Proposal Section
State
Proposal 20-1
A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent
This proposed constitutional amendment would:
*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.
*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.
*Require at least 20% of Endowment Fund annual spending go toward State park improvement.
*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.
Should this proposal be adopted?
Yes
No
Proposal 20-2
A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications
This proposed constitutional amendment would:
*Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.
*Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.
Should this proposal be adopted?
Yes
No

Proposal Section
State
Proposal 20-1
A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent
This proposed constitutional amendment would:
*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.
*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.
*Require at least 20% of Endowment Fund annual spending go toward State park improvement.
*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No
Proposal 20-2
A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications
This proposed constitutional amendment would:
*Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.
*Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No

State	
Proposal 20-1	
A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent	
This proposed constitutional amendment would:	
*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.	
*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.	
*Require at least 20% of Endowment Fund annual spending go toward State park improvement.	
*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.	
Should this proposal be adopted?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
Proposal 20-2	
A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications	
This proposed constitutional amendment would:	
*Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.	
*Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.	
Should this proposal be adopted?	
<input type="checkbox"/>	Yes

Proposal Section
State
Proposal 20-1
A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent
This proposed constitutional amendment would:
*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.
*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.
*Require at least 20% of Endowment Fund annual spending go toward State park improvement.
*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No
Proposal 20-2

Proposal Section

State

Proposal 20-1

A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent

This proposed constitutional amendment would:

*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.

*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.

*Require at least 20% of Endowment Fund annual spending go toward State park improvement.

*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.

Should this proposal be adopted?

Yes

No

Proposal 20-2

A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications

This proposed constitutional amendment would:

*Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.

*Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.

Should this proposal be adopted?

Yes

Proposal 20-1

A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent

This proposed constitutional amendment would:

*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.
 *Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.
 *Require at least 20% of Endowment Fund annual spending go toward State park improvement.
 *Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.

Proposal Section

State

Proposal 20-1

A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent

This proposed constitutional amendment would:

- *Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.
- *Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.
- *Require at least 20% of Endowment Fund annual spending go toward State park improvement.
- *Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.

Should this proposal be adopted?

Yes

No

Proposal 20-2

A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications

This proposed constitutional amendment would:

- *Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.
- *Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.

Should this proposal be adopted?

Proposal Section
State
Proposal 20-1
A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent
This proposed constitutional amendment would:
*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.
*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.
*Require at least 20% of Endowment Fund annual spending go toward State park improvement.
*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No
Proposal 20-2

Proposal Section

State

Proposal 20-1

A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent

This proposed constitutional amendment would:

*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.

*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.

*Require at least 20% of Endowment Fund annual spending go toward State park improvement.

*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.

Should this proposal be adopted?

Yes

No

Proposal 20-2

A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications

This proposed constitutional amendment would:

*Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.

*Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.

Should this proposal be adopted?

Yes

Proposal Section

State

Proposal 20-1

A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent

This proposed constitutional amendment would:

- *Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.
- *Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.
- *Require at least 20% of Endowment Fund annual spending go toward State park improvement.
- *Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.

Should this proposal be adopted?

- Yes**
- No**

Proposal 20-2

A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications

This proposed constitutional amendment would:

- *Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.
- *Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.

Should this proposal be adopted?

- Yes**
- No**

Proposal Section
State
Proposal 20-1
A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent
This proposed constitutional amendment would:
*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.
*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.
*Require at least 20% of Endowment Fund annual spending go toward State park improvement.
*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No
Proposal 20-2
A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications
This proposed constitutional amendment would:
*Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.
*Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No

Proposal Section
State
Proposal 20-1
A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent
This proposed constitutional amendment would:
*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.
*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.
*Require at least 20% of Endowment Fund annual spending go toward State park improvement.
*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No
Proposal 20-2
A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications
This proposed constitutional amendment would:
*Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.
*Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No

Fulton Schools Bonding Proposal
Shall Fulton Schools, Gratiot and Clinton Counties, Michigan, borrow the sum of not to exceed Nine Million Four Hundred Sixty Thousand Dollars (\$9,460,000) and issue its general obligation unlimited tax bonds therefor for the purpose of:
remodeling, equipping and re-equipping and furnishing and refurbishing school buildings; acquiring, installing, equipping or re-equipping school buildings for instructional technology; purchasing school buses; and developing and improving the site?
The following is for informational purposes only:
The estimated millage that will be levied for the proposed bonds in 2021 is 2.95 mills (\$2.95 on each \$1,000 of taxable valuation). The maximum number of years the bonds may be outstanding, exclusive of any refunding, is twenty-eight (28) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 2.47 mills (\$2.47 on each \$1,000 of taxable valuation).
(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

Proposal 20-2
A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications
This proposed constitutional amendment would:
*Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.
*Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.
Should this proposal be adopted?

Proposal Section
State
Proposal 20-1
A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent
This proposed constitutional amendment would:
*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.
*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.
*Require at least 20% of Endowment Fund annual spending go toward State park improvement.
*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No
Proposal 20-2
A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications
This proposed constitutional amendment would:
*Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.
*Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No

Proposal Section

State

Proposal 20-1

A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent

This proposed constitutional amendment would:

- *Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.
- *Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.
- *Require at least 20% of Endowment Fund annual spending go toward State park improvement.
- *Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.

Should this proposal be adopted?

Yes

No

Proposal 20-2

A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications

This proposed constitutional amendment would:

- *Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.
- *Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.

Should this proposal be adopted?

Proposal Section	
State	
Proposal 20-1	
A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent	
This proposed constitutional amendment would:	
*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.	
*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.	
*Require at least 20% of Endowment Fund annual spending go toward State park improvement.	
*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.	
Should this proposal be adopted?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
Proposal 20-2	
A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications	
This proposed constitutional amendment would:	
*Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.	
*Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.	
Should this proposal be adopted?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

Local School District	
Fulton Schools Bonding Proposal	
Shall Fulton Schools, Gratiot and Clinton Counties, Michigan, borrow the sum of not to exceed Nine Million Four Hundred Sixty Thousand Dollars (\$9,460,000) and issue its general obligation unlimited tax bonds therefor for the purpose of:	
remodeling, equipping and re-equipping and furnishing and refurbishing school buildings; acquiring, installing, equipping or re-equipping school buildings for instructional technology; purchasing school buses; and developing and improving the site?	
The following is for informational purposes only:	
The estimated millage that will be levied for the proposed bonds in 2021 is 2.95 mills (\$2.95 on each \$1,000 of taxable valuation). The maximum number of years the bonds may be outstanding, exclusive of any refunding, is twenty-eight (28) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 2.47 mills (\$2.47 on each \$1,000 of taxable valuation).	
(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
Community College	
I. Mid Michigan College Annexation Proposition	
Shall Mid Michigan College, Michigan, annex the territory of Gratiot-Isabella Regional Education Service District, Michigan that is not already included in a community college district?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No
II. Mid Michigan College Adoption of Mid Michigan College Maximum Tax Rate in Annexed Territory	
To provide funds for Mid Michigan College, Michigan, shall the limitation on the amount of taxes which may be assessed against all property in the proposed annexed territory of Gratiot-Isabella Regional Education Service District, Michigan, be increased in perpetuity by 1.2232 mills (\$1.2232 on each \$1,000 of taxable valuation), representing the community college district charter millage; the estimate of the revenue the community college district will collect within the annexed territory of the intermediate school district if the millage is approved and levied in 2020 is approximately \$3,110,000?	
<input type="checkbox"/>	Yes
<input type="checkbox"/>	No

Proposal Section
State
Proposal 20-1
A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent
This proposed constitutional amendment would:
*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.
*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.
*Require at least 20% of Endowment Fund annual spending go toward State park improvement.
*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No
Proposal 20-2
A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications
This proposed constitutional amendment would:
*Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.
*Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No

Proposal 20-1

A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent

This proposed constitutional amendment would:

*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.

*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.

*Require at least 20% of Endowment Fund annual spending go toward State park improvement.

*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.

Proposal Section

State

Proposal 20-1

A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent

This proposed constitutional amendment would:

*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.

*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.

*Require at least 20% of Endowment Fund annual spending go toward State park improvement.

*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.

Should this proposal be adopted?

Yes

No

Proposal 20-2

A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications

This proposed constitutional amendment would:

*Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.

*Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.

Should this proposal be adopted?

Proposal Section
State
Proposal 20-1
A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent
This proposed constitutional amendment would:
*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.
*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.
*Require at least 20% of Endowment Fund annual spending go toward State park improvement.
*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No

Proposal 20-2
A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications
This proposed constitutional amendment would:
*Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.
*Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No

Proposal Section
State
Proposal 20-1
A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent
This proposed constitutional amendment would:
*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.
*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.
*Require at least 20% of Endowment Fund annual spending go toward State park improvement.
*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No
Proposal 20-2
A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications
This proposed constitutional amendment would:
*Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.
*Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.
Should this proposal be adopted?

Proposal Section
State
Proposal 20-1
A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent
This proposed constitutional amendment would: *Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000. *Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund. *Require at least 20% of Endowment Fund annual spending go toward State park improvement. *Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No
Proposal 20-2
A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications
This proposed constitutional amendment would: *Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications. *Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.
Should this proposal be adopted?
<input type="checkbox"/> Yes
<input type="checkbox"/> No

Township

Proposal Section

State

Proposal 20-1

A proposed constitutional amendment to allow money from oil and gas mining on state-owned lands to continue to be collected in state funds for land protection and creation and maintenance of parks, nature areas, and public recreation facilities; and to describe how money in those state funds can be spent

This proposed constitutional amendment would:

*Allow the State Parks Endowment Fund to continue receiving money from sales of oil and gas from state-owned lands to improve, maintain and purchase land for State parks, and for Fund administration, until its balance reaches \$800,000,000.

*Require subsequent oil and gas revenue from state-owned lands to go into Natural Resources Trust Fund.

*Require at least 20% of Endowment Fund annual spending go toward State park improvement.

*Require at least 25% of Trust Fund annual spending go toward parks and public recreation areas and at least 25% toward land conservation.

Should this proposal be adopted?

Yes

No

Proposal 20-2

A proposed constitutional amendment to require a search warrant in order to access a person's electronic data or electronic communications

This proposed constitutional amendment would:

*Prohibit unreasonable searches or seizures of a person's electronic data and electronic communications.

*Require a search warrant to access a person's electronic data or electronic communications, under the same conditions currently required for the government to obtain a search warrant to search a person's house or seize a person's things.

Should this proposal be adopted?

Yes

No
