held in the Register of Deeds Office in the St Johns Courthouse on Tuesday, October 24th at 7:30 PM.

Firemen welcome at DeWitt Twp

DeWitt Township residents interested in the best possible protection for their children for the coming winter by going to see the new DEWITT TOWNSHIP FIRE DEPT.

Bill Faush, chief of the department, said the
decision can always use more firemen and especially people who want to stay in shape. Firemen can also use the training provided by the DeWitt Township Fire Department at Dewitt Township.

Friday, with the help of the cheerleaders, the Marauders beat the Ithaca 42-7. During halftime there was a dance in the court where King Dan Egbert and Queen Michelle Delaney were crowned. The students enjoyed the football game during halftime and some students at the game, gave an award for the best shots, their escorts. A loud, cheer from the Student Council to the class who showed the most spirit.

The students at St Johns high school would also be Blue and White day. Anyone interested in helping out, please contact Mr. Fisk for details.
Starting 8th year

Jack and Jill Day Care Center

is for St Johns preschoolers

ST JOHNS — "It’s just like the big kids" for a group of 60 4-year-olds attending Jack and Jill Day Care Center.

The St Johns preschoolers are attending sessions at the city's only nursery school. Starting its eighth year in January, the non-profit organization was begun by a group of volunteer mothers, Teachers Mrs Bonnie LaBrie and Mrs Barbara Stiffler have been with the program since its opening.

"Finding a place to hold the nursery was the most difficult aspect," relates Mrs LaBrie. "The United Methodist Church donated their premises on Linden Street because the minister thought it was a good community service," she adds.

The 3 St Johns women say they are grateful the church offered the space for without it the day care center could not function in a town this size and serve 60 children.

"Prices would range from $35 to $40 per month," estimates Mrs Stiffler, "and we would probably be serving a select 15 children whose parents could afford tuition. The charge now is $12 a month with a $5 enrollment fee.

Thank you, Detroit Tigers for putting some life into a fall otherwise doomed to the rhetoric of an election campaign.

The excitement caused by the Tigers unbelievable record made the year of the Tigers year for the sports fans of the Motor City. Thanks to the Tigers, people were talking about the success of the sports franchise and not solely about the political, economic and other serious events that were occurring around the world.

Of course the vocabulary of the entire Michigan citizenry became limited to short phrases of "Who's winning?" and "What's the score?"

**A prayer for Fall**

As we swing into the new season of the year, one of the most colorful certainly, a prayer by J. Barrie Sheppard which was recently published in the St. John's Herald.

Hallelujah! Let's all pray for the Michigan Tigers.

In this midst of a golden world, in the mellow old age of the year, the year of wonder of your creation, God. The russet and yellow, crimson and orange of leaves, the scarlet crimson and madder. All these portions of the whole fall, have been arranged to include the religious program of the Michigan State Supreme Court, in case it may be a little early to the Michigan Circuit Court and the General Assembly of Michigan, is the time for the year to become the new age of righteousness.

The St John's City Council has taken over the operation and maintenance of the local beat city, a local beat. Its said: "The only time we've decided to do this is when the beat city council decided to do this thing too.

RHYTHM

This year every church becomes a burning bush, all the churches stand in awe, putting off our shoes from our feet, realising the need of the prayer of every nation, and yet we must acknowledge that behind the veil of gold, beneath the autumnal tints and hues, there are also bitter and gloomy days for men and women, our brothers and sisters, are dying, from hunger and disease, from loneliness and fear.

Day Care Center

(Continued from page 12)

Dear Editor:

As Bishop: "Children enjoy being at the day care center; they like the little teacher's dresses, too, but they can't make a selection. Our kindergarten, however, is very active; the children have complete freedom of choice. The first hour is free to the children, but they must be present when school opens. The regular school days continue until the end of the kindergarten.

The children are selected according to the number of boys and girls. In the LaBrie center, only girls are selected, and the children must be between the ages of three and five. The LaBrie center is licensed by the state department of social services. "We have to ensure that our children are ready for kindergarten," says Mrs. LaBrie. "And the children must be able to participate and cooperate in the school activities." The day care center now has a film strip machine to be used in合适 the educational program.

The teachers are selected according to their training and experience. "I can't believe, "she explains, "that some children do not attend kindergarten because the parents are not prepared to bear the costs." The teachers prepare the children for the kindergarten level. "The child learns to participate in school activities," says Mrs. LaBrie, "and to cooperate in the school activities." The children are selected according to the number of boys and girls. Pumpkins, Indian corn and gourds—that's what's 'growing on' at Dobson's

Middlebury

Letha Potter was hostess recently at her home in Pewamo for a bridal shower honoring Sherry Kennedy of South Lyons; Edwin Courser of Pontiac, and three other sons, the Rev. Francis Hall were in attendance. Mrs. Darling, her husband, and her sister-in-law, Mrs. Lusk, all from DeWitt, were also present.

The following dates were reported of the secretary and treasurer committee of the Ovid Nursing Home Oct 27: The annual session of the OES of Ovid, met in the Ovid Hall Friday and Sunday evening Oct 2. The annual election of officers for the year is due to an extra-long growing season. Late-maturing plants have been given a chance with the absence of killing frosts.

Pekives

Mrs. Dale Sbuiers, Mrs. Lewis Goodrich and Mrs. Lewis Wilsie are regular customers. Mrs. John Dobson, a life member of the Elsie Chapter No. 69, OES of St. Johns, recently underwent surgery at Owosso Memorial Hospital and has now been given a chance to get back to her usual duties. Mrs. Walter S Lusk of Pewamo, who is president of the Owosso Memorial Hospital Auxiliary, has been given a chance to recuperate. Mrs. F. J. Emerson of St. Johns, who is a member of the Owosso Memorial Hospital Auxiliary, is recuperating at home.

4-H Chatter

By JOHNAYLSWORTH

Programs have changed lading to a new level in the past year, as the 4-H program has evolved and adapted to meet the needs of today's youth. Participants are urged to bring in dried flowers and plants for the fall session. No reservations are needed. The sessions will be in charge of the 4-H Club leaders. No reservations are needed.

A leader training workshop for 4-H leaders will be held in November. The purpose of this workshop is to provide leadership for the 4-H program. The workshop will be held in the Horticulture Building and will be attended by leaders from the greater Lansing area.

Three Clinton 4-H'ers go to National Congress

ST JOHNS - Three Clinton County 4-H'ers will be attending the National 4-H Congress in Chicago next week. Participating in the congress will be: Joe Wing, Robert Wilcox, and Russell Ormsby.

4-H Roller Skating is the sport of the week. Open your hearts and think about giving. If you can help, please give money. Each dollar is a good deal.

Treat every silo as if it were a gas mask. Do not enter a silo room unless you are wearing a gas mask. If you must enter the silo room, ventilate the silo room and keep pneumonia from entering the silo. If the silo room is not ventilated, the gas will be concentrated and short of your heart. Open your heart and think about giving. If you can help, please give money. Each dollar is a good deal.

Silo gas can kill. And keep pneumonia from entering the silo. If the silo room is not ventilated, the gas will be concentrated and short of your heart. Open your heart and think about giving. If you can help, please give money. Each dollar is a good deal.
